SUBJECT: Annexation Case No. 2010-A-05: Annexation Agreement between the City of Urbana and Daniel and Debra Johnson for a 0.11-acre tract of property known as 1507 Carroll Avenue

Introduction and Background

Daniel and Debra Johnson are requesting approval of an annexation agreement for property they own at 1507 Carroll Avenue. The property consists of approximately 0.11 acres and is located south of Perkins Road and west of Carroll Avenue in what is commonly referred to as the Carroll Addition. (See Exhibit A) There is currently a mobile home with a small addition to the south, and a two-car garage located on the property. (See Exhibit B) The existing mobile home is 12 feet by 60 feet and was manufactured in 1964. The owner is proposing to replace the existing mobile home with a newer mobile home that is larger in size (14 feet by 70 feet) and more energy efficient.

The subject property is not currently contiguous to the city limits, but is within the mile-and-a-half extraterritorial jurisdictional (ETJ) area. Replacing the existing mobile home with a larger mobile home requires a “new” connection permit to connect to the Urbana & Champaign Sanitary District (UCSD) sanitary sewer. Under an intergovernmental agreement with the UCSD, any property owner outside the corporate limits of Urbana, but within the ETJ, that is required to secure a “new” connect permit must also agree to annex to the City of Urbana at such time as their property is contiguous. To comply with the intergovernmental agreement between the City and the UCSD, the property owners are requesting approval of an annexation agreement.

A public hearing with the Urbana City Council concerning the proposed annexation agreement between the City and Daniel and Debra Johnson is scheduled for April 19, 2010 at 7:00 p.m. The annexation agreement is also on the agenda that evening for City Council consideration.

Issues and Discussion

The proposed annexation agreement outlines the basic provisions for annexing into the City of Urbana. (See Exhibit C) There are no special incentives offered on behalf of the City to the

owner in order to annex. The following is a summary and discussion of specific provisions that are provided for in the proposed annexation agreement:

- Zoning Classification: The subject property is zoned R-3, Two Family Residence in unincorporated Champaign County. The agreement would provide for the direct conversion to the City's R-3, Single and Two-Family Residential Zoning District upon annexation. The subject property is surrounded by residential uses to the north, south, east and west. The future land use of the subject property is designated as "Residential" in the 2005 Urbana Comprehensive Plan. The proposed R-3 Zoning District would be consistent with the current use of the property, the current use of surrounding properties, and the future land use designation of the subject property in the Comprehensive Plan.

In Champaign County, mobile homes are permitted in the R-3 Zoning District per the Champaign County Zoning Ordinance. The subject property is zoned Champaign County R-3 and therefore, the replacement of the existing mobile home with another mobile home would be permitted by right. In Urbana, however, mobile homes are only permitted in the AG, Agriculture Zoning District in a mobile home park by a special use permit per Table V-1 of the Urbana Zoning Ordinance. If the subject property were in the City of Urbana at this time, replacement of the mobile home would not be permitted because it is not part of a mobile home park. Since the subject property is currently in the County, and it is uncertain as to when the property would be annexed, provisions have been included in the annexation agreement to allow for the replacement of the existing mobile home with a newer, larger mobile home. This will allow the property owner to upgrade the dwelling unit on the property to a larger and more modern unit similar to if a stick-built home were to be remodeled. So that the property is brought into compliance with the Urbana Zoning Ordinance after annexation, the annexation agreement further stipulates that within one year of annexation the owner agrees to cease use of the mobile home and remove it from the property. The property could then be developed in conformance with the Urbana Zoning Ordinance.

- Development Regulations: There are no special provisions requested at the City level. The proposed replacement of the existing mobile home as well as any future construction would be required to meet the development regulations of the Urbana Zoning Ordinance. The petitioner is proposing to locate the replacement mobile home in the same general location as the existing mobile home. The proposed development will meet the required setbacks, building height, maximum floor area, and minimum open space ratio of the Urbana Zoning Ordinance for the R-3 Zoning District. The lot does not, however, meet the required minimum lot size and minimum lot width for the R-3 Zoning District, which are 6,000 square feet and 60 feet respectively. The subject lot is 47 feet in width and is 4,971 square feet in area. Once annexed, the lot would be considered legally nonconforming per Article X of the Urbana Zoning Ordinance. The annexation agreement acknowledges this fact.

Since the property is currently located in Champaign County, the proposal is also being reviewed for compliance with the Champaign County Zoning Ordinance. Per County Planning and Zoning staff, a variance is needed for encroachment into the required front and rear yards and for exceeding the maximum lot coverage. The property owner has applied for the required variances. The variance requests are anticipated to be heard by

the Champaign County Zoning Board of Appeals (CCZBA) on April 15, 2010. Staff will report the findings of the CCZBA before final action is taken by the City Council.

