“**City**” shall mean the City of Urbana, a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois.

“**Department**” shall mean any department, division, or administrative subdivision of the City.

“**Interested Party or Parties**” shall mean (a) any organization(s) active within the City, (b) any resident(s) of the City, and (c) any other entity or person otherwise entitled under the Act to register in a specific Registry who has registered in such Registry and whose registration has not been terminated in accordance with these Registration Rules.

“**Redevelopment Project Area**” shall mean a redevelopment project area that (a) is intended to qualify (or that has subsequently qualified) as a “Redevelopment Project Area” under the Act, and (b) is subject to the “Interested Parties” registry requirements of the Act.

“**Registration Form**” shall mean the form appended to these Registration Rules, or such revised form as may be approved by the City consistent with the requirements of the Act.

“**Registry**” or “**Registries**” shall mean each Interested Parties Registry, and all such registries, collectively, established by the City pursuant to Section 11-74.4-4.2 of the Act for a Redevelopment Project Area.

B. **Establishment of Registry.** The City shall establish a separate Interested Parties Registry for each Redevelopment Project Area, whether existing as of the date of the adoption of these Rules or hereafter established. In any event the process of establishing the new registry must be completed prior to the deadline for sending any of the notices required by paragraph J. of these Registration Rules or any other notices required by the Act with respect to the proposed Redevelopment Project Area which are to be sent to those on an applicable Registry.

C. **Maintenance of Registry.** The Registries shall be maintained by the Director of Community Development Services, or his or her designee. In the event the City determines that a

Department other than the Community Development Services Department should maintain the Registries, the City may transfer the responsibility for maintaining the Registries to such other Department, provided that the City (a) gives prior written notice to all Interested Parties not less than thirty (30) days prior to such transfer, and (b) publishes notice of such transfer in a newspaper of general circulation in the City.

- D. Registration by Residents.** An individual seeking to register as an Interested Party with respect to a Redevelopment Project Area shall complete and submit a Registration Form to the Community Development Services Department. Such individual must also submit a copy of a current driver's license, lease, utility bill, financial statement or such other evidence as may be acceptable to the Director to establish the individual's current residency.
- E. Registration by Business or Organizations.** An organization seeking to register as an Interested Party with respect to a Redevelopment Project Area shall complete and submit a Registration Form to the Community Development Services Department. Such organization must also submit a copy of a one-page statement describing the organization's current operations in the Municipality.
- F. Determination of Eligibility.** All individuals and organizations having indicated interest as an interested party in the Registry must submit a completed registration form as a pre-condition of eligibility to be registered in the applicable Registry. Upon registration, the interested parties shall be entitled to receive all notices and documents required to be delivered under these Rules or as otherwise required under the Act with respect to the applicable Redevelopment Project Area. If the Community Development Services Department determines that a registrant's registration form is incomplete or does not comply with these Registration Rules, the Community Development Services Department shall give written notice to the registrant specifying the defect(s). The registrant shall be entitled to correct any defects and resubmit a new Registration Form.
- G. Renewal and Termination.** An Interested Party's registration shall remain effective for a period of three (3) years. At any time after such three (3)-year period the Director may provide written notice by regular mail to the Interested Party stating that such registration shall terminate unless the Interested Party renews such registration within thirty (30) days of the Director's mailing of written notice. To renew such registration, the Interested Party shall, within such thirty (30)-day period, complete and submit the same registration Form and supporting documentation then required of initial registrants in order to permit the Director to confirm such person's residency or such organization's operations in the municipality. The registration of all individuals and organizations whose Registration Form and supporting documentation is submitted in a timely manner and complies with these Regulation Rules shall be renewed for an additional, consecutive three (3)-year period. If the Director determines that a registrant's renewal Registration Form and/or supporting documentation is incomplete or does not comply with these Registration Rules, the Director shall give written notice to the registrant at the address specified in the renewal Registration Form submitted by such registrant, specifying the defect(s). The registrant shall be entitled to correct any defects and resubmit a new Registration Form and supporting documentation within thirty (30) days of receipt of the Director's notice. If all defects are not corrected within thirty (30) days of the

Interested Party's receipt of the Director's notice, the Interested Party's registration shall be terminated. Any Interested Party whose registration is terminated shall be entitled to register again as if a first-time registrant.

Upon receipt of such notice, the Community Development Services Department shall revise the applicable Registry accordingly.

The Registry shall include the name, address and telephone number of each Interested Party and, for organizations, the name and telephone number of a designated contact person.
