SUBJECT: AN ORDINANCE APPROVING AND AUTHORIZING THE EXECUTION OF AN URBANA HOME CONSORTIUM SUBRECIPIENT AGREEMENT (Habitat for Humanity of Champaign County - Homebuilder Blitz Program FY 2006-2007)

Description

Included on the agenda of the August 6, 2007 meeting of the Urbana City Council is an ordinance approving the execution of an Urbana HOME Consortium Subrecipient Agreement with Habitat for Humanity of Champaign County for the development of five (5) affordable homes in the City of Urbana. Funds for the project are provided from the City of Urbana's portion of the HOME Program allocation as indicated in the City of Urbana and Urbana HOME Consortium Annual Action Plan for Fiscal Year (FY) 2006-2007 in the total amount of \$74,995.

Issues

The issue is whether the Urbana City Council should approve the ordinance authorizing execution of the subrecipient agreement.

Background

In FY 2006-2007 the Urbana HOME Consortium, a Participating Jurisdiction (PJ) in the federal HOME Investment Partnership Program (HOME Program), was awarded \$1,049,488 for eligible HOME Program activities. After funding is allocated to the Community Housing Development Organizations (CHDO) for operating and project set-aside, the remaining HOME funds are divided among three members of the Consortium so that each member receives a pro rata share based on population. The City of Urbana share of the FY 2006-2007 HOME funds is \$289,921.

As part of the Annual Action Plan process for FY 2006-2007, Habitat for Humanity of Champaign County (Habitat) was allocated a total of \$74,996 in HOME (\$59,996) and Match (\$14,999) from the City of Urbana for its Homebuilder Blitz program. Habitat proposed to construct five homes in Urbana and use the funding for site preparation, foundation construction and other related site development costs.

Since the approval of the FY 2006-2007 AAP, the Homebuilder Blitz for Urbana has undergone minor modifications largely due to the lack of availability of vacant lots within the area. Habitat staff has also realized the need to take a slower approach in developing homes in order to make better use of its volunteers and corporate donors.

Instead of providing the funding for site development costs as initially planned, the program now proposes to provide \$14,999 in HOME funds in direct down payment assistance to the qualified buyers of the five (5) affordable owner-occupied homes constructed by Habitat in Urbana. This is an eligible use of HOME program funds and the project will remain consistent with the goal of increasing the supply of affordable housing in the City of Urbana.

The Community Development Commission reviewed the agreement at its July 24, 2007 meeting. Commissioners asked Habitat staff about the homeowner selection process, specifically inquiring about the need for checking with previous landlords regarding potential homeowner performance. Habitat staff indicated that the process was recently changed to include potential homeowner performance with their landlords. The Community Development Commission then voted unanimously to forward the agreement to Council with a recommendation for approval.

Options

1. Approve the Ordinance authorizing the execution of the Urbana HOME Consortium Subrecipient Agreement with Habitat for Humanity of Champaign County.
2. Approve the Ordinance authorizing the execution of the Urbana HOME Consortium Subrecipient Agreement with Habitat for Humanity of Champaign County with changes.
3. Do not approve the Ordinance.

Fiscal Impacts

There will be no fiscal impact to the city budget. The \$74,995 in funding for this project was allocated in the City of Urbana and Urbana HOME Consortium Annual Action Plan for Fiscal Year 2006-2007 (\$59,996 in HOME funds and \$14,999 in cash match from the City of Urbana). Unexpended funds are to be carried over and are included in the FY 2007-2008 City of Urbana budget.

Recommendation

Staff recommends approval of the agreement.

