June 03, 2013

Dear Township Board,

This document is the tentative budget document for the fiscal year 2013-2014. The tentative budget document must be available for inspection for at least 30 days prior to a public hearing before the Budget and Appropriation Ordinance can be adopted by the Township Board (per *Illinois Compiled Statutes*, Local Government, Illinois Municipal Budget Law, 50 ILCS, 330/3). If the board designates this document as the tentative document, a public hearing could be scheduled for June 3, 2013 prior to the Town Board meeting, and the final document could be adopted at that meeting, or at a later meeting. The Budget and Appropriation Ordinance must be adopted within the first three months of the fiscal year. A notice will be published in the newspaper scheduling the public hearing, and the document will be posted on the City of Urbana web site with the other township financial documents.

This document contains an estimate of revenue and expenditures for the fiscal year 2014 (beginning July 01, 2013), revenue and expenditure information for fiscal year 2012, and budget amounts for fiscal year 2013. The columns to the far right on each page indicate the percentage of each budget line item of the division, fund and budget.

The budget includes a line item in each fund for potential re-payment of property taxes to Carle Hospital. The amounts budgeted are based on information received from the Champaign County Treasurer. The Township currently has \$479,385 (total of all funds) in case we do have to re-pay Carle Foundation Hospital.

This expense item is budgeted as an expense in Town Administration (1/4), Town Fund Assessor (1/4) and General Assistance (1/2).

## Expenditures - Personnel

The compensation for elected officials was approved in July of 2008 for the officers elected in April 2009 for terms of office from 2009-2013; compensation increased on an annual basis, instead of allowing an increase only every four years. The newest term of office for the Township Supervisor, Township Clerk, and Township Board will begin May 20, 2013 and will end on May 15, 2017. The Township Assessor term of office will begin January 1, 2014 and goes through December 31, 2017. Salaries of elected officials will increase 0% for the first year in office, 1% for the second year in office, and 2% for each of the last two years; salaries are listed below:

### Township Supervisor: Effective for each of the following years:

May 20, 2013 - May 19, 2014	\$55,723.22
May 19, 2014 - May 18, 2015	\$56,280.45
May 18, 2015 - May 16, 2016	\$57,406.06
May 16, 2016 - May 15, 2017	\$58,554.18

### Township Clerk: Effective for each of the following years:

May 20, 2013 - May 19, 2014	\$ 5,361.51
May 19, 2014 - May 18, 2015	\$ 5,415.13
May 18, 2015 - May 16, 2016	\$ 5,523.43
May 16, 2016 - May 15, 2017	\$ 5,633.90

### Township Board: Effective for each of the following years:

May 20, 2013 - May 19, 2014	\$ 41.92 per meeting attended
May 19, 2014 - May 18, 2015	\$ 42.34 per meeting attended
May 18, 2015 - May 16, 2016	\$ 43.19 per meeting attended
May 16, 2016 - May 15, 2017	\$ 44.05 per meeting attended

### Township Assessor: Effective for each of the following years:

January 1, 2014 - January 1, 2015	\$ 61,295.54
January 1, 2015 - January 1, 2016	\$ 61,908.50
January 1, 2016 - January 1, 2017	\$ 63,146.67
January 1, 2017 - January 1, 2018	\$ 64,409.60

The IMRF employer rate for calendar year 2012 was 14.37%; the rate for 2013 is 17.30%. According to the IMRF website, the rate for calendar year 2014 will be 14.79%.

Any increase in health insurance premiums are not known at this time; however, a 10% increase is generally budgeted.

**Expenditures - Town Fund Grants Division**

The budget decreased the amount from \$118,000 in FY 2012 to \$100,000 for FY 2013. It is anticipated that there will be a \$6,000.00 surplus in grants this year (due to one of the agencies not returning social service agreements); however, since the property tax levy extension was reduced by \$5,740 in Town Fund, combined with the fact that we have also lost \$32,903 in revenue (Carle) in Town Fund Administration, I am recommending that the social service funding amount for FY 2014 be \$65,000.

**Expenditures - General Assistance Fund Division**

General Assistance case numbers have continued to be high during FY 2013; However, amounts budgeted for personal allowances in FY 2014 are anticipated to decrease due to the fact that Champaign County's unemployment rate fell to 6.5 percent in April. According to the Illinois Department of Employment Security, 6.5 percent has been the lowest rate reported for April in the last five years. The City of Champaign had the lowest rate at 6.5 percent and the City of Urbana's rate was 7 percent. I am hopeful that this will prevent the Township from needing to decrease the General Assistance monthly grant amount, which is currently \$243.00.

Sincerely,

Michelle L. Mayol  
Cunningham Township Supervisor

## **Descriptions of General Town Fund Divisions**

General Town Fund includes three separate divisions: Administration, Assessor, and Grants

### Administration Division

The Cunningham Township government serves an area with the same geographical boundaries as the City of Urbana. Property annexed in to the City of Urbana is automatically annexed in to the township. The Urbana City Council members serve ex-officio as the Township Board of the Town of Cunningham. The Township Board meets in regular session on the first Monday of every month at 7:00p.m in the city council chambers of the Urbana City building, 400 S. Vine Street in Urbana. The meeting is televised live on the local cable access channel, channel 6. The Township Committee on the Budget is comprised of all board members and meets as needed. Township board and committee meetings are open to the public and subject to Illinois Open Meetings Act regulations. Township meeting agendas and minutes are available on the City of Urbana web site, as well as miscellaneous financial documents and reports: [www.urbanainllinois.us](http://www.urbanainllinois.us) , follow the link to Mayor, Boards, Township Board.

