DATE: May 21, 2010

SUBJECT: Community Development Block Grant Public Facilities Subrecipient

Agreements for FY 2010-2011:

A Woman's Place Prairie Homes, Inc. Mental Health Center

Description

Included on the agenda of the May 25, 2010 Community Development Commission meeting are agreements for projects to be undertaken by not-for-profit agencies and organizations using Community Development Block Grant (CDBG) funds during the fiscal year beginning July 1, 2010 and ending June 30, 2011. The proposed agreements are for Public Facilities and Improvements projects included in the City of Urbana and Urbana HOME Consortium Annual Action Plan for Fiscal Year (FY) 2010-2011.

Issues

The issue is whether the Community Development Commission should forward the ordinances approving the agreements to the Urbana City Council with a recommendation for approval.

Background

On April 19, 2010, the Urbana City Council passed Ordinance No. 2010-04-024 approving the City of Urbana and Urbana HOME Consortium Annual Action Plan (AAP) for FY 2010-2011. The approving ordinance defined the actions necessary for the implementation of the CDBG Program. The FY 2010-2011 AAP was submitted to the U.S. Department of Housing and Urban Development (HUD) on May 12, 2010 for approval.

The proposed agreements are for projects that received CDBG allocations in the AAP as follows:

1. A Woman's Fund: Foundation repair, installation of proper drainage and grading on the grounds, and installation of a new HVAC system at the shelter run by A Woman's Place. (Total funds allocated: \$31,846).

- 2. Prairie Homes, Inc.: Installation of a new kitchen sink and countertops, cabinets, and vinyl floor, as well as four power flush toilets, at the Hartle Group Home, a supported living group home for individuals with developmental disabilities and is located on South Hartle Street in Urbana.
 - (Total funds allocated: \$15,411).
- 3. Mental Health Center of Champaign County: Installation of new windows and exterior doors in each unit of the supported apartments located on East Elm Street in Urbana. (Total funds allocated: \$20,404)
- 4. Mental Health Center of Champaign County: Repair the foundation and replace the roof of the Lincolnshire Group Home, located on Lincolnshire Drive in Champaign. (Total funds allocated: \$13,318)

Options

- 1. Forward the Ordinances approving the agreements with A Woman's Fund, Prairie Homes, Inc., and Mental Health Center to the Urbana City Council with a recommendation for approval.
- 2. Forward the ordinances approving the agreements, with suggested changes, to the Urbana City Council with a recommendation for approval.
- 3. Do not recommend Council approval of the Ordinances.

Fiscal Impacts

There is no impact to the City budget because CDBG funding for the Public Facilities and Improvements is included in the City of Urbana and Urbana HOME Consortium FY 2010-2011 Annual Action Plan.

The City's major investments in the CDBG Program for FY 2010-2011 are identified in the Annual Action Plan. Forwarding the agreements to City Council within a reasonable period of time will allow for the timely expenditure of CDBG funds as required by HUD.

Recommendations

Staff recommends that the Community Development Commission forward the Ordinance approving the agreements to the Urbana City Council with a recommendation for approval

ecommendation for approval.

D1. Federal regulations also require all CDBG grantees to report annually on specific outcome indicators as mandated by the United States Dept. of Housing and Urban Development (HUD). HUD has developed a Community Planning and Development (CPD) Performance Measurement System to measure the impact of their federally funded programs.

D2. Which local funding priority does this project meet, as identified in the Five-Year Strategic Plan of the <u>City</u> of <u>Urbana Consolidated Plan for Program Years 2005-2009</u> ? (See Page 2 for local funding priorities.)
This project meets the local funding priority of increasing access to quality public and private facilities and
services. This project will improve the public infrastructure and eliminate conditions which could be detrimental
to health, safety and public welfare of our clients.
D3. Explain <u>how</u> the proposed project addresses the local funding priority listed above: <u>The repairs to AWP will increase the quality of the building, thus providing those needing our services a better</u>
guality of life.
D4. Explain how you will measure the proposed project's effectiveness at meeting this local funding priority:
Our residential clients are asked to complete satisfaction surveys and we ask questions about the facility itself.
D4. Explain how you will measure the long-term impact of the activity on clients, participants, and/or community. What is the desired impact of your activity? What outcome(s) do you hope to achieve? What indicators will you use to measure the impact on the community, or on the lives of persons assisted? First and foremost we want to keep clients safe from abuse. It is our goal that at least 85% of our residential
clients will report feeling physically safe while living in our shelter. We utilize client surveys that assess the
safety rating of the shelter.
Secondly, we want to assist survivors of domestic violence in healing from the trauma they have
experienced. Our goal is that at least 85% of residential clients will report that our program helped them meet or
is in the process of helping them heal. Again, we utilize client surveys/departure forms asking if we have
assisted them in healing from the trauma.