NOW, THEREFORE, in consideration of the mutual covenants, promises and representations contained herein, the parties hereto agree as follows:

ARTICLE I: HOME REQUIREMENTS

Section 1: Use of HOME Funds

The GRANTOR agrees to provide the DEVELOPER an amount not to exceed a total of **\$74,995**, of which **\$59,996** shall be allocated from its Federal Fiscal Year FY 2006-2007 HOME grant City of Urbana allocation, and **\$14,999** of which shall be provided by the GRANTOR as local match for the project. The funds shall be used to provide down payment assistance to qualified low- to moderate-income households, hereinafter “QUALIFIED BUYER”, in an amount not to exceed \$14,999 for each household, for up to five (5) homeownership opportunities. The DEVELOPER shall use the Funds in accordance with the HOME program guidelines outlined in 24 CFR Part 92 in carrying out the PROGRAM in the manner as described below:

- a.) The DEVELOPER shall comply with the proposed PROGRAM schedule for house number one, as described in “Attachment 2” attached hereto and by reference made a part hereof. At least thirty days prior to the beginning of construction of subsequent homes developed pursuant to this agreement, DEVELOPER shall provide GRANTOR a schedule for construction of each home or group of homes in the same form as provided in “Attachment 2.”
- b.) The DEVELOPER shall provide the GRANTOR with the budget and financial projection for each home from the preliminary budget for the construction of one (1) house as provided in “Attachment 3” or in a similar document format as approved by the GRANTOR.

- c.) The DEVELOPER shall incorporate the sample documents for the PROGRAM as described in “Attachment 4” attached hereto and by reference made a part hereof. The GRANTOR shall prepare said documents in final form for execution by the QUALIFIED BUYER at the loan closing for purchase of a property constructed pursuant to this agreement.

Section 2: Affordability

The DEVELOPER shall comply with all income determinations and affordability requirements of the HOME Program as set forth in HUD Regulations 24 CFR 92.203 or 92.254, as applicable. The DEVELOPER shall determine each family’s income eligibility by determining the household’s annual income in accordance with the Part 5 (Section 8) methodology allowed in 24 CFR 92.203. The DEVELOPER is not required to re-examine the household’s income at the time the HOME assistance is provided, unless more than six (6) months has elapsed since the DEVELOPER determined that the household qualified as income eligible. The GRANTOR shall provide assistance to the DEVELOPER to verify income eligibility of the applicant household.

The maximum purchase price shall not exceed **\$ 160,128**, which is 80% of the median purchase price for the metropolitan area as defined by the Single Family Mortgage Limits under Section 203(b) of the National Housing Act. The project shall be single-family unit.

The HOME-assisted housing shall be the principal residence of the owner whose family qualifies as a low-income family at the date of initial occupancy, and at the time of transfer of title, of the HOME-assisted housing.

The HOME-assisted housing must remain the principal residence of the family during the five (5) year affordability period. The affordability period commences upon project completion. For purposes of this AGREEMENT, project completion means that all necessary title transfer requirements and construction have been performed; the project complies with the requirements of 24 CFR Part 92 (including the property standards under 24 CFR 92.251); the final drawdown has been disbursed for the project; and the project completion information has been entered in the disbursement and information system established by HUD.

The affordability requirements as listed in Section 24 CFR 92.254(a)(4) apply without regard to the term of any loan or mortgage or the transfer of ownership. The affordability requirements shall be imposed by deed restrictions, covenants running with the land or other mechanism approved by HUD, except that the affordability restrictions may terminate upon foreclosure or transfer in lieu of foreclosure. Said restrictions shall include that The GRANTOR may use purchase options, rights of first refusal or other preemptive rights to purchase the housing before foreclosure or deed in lieu of foreclosure to preserve affordability.

Affordability Period

For the five (5) year period following the date of project completion (hereinafter referred to “the Affordability Period”), the home shall remain affordable to households whose annual income does

not exceed eighty (80) percent of the median for Champaign County and the following restrictions shall apply:

1. The DEVELOPER agrees to assist the GRANTOR in restricting the use and subsequent sale of the property by recording a Mortgage, and Note (hereinafter the “DOCUMENTS”) in substantially the form and with the same content as that executed under even date herewith. DOCUMENTS shall be substantially in the same form of the forms provided in “Attachment 4” attached hereto and by reference made a part hereof.
2. In the event the housing does not continue to be the principal residence of the initial buyer for the duration of the Period of Affordability, the GRANTOR shall recapture a portion of the HOME Program assistance provided to the homebuyers in accordance with the terms and conditions provided in the mortgage agreement and note. The HOME Program funds provided under this AGREEMENT will be recaptured in accordance with 24 CFR 92.254(a)(5)(ii) and shall be repaid to the GRANTOR, recorded as CONSORTIUM program income in accordance with 24 CFR 92.503, and used in accordance with the requirements of the HOME Program.

