DEPARTMENT OF PUBLIC WORKS**

**ADMINISTRATION**

**MEMORANDUM**

**TO: Mayor Prussing and Member of the Urbana City Council**  
**FROM: William R. Gray, Public Works Director**  
**Barbara H. Stiehl, Assistant to the Director**  
**DATE: November 5, 2008**  
**RE: Illinois Public Works Mutual Aid Network (IPWMAN)**

**Introduction**

It has long been an informal practice among public works department to lend support to other agencies when emergency situations occur. In the past the Urbana Public Works Department sent crews to areas along the Illinois River to help with flood relief efforts in 1993 and to Springfield to assist with clean-up efforts following a tornado in 2006. In 2007, the City of Urbana sent aid to the City of Decatur to help collect storm debris in the aftermath of an ice storm that hit their community. In turn, the Urbana Public Works Department has received assistance from other communities during times of disasters. In 1990, the Springfield Public Works Department sent crews to Urbana to help with the clean-up following the Valentine's Day ice storm that hit our community. In 1996, the Champaign County Highway Department helped with clean-up resulting from a tornado that damaged and destroyed several dozen homes in southeast Urbana.

Although police and fire departments have traditionally provided informal assistance to other local departments, these agencies have now organized into more formal regional and state-wide associations, such as the Mutual Aid Box Alarm System (MABAS) for fire departments and the Illinois Law Enforcement Alarm System (ILEAS) for police departments.

In November 2006, the Urbana City Council authorized the City to enter into a mutual aid agreement with the public works departments of the City of Champaign and the Village of Savoy. At that time, the possibility of a state-wide mutual aid organization for public works departments was under discussion. The Illinois Public Works Mutual Aid Network (IPWMAN) is the result of those discussions. The purpose of the organization is to provide assistance to member communities when they are faced with overwhelming, catastrophic events. The organization will have a centralized database of available resources (skilled workers, equipment, etc.) to help overburdened communities recovering from disasters.

As a member of IPWMAN, the Urbana Public Works Department would request assistance through the mutual aid network when the magnitude of the damage or the necessity to respond quickly to the situation is too extensive for the department's workforce to manage in a reasonable amount of time or

the Urbana Public Works Department may provide assistance to another community when that community's resources have been exhausted as a result of an emergency.

Some key components of the IPWMAN mutual aid agreement are:

- The first five days of response are at no charge to the requesting community. A disaster creates an economic hardship for a community so public works departments want to help without creating a more severe financial problem. It is hoped that by the end of five days, the community might know whether they qualify for aid from state or federal assistance programs.
- The City of Urbana may either accept or deny a request for assistance at its discretion.
- Response to an emergency will be organized so a community will have equipment and personnel it needs instead of haphazard responses that may or may not provide the needed equipment and personnel.

A flyer has been attached, which provides additional information about the IPWMAN program.

### **Fiscal Impacts**

There are membership dues for IPWMAN, which are based upon a community's population. Dues for the City of Urbana would be \$250.00. The Urbana Public Works Department would use money within existing line items to cover the dues so no additional costs would be necessary for membership dues.

If the Urbana Public Works Department would respond to a request from another agency, we would be responsible for the labor, equipment, overnight accommodations, fuel, and meal expenses for the first five days of the response.

If another agency would respond to the City's request for assistance, the City of Urbana would be responsible for the expenses for labor, equipment, overnight accommodations, fuel and meals after five days of assistance. The first five days of response from the responding community could be used as volunteer services and applied toward the amount the community spent in services when applying for reimbursement.

Although mutual aid agreements are not federally mandated, having written agreements prior to an event will help agencies recover costs if state or federal reimbursement is awarded.

### **Recommendation**

It is recommended that "An Ordinance Approving and Authorizing the Execution of a Mutual Aid Agreement with the Illinois Public Works Mutual Aid Network" be approved.

Materials and supplies will be reimbursed at the cost of replacement of the commodity. Personnel will be reimbursed at Responding Agency rates and equipment will be reimbursed at an appropriate equipment rate based upon either pre-existing locally established rates, the Federal Emergency Management Agency Equipment Rate Schedule or that published by the Illinois Department of Transportation. **SECTION XII: INSURANCE**

Each Party shall bear the risk of liability for its agency and its agency's employees' acts and omissions and shall determine for itself what amount of insurance it should carry, if any. Each Party understands and agrees that any insurance coverage obtained shall in no way limit that Party's responsibility under Section XIII of this Agreement to indemnify and hold the other Parties to this Agreement harmless from such liability.

