RE: Neighborhood On-Street Parking Concerns

Dear Property Owner/Resident:

At the Urbana Traffic Commission meeting in August, residents in your neighborhood expressed concern about motorists using public streets as parking lots. City staff has been monitoring the area since that meeting and has noted a concentration of on-street parking in an area bounded by the Norfolk-Southern railroad tracks, Wright Street, Beslin Street and Goodwin Avenue. As a property owner and/or resident of this area, you are cordially invited to attend a public meeting to be held on **Tuesday, October 4, 2005 at 7:00 p.m. in the gymnasium at Martin Luther King Elementary School (1108 West Fairview Avenue)** to discuss any concerns you may have regarding on-street parking in this residential area.

Representatives from the Urbana Police Department (Parking Enforcement), Finance Department and Public Works Department will be in attendance. We urge you to attend this important neighborhood meeting. If you have any questions and/ or comments or are unable to attend this meeting, please contact Barbara Stiehl from our office at the above address or phone number. She may also be contacted by e-mail at blstiehl@city.urbana.il.us.

We look forward to hearing from you.

Sincerely,

William R. Gray, PE
Public Works Director