Section 3: HOME Project Requirements

Project Requirements

The GRANTOR shall provide HOME funds not to exceed **\$74,995 (\$14,999 per single-family, owner-occupied home completed, for up to five homes)** in accordance with 24 CFR 92.205(b) for down payment assistance to a QUALIFIED BUYER as described in 24 CFR 92.206 and 92.207. HOME Program funds will be disbursed on behalf of the DEVELOPER under the following terms and conditions;

1. HOME funds are provided as direct buyer assistance as down payment toward purchase of a home constructed pursuant to this agreement in the form of a Deferred Payment Loan at 0% interest.
2. DEVELOPER shall comply with all HOME project requirements in subpart F of 24 CFR Part 92. 92.250 Maximum per-unit subsidy amount and layering. The amount of HOME funds that a grantee may invest in affordable housing on a per-unit basis may not exceed the per-unit dollar limits established by HUD under 221.514(b)(1) and (c) of this title for elevator-type projects, involving nonprofit mortgagors, insured under section 221(d)(3) of the National Housing Act that apply to the area in which the housing is located.
3. The GRANTOR and DEVELOPER agree that the DOCUMENTS will be executed between the GRANTOR and the HOMEBUYER at the initial purchase closing for any housing unit receiving funds under the PROGRAM pursuant to this AGREEMENT. The DOCUMENTS shall include language to ensure that the required Affordability Period will be honored and will include provision for recapture of the HOME Program funds invested in the housing unit. GRANTOR staff will prepare these DOCUMENTS and the DEVELOPER will pay recording fees for the DOCUMENTS.

4. This period of affordability shall commence the date that all necessary project information is provided to HUD via HUD's Integrated Disbursement and Information System (IDIS). GRANTOR agrees to enter all information provided into IDIS within 30 days of receipt. Should the PROJECT be modified after initial commencement date of the affordability period, a new affordability period may be re-structured.
5. The terms of the recapture provision will be such that they reflect the HUD provisions in the HOME Final Rule 24 CFR 92.254. Details of a recapture provision will be provided in the DOCUMENTS. Failure to ensure that the DOCUMENTS are executed at the initial purchase closing will result in withholding HOME Program funds until said item is addressed. DEVELOPER also agrees to reference these required DOCUMENTS in each of their PROGRAM Agreements with the Homebuyers.

List of Documents

The following documents are included Attachment 4 (Homebuilder Blitz Program Sample Documents) and are made a part hereof by reference:

Unless the DEVELOPER's default is waived, the GRANTOR may, upon twenty-four (24) hour written notice, terminate this AGREEMENT for said default. Waiver by the GRANTOR of DEVELOPER's default under this AGREEMENT shall not be deemed to be a waiver of any other default nor shall it be termination notice.

Further, no payments shall be released to DEVELOPER prior to the GRANTOR receiving environmental clearance from the Illinois Historic Preservation Agency stating no historical significance has been identified at the properties being developed with HOME Program funds and a flood plain map has been reviewed to prove the property is not located within a floodplain. GRANTOR will be responsible for obtaining the necessary environmental clearance documentation.

Section 9: Duration of Agreement

This AGREEMENT shall be effective as of the date executed by the Mayor of the City of Urbana and shall remain in effect until the latest of the following dates or events: June 15, 2009; the Grantor's complete and full disbursement of HOME Program funds to DEVELOPER as described in "Attachment 3"; or the final home has been constructed and transferred to subsequent homeowners for use as affordable housing in accordance with 24 CFR Part 92.