**SECTION XIII: INDEMNIFICATION**

Each Party hereto agrees to waive all claims against all other Parties hereto for any loss, damage, personal injury or death occurring in consequence of the performance of this Mutual Aid Agreement; provided, however, that such claim is not a result of gross negligence or willful misconduct by a Party hereto or its personnel.

Each Party requesting or providing aid pursuant to this Agreement hereby expressly agrees to hold harmless, indemnify and defend the Party rendering aid and its personnel from any and all claims, demands, liability, losses, suits in law or in equity which are made by a third party. This indemnity shall include attorney fees and costs that may arise from providing aid pursuant to this Agreement. Provided, however, that all employee benefits, wage and disability payments, pensions, worker's compensation claims, damage to or destruction of equipment and clothing, and medical expenses of the Party rendering aid shall be the sole and exclusive responsibility of the respective Party for its employees, provided, however, that such claims made by a third party are not the result of gross negligence or willful misconduct on the part of the Party rendering aid.

**SECTION XIV: NON-LIABILITY FOR FAILURE TO RENDER AID**

The rendering of assistance under the terms of this Agreement shall not be mandatory if local conditions of the Responding Agency prohibit response. It is the responsibility of the Responding Agency to immediately notify the Requesting Agency of the Responding Agency's inability to respond; however, failure to immediately notify the Requesting Agency of such inability to respond shall not constitute evidence of noncompliance with the terms of this section and no liability may be assigned.

No liability of any kind or nature shall be attributed to or be assumed, whether expressly or implied, by a party hereto, its duly authorized agents and personnel, for failure or refusal to render aid. Nor shall there be any liability of a party for withdrawal of aid once provided pursuant to the terms of this Agreement.

Each Party reserves the right to participate in the defense of such claims or suits as necessary to protect its own interests.

**SECTION XVI: AMENDMENTS**

Proposed amendments to this Agreement shall be submitted to the Board of Directors. Amendments shall be approved by majority vote of the Board of Directors.

- (2) Provide a fully executed copy of this Agreement to the Board of Directors.
- (3) Provide the name and title of an authorized representative to the Board of Directors.
- (4) Annually provide a list of mutual aid resources to its local accredited/certified Emergency Management Agency. If requested, the agency may need to assist its local accredited/certified Emergency Management Coordinator with data entry of its mutual aid resources into a web-based format (NIMS Source).

Upon submission of the items enumerated above to the Board of Directors and receipt of acknowledgement from the Board of Directors, the submitting agency shall be regarded as a Party to the Agreement.

**SECTION XVIII: NOTICES**

Notices and requests as provided herein shall be deemed given as of the date the notices are deposited, by First Class Mail, addressed to the Board of Directors who will notify each of the Parties' representatives.

**SECTION XIX: INITIAL TERM OF AGREEMENT; RENEWAL; TERMINATION**

The initial term of this Agreement shall be one (1) year from its effective date. Thereafter, this Agreement shall automatically renew for additional one-year terms commencing on the anniversary of the effective date of this Agreement. Any Party may withdraw from this Agreement at any time by giving written notification to the Board of Directors. The notice shall not be effective until ninety (90) days after the notice has been served upon the Board of Directors by First Class mail. A Party's withdrawal from this Agreement shall not affect that Party's liability or obligation incurred under this Agreement prior to the date of withdrawal. This Agreement shall continue in force and effect as to all other Parties until such time as a Party withdraws. Failure to adopt any amended agreement within ninety (90) days of said amended agreement will signify a Party's withdrawal from the Agreement.

## **SECTION XX: HEADINGS**

The headings of various sections and subsections of this Agreement have been inserted for convenient reference only and shall not be construed as modifying, amending, or affecting in any way the express terms and provisions of this Agreement or their interpretation.

## **SECTION XXI: SEVERABILITY**

Should any clause, sentence, provision, paragraph, or other part of this Agreement be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder of this Agreement. Each of the Parties declares that it would have entered into this Agreement irrespective of the fact that any one or more of this Agreement's clauses, sentences, provisions, paragraphs, or other parts have been declared invalid. Accordingly, it is the intention of the Parties that the remaining portions of this Agreement shall remain in full force and effect without regard to the clause(s), sentence(s), provision(s), paragraph(s), or other part(s) invalidated.

## **SECTION XXII: EFFECTIVE DATE**

This Agreement shall be effective on the date of the acknowledgement letter sent by the Board of Directors.

## **SECTION XXIII: WAIVER**

Failure to enforce strictly the terms of this Agreement on one or more occasions shall not be deemed a waiver of the right to enforce strictly the terms of this Agreement on any other occasion.

## **SECTION XXIV: EXECUTION OF COUNTERPARTS**

This Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

## **SECTION XXV: PRIOR IPWMAN AGREEMENTS**
