**FROM:** Elizabeth H. Tyler, AICP, Director

**DATE:** September 5, 2002

**SUBJECT:** Request for approval and authorization to execute an annexation agreement with Flessner Development Company for Somerset Subdivision No. 4

---

### **Introduction & Background**

The Somerset Subdivisions are located along the south side of Airport Road within Urbana's one-and-one-half mile extra-territorial jurisdictional area. Somerset Subdivisions No. 1, 2, and 3 are the subject of an existing Annexation Agreement with the City adopted by Ordinance 9495-8 on July 20, 1994. The Flessner Development Company is now requesting approval of a Preliminary Plat for the subdivision of Somerset Subdivision No. 4. Pursuant to the requirements of the Urbana Subdivision Ordinance, the developer has also prepared a General Area Plan depicting the general layout for development of the remaining Somerset properties. The Preliminary Plat and General Area Plan will be considered by the Urbana Plan Commission on September 5, 2002 and are the subject of a Case Memorandum to the Plan Commission dated August 30, 2002.

In accordance with the City's annexation policies and our interjurisdictional agreement with the Urbana-Champaign Sanitary District, the developer is required to enter into a pre-annexation agreement with the City in order to obtain sanitary sewer connections. The attached annexation agreement is consistent with the model agreement that is utilized for all pre-annexations that do not involve special zoning or development approvals. The Somerset Development Company has agreed that any additional development of the Somerset properties beyond the currently proposed Preliminary Plat (as depicted on the General Area Plan) will trigger annexation of the entire contiguous Somerset holdings to the City of Urbana as these are adjacent to the City of Urbana corporate limits. Annexation of the balance of the properties at that time would be consistent with the Urbana Subdivision Ordinance and may be required as a condition of subdivision approval for Somerset Subdivision No. 5.

A public hearing to consider the proposed annexation agreement is scheduled for September 16, 2002 at 7:20 P.M.

The property information is as follows:

Property Location:	South side of Airport Road, west of Somerset Drive
Acreage:	12.0 acres
County Zoning:	R-2, Single Family Residence
Urbana Zoning:	R-2, Single Family Residential (upon conversion when property is annexed)
Current Use:	Vacant, proposed for Single-Family Residential
Comprehensive Plan Designation:	Residential (ETJA Plan)

### **Selected Applicable Comprehensive Plan Goals and Objectives**

Several goals and recommendations from the 1982 Comprehensive Plan and the 1993 Extraterritorial Jurisdictional Area Plan support approval of the annexation agreement. The following is a partial list of these goals and recommendation.

#### ***From the 1982 Comprehensive Plan:***

Goal 3.100 To organize and develop land uses and adjacent properties in a balanced and mutually compatible manner relative to the functional needs of the City.

Objective 3.110 Promote development in the City and surrounding unincorporated areas in a manner which minimizes conflicting land uses and/or adjacent development.

Policy 3.111 Review all land use changes that are controlled by the Zoning Ordinance, Subdivision Ordinance, or annexation procedures to ensure compatibility. The Special and Conditional Use permit and Planned Unit Development procedures in the Zoning Ordinance and annexation agreements are particularly useful tools for insuring the harmonious development of adjacent sites.

Goal 3.400 To create a compact community where the conversion of agricultural land, the cost of providing public services, and the use of energy are minimized.

Objective 3.410 Designate growth areas in a manner that minimizes the cost of providing public services.

Goal 5.100 To provide sound and attractive residential neighborhoods which meet the housing needs of the current and future population, are accessible to urban services and facilities, and in a manner which conserves land, energy and other resources.

Objective 5.130 Promote land use patterns which conserve energy.

Policy 5.131 Encourage new residential development to occur contiguous with existing development and within municipal boundaries or in areas which can be annexed.

***From the 1993 ETJA Plan, General Recommendations:***

1. The City should develop a comprehensive annexation policy.
  - 1.d. The policy should focus on residential areas and timing for their annexation. Some residential areas on the City's periphery may require substantial capital improvements because of either age, lack of maintenance, original substandard construction of improvements or a combination of these factors. However, these neighborhoods are urban developments that require urban services. As a result, they should be annexed, but must perhaps be annexed gradually as their needs will compete with already limited municipal funds. As the City grows it must be able to meet the service needs that new annexations generate.

**Options**

The City Council has the following options in regard to the proposed annexation agreement:

1. Council may grant approval of the Flessner Development Company Annexation Agreement for Somerset Subdivision No. 4.
2. Council may deny approval of the Flessner Development Company Annexation Agreement for Somerset Subdivision No. 4.

**Recommendation**

Based on the intent of the intergovernmental agreements and on the goals and recommendations of the 1982 Comprehensive Plan and the 1993 Extraterritorial Jurisdictional Area Plan, staff recommends final approval of the annexation agreement.