Section 10: Conditions for Religious Organizations

In addition, HOME Program funds shall not be used to rehabilitate or construct housing owned by primarily religious organizations or to assist primarily religious organizations in acquiring housing. However, HOME

Program funds may be used by a secular entity to acquire housing from a primarily religious organization, and a primarily religious entity may transfer title to its property to a wholly secular entity and the entity may participate in the HOME Program in accordance with the requirements of this 24 CFR Part 92.257. The entity may be an existing or newly established entity, which may be an entity established by the religious organization. The completed housing project must be used exclusively by the owner entity for secular purposes, available to all persons regardless of religion. In particular, there must be no religious or membership criteria for tenants of the property.

ARTICLE II: COMPLIANCE WITH VISITABILITY STANDARDS

Any residence constructed pursuant to this Agreement within the corporate limits of the City of Urbana shall incorporate applicable visitability standards.

ARTICLE III: FINANCIAL RESPONSIBILITY

The allocation of funds by the GRANTOR pursuant to this AGREEMENT shall in no way obligate the GRANTOR for any financial responsibility incurred by the PROGRAM in excess of the funding pledged herein. The GRANTOR reserves the right to withhold pledged funds if the GRANTOR is not satisfied with the DEVELOPER's compliance with the terms and conditions of performance outlined in this AGREEMENT.

Attachment 1 Notice

The Illinois State Prevailing Wage Act (820 ILCS 130/0.01 et seq.) provides in part as follows: "Not less than the general prevailing rate of hourly wages for work of a similar character on public works in the locality in which the work is performed, and not less than the general prevailing rate of hourly wages for a legal, holiday and overtime work, shall be paid to all laborers, workers and mechanics employed by or on behalf of any public body engaged in the construction of public works." (820 ILCS 130/3, quoted in part).

The Act defines a public body as follows: "'Public body' means the state or any officer, board or commissioner of the state or any political subdivision or department thereof, or any institution supported in whole or part by public funds..." (820 ILCS 130/2, quoted in part).

The Department of Labor has recently applied this provision to a not-for-profit corporation, indicating that it was the opinion of the Department that the not-for-profit, because of its State funding, was considered a public body for the purposes of the Prevailing Wage Act. You are encouraged to contact the Department of Labor for its guidance with respect to whether or not it considers your organization a "public body" under the Act for the purposes of the Prevailing Wage Act. If the Prevailing Wage Act applies, you are required to compensate all workers on the project, including volunteers, for work done on the project.

Since, by the terms of this agreement you are required to follow all local, State and Federal laws, if the State Prevailing Wage Act is applicable to your organization, then you are required to comply with the Act by the terms of this contract.

Mortgage and Note

THIS MORTGAGE (“Mortgage”) is given on _____, by _____ (the “Borrower”) to the City of Urbana, Illinois, a unit of local government having its principal offices at 400 South Vine Street, Urbana, Illinois 61801, acting as the lead entity for the Urbana HOME Consortium (the “Grantor”). Borrower conditionally owes the Grantor a maximum amount of _____ (\$ _____). This debt is evidenced by Borrower’s promissory note (the “Note”) dated the same date as this Mortgage, a copy of which is attached hereto as Exhibit “A”, which provides for a five-year (5) term, hereinafter referred to as the “Affordability Period,” commencing on _____, 200 .

This Mortgage secures to the Grantor: (a) all repayment of the debt evidenced by the Note, and all renewals, extensions and modifications of the Note; (b) the payment of all other sums advanced by the Grantor pursuant to paragraph 7 of this Mortgage to protect the security of this Mortgage; and (c) the performance of Borrower’s covenants and agreements under this Mortgage and the Note.

For these purposes, Borrower hereby mortgages, grants and conveys to the Grantor, its successors and assigns, the real property described as:

Legal Description:

Common address: **Urbana, IL 61801**

PIN:

located in the County of Champaign, State of Illinois, together with (a) all the improvements now or hereafter erected on the property and all easements, rights and appurtenances thereto; (b) all leases and licenses with respect to the property; (c) all rents, royalties and profits thereof; and (d) all fixtures and equipment now or hereafter in or on the property. All replacements and additions shall also be covered by this Mortgage. The real property referenced above and all of

the other property subject to this mortgage is hereinafter referred to collectively in this Mortgage as the "Property".

