Memorandum

DATE: June 7, 2005
TO: The Urbana City Council
FROM: Jack Waaler
RE: Determination of Prevailing Wages

The City is required by state statute to require contractors to pay the prevailing wages and benefits to workers employed in public works projects contracted by the City. The prevailing wages and benefit rates are determined by the Illinois Department of Labor on a county-wide basis. The Illinois Supreme Court has ruled that Home Rule municipalities also must comply with the Prevailing Wage Act by determining wage rates each year.

Thus, attached is a Prevailing Wage Resolution to accomplish the purpose of the state statute for the City of Urbana. The Prevailing Wage table attached is taken directly from the State of Illinois Department of Labor web site.

Explanations

CHAMPAIGN COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.