H. AUTHORIZATION, ASSURANCES, AND SIGNATURE SHEET

- H1. We, the undersigned duly-authorized agents of (name of organization) A Woman's Fund :
 - A. Do hereby state, to the best of our knowledge the information contained in this application for the Community Development Block Grant (CDBG) Public Facilities (PF) grant is true and correct.
 - B. Understand the PF funds are disbursed on a reimbursement basis and assure the funds will be administered by the applicant.
 - C. Understand that the laws and regulations of the US Department of Housing & Urban Development (HUD) and/or the City of Urbana will govern any PF funding resulting from this application.
 - D. Agree to enter into an Agreement with the City of Urbana for its FY 2010-2011 PF grant and will adhere to all Program requirements.

H2. If a grant is awarded on the basis of this application, all project information detailed in the application will be implemented accordingly, becoming a part of the Agreement and the project shall commence within ninety (90) days of new grant period, which begins July 1, 2009.

H3. ASSURANCES

As the Applicant, the undersigned assures the commitment to compliance with the following Regulations as outlined by HUD:

A. NATIONAL ENVIRONMENTAL POLICY ACT COMPLIANCE

Where necessary, in order to comply with the National Environmental Policy Act (NEPA) directives, applicants shall provide complete and accurate information about environmental issues relating to their proposed activity or project. Such information must be analyzed and demonstrate a thorough investigation of possible or actual implications as a result of the proposed project. Those agencies involved in housing production, rehabilitation and/or development shall document their files demonstrating compliance with NEPA and other environmental laws. Such files shall be complete and in accord with environmental regulations.

B. LEAD BASED PAINT / ASBESTOS

HUD requires proper removal and disposal of lead-based paint as a part of CDBG-assisted renovation/rehabilitation of public facilities built prior to 1978. HUD also requires proper removal and disposal of certain materials, including asbestos, as part of CDBG-assisted renovation/rehabilitation of public facilities. If the proposed project is seeking CDBG Public Facilities funds from the City of Urbana for renovation of an existing building or other public facility, provide photographs, aerial photographs, design specifications, plans/blueprints, elevation drawings, or site surveys to detail information about the proposed renovation.

C. DAVIS BACON AND RELATED ACTS

Whenever the contract/project involves construction work that is valued in excess of \$2,000, Davis-Bacon rates will be applicable. If CDBG funds finance only a portion of a construction work, DBRA and Federal labor standards are applicable to the *entire* construction work.

D. FEDERAL LABOR STANDARDS

Prior to requesting any proposals or sending out bid packets, the Contractor must meet with City staff to determine if Davis-Bacon and/or Section 3 will apply to the Project. If either or both apply, the following checklist outlines the documentation needed in each proposal or bid packet sent to prospective contractors. In addition, prior to signing a contract, each selected contractor's eligibility to work on Federal projects must be determined by City staff to make sure they are not on the "debarred contractors' list." Lastly, the selected general contractor must meet with City staff for a Pre-Construction Conference to go over the required documentation needed for certified payroll, pay request, employee interviews, and lien waivers.

E. UNIFORM RELOCATION ACT

CHIEF AGENCY OFFICIAL:

Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA) 49 CFR Part 24. The URA protects all persons who are displaced by a federally-assisted project regardless of their income. URA requires relocation assistance be provided to any family, individual, or business that must move as a direct result of rehabilitation, demolition, or acquisition for a project in which federal funds are used. Where possible, projects must be designed to prevent or minimize displacement of tenants. Because federal funds administered by the City are made available through this application, any temporary or permanent displacement of tenants must be handled in accordance with all applicable provisions that cover relocation and acquisition of HUD programs.