Borrower covenants that Borrower is the lawful owner of the Property conveyed by this Mortgage and has the full right and power to mortgage, grant and convey the Property and that the Property is unencumbered, except for the encumbrances of record described in Exhibit "B" hereto acceptable to the Grantor (the "Permitted Encumbrances"). Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any Permitted Encumbrances.

Borrower covenants to the Grantor as follows:

1. **Payment Under the Note.** Borrower agrees to promptly pay when due any amounts required to be paid by the Note.
2. **Application of Payments.** Unless applicable law provides otherwise, all payments received by the Grantor under paragraph 1 will be applied to principal due under the Note.
3. **Charges and Liens.** Borrower will pay all taxes, assessments, charges and fines attributable to the Property which may attain priority over this Mortgage. Borrower will pay these obligations on time directly to the person to whom payment is owed.

Borrower will promptly discharge any lien which may attain priority over this Mortgage unless Borrower: (a) agrees in writing to pay the obligation secured by the lien in a manner acceptable to the Grantor; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which, in the Grantor's opinion, operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to the Grantor subordinating the lien to this Mortgage. If the Grantor determines that any part of the Property is subject to a lien which may attain priority over this Mortgage, the Grantor may give Borrower a notice identifying the lien. Borrower will satisfy the lien or take one or more of the actions set forth above within ten (10) days of the Grantor's giving of such notice.

4. **Hazard Insurance.** Borrower will keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage", and any other hazards for which the Grantor requires insurance. All policies of insurance hereunder will be from such companies and in such form and amounts as may be satisfactory to the Grantor, will name the Grantor as a loss payee and will include a provision requiring 30 days advance written notice to the Grantor prior to the termination or modification of such policy.

All insurance policies and renewals must be acceptable to the Grantor and must include a standard mortgage clause. The Grantor may hold the policies and renewals and, if the Grantor requires, Borrower will promptly give to the Grantor all receipts of paid premiums and renewal notices. Upon the occurrence of a loss covered by insurance, Borrower will give prompt notice

to the insurance carrier and the Grantor. The Grantor may make proof of loss if not made promptly by Borrower.

Insurance proceeds will be applied to restoration or repair of the Property damaged if the Grantor determines that the restoration or repair is economically feasible and the Grantor's security is not lessened by such restoration or repair. In such event, the Grantor has the right to collect and hold the insurance proceeds and make the proceeds available to Borrower from time to time for the payment of the cost and expense of repair and restoration upon receipt of satisfactory evidence that such cost or expense has been incurred. If the Grantor determines that the restoration or repair is not economically feasible or the Grantor's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Mortgage, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property or does not answer within 30 days a notice from the Grantor that the insurance carrier has offered to settle a claim, then the Grantor may settle the claim with the insurance carrier and collect the insurance proceeds from the insurance carrier and may use the proceeds to repair or restore the Property or to pay sums secured by this Mortgage, whether or not then due.

If under paragraph 19 the Property is acquired by the Grantor, Borrower's right to any insurance policies and all insurance proceeds resulting from damage to the Property prior to the Grantor's acquisition shall pass to the Grantor to the extent of the sums secured by this Mortgage immediately prior to such acquisition.

5. **Preservation and Maintenance of Property.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate, or commit waste. Borrower shall cause the Property to comply with all local codes, ordinances, zoning ordinances, the Model Energy Code and the United States Department of Housing and Urban Development's ("HUD") Section 8 Housing Quality Standards, as set forth in Section 370.601 of the Rules.

6. **Occupancy and Resale Restrictions.** Borrower covenants that during the Affordability Period, the property shall be occupied and maintained as the principal residence of the Borrower.

Any sale or use of the Property for a purpose other than the principal residence of the Borrower within the Affordability Period, shall be considered a default of this agreement, and shall initiate repayment of the loan as required by the Note.

In the event of a foreclosure or deed in lieu of foreclosure relating to any other loan encumbering the Property, the Grantor shall have the right, but not the obligation, to acquire the Property prior to such foreclosure or deed in lieu of foreclosure to preserve the foregoing affordability provisions as provided in 24 CFR Part 92.254 (a)(4) of the Regulations.