The functions carried out in the Administration Division are the township's budget preparation and analysis for all funds, financial management and forecasting, property tax levy recommendations, maintenance of the township building and legal and accounting services.

The elected Cunningham Township Supervisor oversees this division. Compensation and benefits for the following elected officials are included in the Administration budget: Cunningham Township Supervisor, Cunningham Town Clerk, and Cunningham Town Board. Employees in this division are the Accounting Manager (1). There are no part-time positions.

### The Annual Town Meeting

The Annual Town Meeting is held in April of every year, the second Tuesday of April, unless that date conflicts with Passover.

The date, time and place of the meeting is set by statute. It is required to be held the second Tuesday in April each year. It must be held after 6:00 pm. It must be held at a convenient place within the township. Most importantly taking into consideration handicapped accessibility, available parking, adequate seating, accommodations, and a time that will attract the most participants.

The public notice requirements are completed by the Clerk and in his/her absence, the Supervisor *or, in the clerk's absence, the supervisor, assessor, or collector.* (60 ILCS 1/30-10). The statement of time, place and agenda are to be approved by the township at a meeting prior to the April Annual Town Meeting. Written notices must be posted in (3) of the most public places in the township. If a local newspaper is published in the township, it is required to be posted in that publication. New in 2009, electors may submit items for agenda consideration prior to or on March 1. The agenda is then approved by the Town Board at least ten days prior to the Annual Town Meeting.

The Clerk is responsible for administration of the meeting. The Clerk is the **only** elected official acting in an official capacity. All other elected township officials attend the meeting as members of the township. The selection of the Moderator is an important step in the **ANNUAL TOWN MEETING** process. The moderator is elected by nominations from the floor. The oath of office of moderator is administered by the Clerk. The moderator can be a currently elected township official, as they are attending the meeting as a resident of the township and not as an elected official." (From Township Officials of Illinois Township Perspective Magazine, March 2008)

### Assessor Division

The Cunningham Township Assessor determines fair market value of property and sets the assessment at one-third of fair market value.

The elected Cunningham Township Assessor oversees this division. Compensation and benefits for the elected Assessor are included in this division's budget. Full time employees in this division are the Chief Deputy Assessor (1), and Deputy Assessors (2). There are no part-time positions.

### Grants Division (Town Fund)

The purpose of the Grants Division is to provide or help provide or help finance health services and various human services, especially for low-income individuals and households. Since the elimination of Federal Revenue Sharing in FY 1986-1987, the Township has levied taxes in Town Fund to replace Revenue Sharing and continues to provide grants for community services.

The Township's Grants program is part of a joint program of the City of Urbana and Cunningham Township. The City Council/Township Board members award grants to specific agencies or programs and divide the financial responsibility among the two units of local government. The Grants Division is administered by the Supervisor's office in partnership with the City of Urbana Community Development Grants Management Division.

## Description of General Assistance Fund

The General Assistance Fund has only one division - General Assistance.

General Assistance is an income maintenance program administered throughout Illinois by township supervisors with the exception of the City of Chicago; since there are no townships in the City of Chicago, the Department of Human Services administered General Assistance in Chicago. However, the Department of Human Services eliminated state-funded General Assistance effective July 1, 2011. Cunningham Township continues to follow regulations written by the Department of Human Services for downstate General Assistance (along with local revisions to those regulations); the regulations are available on the Township Officials Of Illinois website, [www.toi.org/downloads](http://www.toi.org/downloads). An electronic copy is also available as well as a print copy.

The purpose of General Assistance is to provide benefits to low-income persons who do not qualify for cash benefits from other “categorical” programs administered by the Department of Human Services and the Social Security Administration. Adults who do not have children under the age of 18 and adults who are not considered permanently disabled (by Social Security standards) tend not to be eligible for other types of public assistance, such as Temporary Aid to Needy Families (TANF - formerly known as Aid to Families with Dependent Children) and Supplemental Security Income (SSI) and therefore could be eligible for General Assistance. The eligibility rules and benefit levels vary from township to township. A township can adopt any set of General Assistance standards as long as those standards fall within Illinois statutory requirements. .

General Assistance recipients are required to participate in the Community Work and Training Program unless deemed unable to work by a physician. The goal of the Community Work and Training Program is to empower recipients to overcome obstacles in finding suitable employment. Recipients can fulfill this requirement by participating in education or job training programs, or by working a fixed amount of hours at a work site. General Assistance recipients receive a medical card to cover basic medical expenses; however, recipients may apply for medicaid under the Affordable Care Act starting in October 2013, which will greatly reduce the amount expended on medical care in the future.

Cunningham Township provides General Assistance to persons who reside within the township boundaries (i.e., the City of Urbana) although a person can be homeless and still qualify. The maximum grant for one adult is \$243.00 monthly and is subject to change.

The Township Supervisor and staff employees in the General Assistance division participate in various community networking organizations.

Full time employees in this division are the Caseworker (1) and the Community Work and Training Coordinator/Receptionist (1). There are no part-time positions.