### Section 1:

- (a) The Owner represents that the Owner is the sole record Owner of the tract described in Exhibit A and that the Owner shall, within thirty (30) days of the property becoming contiguous to the Urbana City limits cause the tract to be annexed to the City of Urbana by filing a legally sufficient annexation petition with all required signatures thereon, all in accordance with Illinois Statutes. Until annexation of the subject tract occur, Owner shall require that any persons intending to reside thereon, whether as tenants or owners, shall, prior to residing thereon, irrevocably agree in writing to sign, join in, and consent to any petition for annexation of the subject tract. The Owner shall file such written agreement with the City Clerk within thirty (30) days of the signing of such.
- (b) Owner further agrees that the substance of this Section of the Annexation Agreement shall be included in any sales contract for the sale of any portion of the subject tract. If the subject tract is to be platted for subdivision, the Owner agrees that the substance of this provision regarding annexation shall be included in the subdivision covenants and such will constitute a covenant running with the land.
- (c) Owner agrees that if owner fails to include the substance of Section 1(a) of this Agreement in sales contracts or subdivision covenants, as provided herein, and if said annexation is delayed or contested by subsequent owners as a result, the Owner shall be liable to the City for all real estate taxes and other taxes that would have been due to the City had annexation been able to proceed as outlined herein. The Owner agrees for himself, successor and assigns, and all other persons intended herein to be obligated to consent to annexation, to cooperate in signing or joining in any petition for annexation for the subject tract and that mandamus would be an appropriate remedy in the event of refusal so to do, and, if the City has to resort to Court proceedings to enforce this obligation, the City shall be entitled to recover reasonable attorney's fees. The parties agree that nothing in this section shall preclude the voluntary annexation of the subject tract or any portion thereof earlier than would otherwise be required.

Section 2: The Owner agrees to accept the direct conversion of Champaign County zoning to City of Urbana zoning classification as provided for by the Urbana Zoning Ordinance Section IV-5 and as such exists at the time of annexation. Furthermore, the Owner agrees to abide by all applicable development regulations existing at the time of annexation.

Section 3: The Owner agrees to cause all new development, construction, or additions on said tract to be in conformance with all City of Urbana building, electrical, fire, and plumbing codes, orders or regulations in effect at the time of annexation. The Owner agrees to submit all building construction plans to the City of Urbana for review and further agrees to pay the building permit fee just as though the construction were taking place within the Urbana City limits, with the provision that the fees associated with obtaining a zoning use permit from Champaign County shall be deducted from the cost of the City building permit fees. The Owner further agrees to correct any deficiencies identified in said plan review. In addition, the Owner agrees that all construction will be subject to the same building and construction inspection requirements as construction projects within the City limits.

Section 4: The Owner agrees that any buildings or structures, other than single-family or agricultural structures, existing at the time of annexation must be brought into conformance with the City of Urbana Existing Structures Code in a time frame agreed to by the City of Urbana and the Owner, except that any immediate health or life safety threats must be brought into compliance immediately.

Section 5: The Owner shall take no action or omit to take action during the term of this Agreement which action or omission, as applied to the tract, would be a breach of this Agreement, without first procuring a written amendment to this Agreement duly executed by both the Owner and the City. Said action includes petitioning for a county rezoning of said tract without a written amendment to this Agreement.

## **ARTICLE II. REPRESENTATIONS AND OBLIGATIONS OF THE CORPORATE AUTHORITIES**

The Corporate Authorities agree to the following provisions:

Section 1: The Corporate Authorities agree to annex said tract(s) subject to the terms and conditions outlined in this Agreement, when properly and effectively requested to do so, by submission of a legally sufficient petition from the Owner, by enacting such ordinances as may be necessary and sufficient to legally and validly annex said tract to the City.

Section 2: The Corporate Authorities agree that the tract will be zoned R-2 per the conversion of Champaign County zoning to City of Urbana zoning classification as provided for by the Urbana Zoning Ordinance or whatever zoning classification is provided for in such conversion table at the time of annexation. The Corporate Authorities agree that all applicable development regulations existing at the time of annexation will apply to said tract. Furthermore, although the Corporate Authorities agree not to rezone the property during the term of this Agreement without a rezoning petition executed by the property Owner requesting said change, the Corporate Authorities reserve the right to amend the Zoning Ordinance text even if such amendment affects the property. If the zoning district referenced herein is not in existence at the time of the annexation, the parties agree to reclassify said property to the most comparable zoning classification as is determined by the Zoning Administrator.

Section 4. Enforcement -- The Owner and Corporate Authorities agree and hereby stipulate that either party to this Agreement may, by civil action, mandamus, action for writ of injunction or other proceeding, enforce and compel performance of this Agreement or the party not in default may declare this Agreement null and void in addition to other remedies available.