7. **Protection of the Grantor's Rights in the Property: Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Mortgage or there is a legal proceeding that might significantly affect the Grantor's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then the Grantor may do and pay for whatever is necessary to protect the value of the Property and the

Grantor's rights in the Property. The Grantor's actions may include paying any sums secured by a lien which has priority over this Mortgage, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although the Grantor may take action under this paragraph 7, the Grantor does not have to do so. Any amount disbursed by the Grantor under this paragraph 7 shall become additional debt of Borrower secured by this Mortgage.

8. **Inspection.** The Grantor or its agents may make reasonable entries upon and inspections of the Property. The Grantor shall give Borrower notice prior to the time of an inspection specifying reasonable cause for the inspection.

9. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property or for conveyance in lieu of condemnation are hereby assigned and shall be paid to the Grantor and shall be applied to the sums secured by this Mortgage as if the Note had been prepaid on the date the condemnation award is approved, whether or not then due, with any excess paid to Borrower. If the Property is abandoned by Borrower or if, after notice by the Grantor to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to the Grantor within 30 days after the date the notice is given, the Grantor is authorized to accept such award or settlement and to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Mortgage, whether or not then due.

10. **Borrower Not Released; Forbearance Not a Waiver.** Extension of the time for payment or modification of payment of the sums secured by this Mortgage granted by the Grantor to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. The Grantor shall not be required to commence proceedings against any successor in interest and may refuse to extend time for payment or otherwise modify payment of the sums secured by this Mortgage by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by the Grantor in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. **Successors and Assigns Bound.** The covenants and agreements of this Mortgage shall bind and benefit the successors and assigns of the Grantor and Borrower and shall be covenants running with, binding and burdening the Property, subject to the provisions of paragraphs 17 and 21.

12. **Loan Charges.** If the loan secured by this Mortgage is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. The Grantor may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

Notwithstanding anything to the contrary set forth in this paragraph 12, no interest or prepayment charge is payable under the Note.

13. **Legislation Affecting the Grantor's Rights.** If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Mortgage unenforceable according to its terms, the Grantor, at its option, may require immediate payment in full of all sums secured by this Mortgage and may invoke any remedies permitted by paragraph 19. If the Grantor exercises this option, the Grantor shall take the steps specified in paragraph 19.

14. **Notices.** Any notices, demand, request or other communication that any party may desire or may be required to give to any other party hereunder shall be given in writing at the addresses set forth below by any of the following means: (a) overnight courier; or (b) registered or certified United States mail, postage prepaid, return receipt requested.

This notice shall provide a period of not less than 30 days from the date the notice is given within which Borrower must pay all sums required by this paragraph 17. If Borrower fails to pay these sums prior to the expiration of this period, the Grantor may invoke any remedies permitted by this Mortgage without further notice or demand on Borrower.

18. **Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower will have the right to have enforcement of this Mortgage discontinued at any time prior to the earlier of: (a) five (5) days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Mortgage; or (b) entry of a judgment enforcing this Mortgage. Those conditions are that Borrower: (w) pays the Grantor all sums which then would be due under this Mortgage and the Note had no acceleration occurred; (x) cures any default of any other covenants or agreements; (y) pays all expenses incurred in enforcing this Mortgage, including, but not limited to, reasonable attorneys' fees; and (z) takes such action as the Grantor may reasonably require to assure that the lien of this Mortgage, the Grantor's rights in the Property and Borrower's obligations to pay the sums secured by this Mortgage shall continue unchanged. Upon reinstatement by Borrower, this Mortgage and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

