

CITY OF URBANA, ILLINOIS
DEPARTMENT OF PUBLIC WORKS
ENGINEERING DIVISION

MEMORANDUM

TO: Bruce K. Walden, Chief Administrative Officer
FROM: William R. Gray, Public Works Director
Joseph L. Smith, Senior Civil Engineer
DATE: September 20, 2006
RE: Ordinances from Traffic Commission

The first ordinance (Schedule J) is a request to install loading zones on Main Street and Lincoln Avenue. The St. Patrick's Church Food Pantry has requested the loading zone to accommodate those who receive food from the food pantry. The loading zone on the north side of Main Street provides the most accessible route from the parish hall to vehicles receiving food from the food pantry. This 15-minute loading zone will be in effect from 4:30 p.m. to 5:30 p.m., Monday through Saturday while the food pantry is open. In addition, loading zones are being requested on the west side of Lincoln Avenue near the commercial area south of Nevada Street and on the east side of Lincoln Avenue near the dormitory residences. Both of these 30-minute loading zones will provide an area for commercial vehicles to load and unload outside the flow of traffic.

The second ordinance (Schedule J) is a request to restrict parking on the north side of Michigan Avenue between Abercorn Street and Montgomery Street. This restriction will comply with the design of the Savannah Green subdivision to allow parking on one side of the street.

The Traffic Commission has considered these locations at its September 2006 meeting and recommends that the ordinance be passed by the City Council.
