C2. Using the table below, please answer the following question: estimate the number of persons or households (please check one) served who will be extremely low, low & moderate-income:

8 Extremely low (<30% MFI) _____ Low (31-50%) _____ Moderate (51-80%)

-
-
-

As the Applicant, the undersigned assures the commitment to compliance with the following Regulations as outlined by HUD:

A. NATIONAL ENVIRONMENTAL POLICY ACT COMPLIANCE

Where necessary, in order to comply with the National Environmental Policy Act (NEPA) directives, applicants shall provide complete and accurate information about environmental issues relating to their proposed activity or project. Such information must be analyzed and demonstrate a thorough investigation of possible or actual implications as a result of the proposed project. Those agencies involved in housing production, rehabilitation and/or development shall document their files demonstrating compliance with NEPA and other environmental laws. Such files shall be complete and in accord with environmental regulations.

B. LEAD BASED PAINT / ASBESTOS

HUD requires proper removal and disposal of lead-based paint as a part of CDBG-assisted renovation/rehabilitation of public facilities built prior to 1978. HUD also requires proper removal and disposal of certain materials, including asbestos, as part of CDBG-assisted renovation/rehabilitation of public facilities. If the proposed project is seeking CDBG Public Facilities funds from the City of Urbana for renovation of an existing building or other public facility, provide photographs, aerial photographs, design specifications, plans/blueprints, elevation drawings, or site surveys to detail information about the proposed renovation.

C. DAVIS BACON AND RELATED ACTS

D. FEDERAL LABOR STANDARDS

Prior to requesting any proposals or sending out bid packets, the Contractor must meet with City staff to determine if Davis-Bacon and/or Section 3 will apply to the Project. If either or both apply, the following checklist outlines the documentation needed in each proposal or bid packet sent to prospective contractors. In addition, prior to signing a contract, each selected contractor's eligibility to work on Federal projects must be determined by City staff to make sure they are not on the "debarred contractors' list." Lastly, the selected general contractor must meet with City staff for a Pre-Construction Conference to go over the required documentation needed for certified payroll, pay request, employee interviews, and lien waivers.

E. UNIFORM RELOCATION ACT

Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA) 49 CFR Part 24. The URA protects all persons who are displaced by a federally-assisted project regardless of their income. URA requires relocation assistance be provided to any family, individual, or business that must move as a direct result of rehabilitation, demolition, or acquisition for a project in which federal funds are used. Where possible, projects must be designed to prevent or minimize displacement of tenants. Because federal funds administered by the City are made available through this application, any temporary or permanent displacement of tenants must be handled in accordance with all applicable provisions that cover relocation and acquisition of HUD programs.