19. **Acceleration; Remedies.** Prior to any acceleration of the amounts owed to the Grantor under the Note or this Mortgage (other than an acceleration under paragraphs 13 and 17 unless applicable law provides otherwise) the Grantor shall give notice to Borrower following Borrower's breach of any covenant or agreement in this Mortgage (the "Default"). The notice shall specify: (a) the Default; (b) the action required to cure the Default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the Default must be cured; and (d) that failure to cure the Default on or before the date specified in the notice may result in acceleration of the sums secured by this Mortgage, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert, in the foreclosure proceeding, the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the Default is not cured on or before the date specified in the notice, the Grantor at its option may require immediate payment in full of all sums secured by this Mortgage without further demand and may foreclose this Mortgage by judicial proceeding. The Grantor shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 19, including, but not limited to, reasonable attorneys' fees and costs of title evidence, and such sums shall be immediately due and payable and shall be

secured by this Mortgage. Upon any sale of the Property made by virtue of judicial proceedings or a decree of foreclosure and sale, the Grantor may bid for and acquire the Property and in lieu of paying cash therefore may make settlement for the purchase price by crediting upon Borrower' indebtedness secured by this Mortgage, the sale price, after first deducting from the sale price the expenses of the sale and the cost of the foreclosure. The proceeds of any foreclosure sale of the Property shall be distributed and applied in the following order of priority: first, on account of all costs and expenses of the foreclosure proceedings; second, to repayment of the indebtedness of Borrower secured by this Mortgage; and third, any excess to Borrower, its successors and assigns.

20. **Possession.** Upon acceleration under paragraph 19 or abandonment of the Property and at any time prior to the expiration of any period of redemption following judicial sale, the Grantor (in person, by agent or by judicially appointed receiver) shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. Any rents collected by the Grantor or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Mortgage.

21. **Release.** Upon the expiration of the Affordability Period, the Grantor shall release this Mortgage without charge to Borrower. Borrower shall pay any recordation costs.

22. **Waiver of Homestead.** Borrower waives all right of Homestead Exemption in the Property, as described in 735 ILCS 5/12-901. The Borrower reserves the right, however, to seek a reduced assessment based on Homestead under 30 ILCS 200/16-80.

23. **Filing and Recording Fees.** Borrower shall pay all title insurance premiums, escrow charges, filing, registration or recording fees, and all expenses incident to the execution and acknowledgement of this Mortgage and all federal, state, county and municipal taxes and other taxes, duties, imposts, assessments and charges arising out of or in connection with the execution, delivery and performance of this Mortgage.

By signing below, Borrower accepts and agrees to be bound by the terms and covenants in this Mortgage.

PROMISSORY NOTE

U.S. \$ 14,999.00

FOR VALUE RECEIVED, the undersigned _____ (“Borrower”) covenants and promise(s) to pay to the order of the City of Urbana (the “Payee”), a unit of local government, the principal sum of Fourteen Thousand Nine Hundred Ninety Nine and 00/100 Dollars (\$14,999.00), with interest in the amount of zero percent (0%) (“HOME Investment”).

If, during the Affordability Period, the subject property is sold, the amount due and payable under the Note shall be a proportional share of the net proceeds of the sale determined as set forth below. For the purposes of this Note, the net proceeds are defined as the sale price minus:

- (a) (Sale in other than foreclosure proceeding) the amount of the loan repayment, other than the HOME Investment, the verified cost of any capital improvements made by the Borrower since purchase and reasonable closing costs, or
- (b) (Sale in foreclosure proceeding) the amount stated to be “surplus funds” as indicated in the “Report of Sale” filed with the Court.

The net proceeds shall be divided proportionately as set forth in the following mathematical formulas:

$$\frac{\text{HOME Investment}}{\text{HOME investment} + \text{Homeowner investment}} \times \text{Net Proceeds} = \text{Recaptured HOME Investment} - \text{Amount to City of Urbana}$$

$$\frac{\text{Homeowner Investment}}{\text{HOME investment} + \text{Homeowner investment}} \times \text{Net Proceeds} = \text{Amount to Homeowner}$$

The amount due shall not exceed the total amount of the original HOME investment. The period from the date of this Promissory Note to the date that is five (5) years after the date of this Note is referred to herein as the “Affordability Period”. This note will be forgiven in its full amount upon expiration of the Affordability Period.

Borrower agrees to repay to the Payee, and the Payee shall have the right to accelerate payment of, the outstanding principal balance upon the earliest to occur, within the Affordability Period, of the following:

- (i) a default by the Borrower, beyond any applicable cure period, under the Mortgage or any other document evidencing or securing the Loan; or