- **Building Code Compliance:** Mobile homes are not regulated by the building codes that are typically applicable to stick-built homes in Urbana. Instead, mobile homes are regulated by the U.S. Department of Housing and Urban Development (HUD) through the National Manufactured Housing Construction and Safety Standards Act of 1974. Article XII (Mobile Home Parks and Mobile Homes) of Chapter 5 of the Urbana Code of Ordinances references this Act. This Article outlines standards for mobile homes in mobile home parks, requires that a mobile home to be placed in a mobile home park be manufactured after June 15, 1976, and requires that these mobile homes comply with the National Manufactured Housing Construction and Safety Standards Act of 1974. To ensure that the replacement mobile home meets building and safety code standards, the annexation agreement stipulates that the replacement mobile home must meet the requirements of Article XII of Chapter 5 of the Urbana Code of Ordinances even though the subject property is not located within a mobile home park. All other future new development, construction or additions would need to be in conformance with all City of Urbana building, electrical, fire and plumbing codes, orders or regulations in effect at the time of annexation.

Summary of Findings

1. The subject property is not currently contiguous to the city limits, but is within the mile-and-a-half extraterritorial jurisdictional area of the City of Urbana.
2. There is currently a mobile home with a small addition to the south, and a two car garage located on the property. The owner is proposing to replace the existing mobile home that is 12 feet by 60 feet and was manufactured in 1964 with a newer mobile that is larger in size (14 feet by 70 feet).
3. A “new” sanitary sewer permit is required for the proposed replacement of the existing mobile home; therefore, an annexation agreement is required under an agreement between the City and the Urbana & Champaign Sanitary District.
4. The proposed annexation agreement provides for the direct conversion from R-3, Two Family Residence in Champaign County to the City of Urbana R-3, Single and Two-Family Residential Zoning District upon annexation to the City.
5. The proposed R-3 zoning designation would be consistent with the current use of the property, the current use of surrounding properties, and the future land use designation of the subject property in the 2005 Urbana Comprehensive Plan.
6. The proposed annexation agreement allows for the replacement of the existing mobile home provided the replacement mobile home meets the requirements of Article XII (Mobile Home Parks and Mobile Homes) of Chapter 5 of the Urbana Code of Ordinances.

7. Mobile homes are only permitted in the AG, Agriculture Zoning District in a mobile home park by a special use permit per Table V-1 of the Urbana Zoning Ordinance. To bring the property into compliance with the Urbana Zoning Ordinance, the annexation agreement requires that within one year of annexation the owner shall cease use of the mobile home and remove it from the property.
8. All future new development, construction or additions to the subject property would need to be in full compliance with all the codes and ordinances of the City of Urbana.

Options

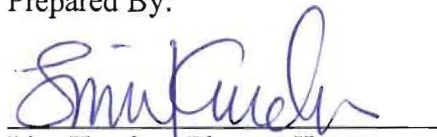

In Annexation Case 2010-A-05, the Committee of the Whole has the following options:

- a. Forward to City Council with a recommendation for approval; or
- b. Forward to City Council with a recommendation for approval, subject to recommended changes. (Note: The petitioner would have to agree to any recommended changes.)
- c. Forward to City Council with a recommendation for denial.

Staff Recommendation

Based on the analysis and findings presented in the discussion above, and without the benefit of considering additional evidence that may be presented at the public hearing, staff recommends that the Committee of the Whole forward the proposed Annexation Agreement in Case No. 2010-A-05 to the City Council with a recommendation for **APPROVAL**.

NOW, THEREFORE, FOR AND IN CONSIDERATION OF THE MUTUAL COVENANTS AND AGREEMENTS SET FORTH HEREIN, THE PARTIES AGREE AS FOLLOWS:

ARTICLE I. REPRESENTATIONS AND OBLIGATIONS OF THE OWNER

The Owner agrees to the following provisions:

Section 1: Ownership and Annexation.

- (a) The Owner represents that they are the sole owner of record of the tract described in Exhibit 1 and that they shall, within thirty (30) days of the property becoming contiguous to the Urbana City limits cause the tract to be annexed to the City of Urbana by filing a legally sufficient annexation petition with all required signatures thereon, all in accordance with Illinois Statutes. Until annexation of the subject tract occurs, the Owner shall require that any persons intending to reside thereon, whether as tenants or owners, shall, prior to residing thereon, irrevocably agree in writing to sign, join in, and consent to any petition for annexation of the subject tract. The Owner shall file such written agreement with the City Clerk within thirty (30) days of the signing of such.
- (b) Owner further agrees that the substance of this Section of the Annexation Agreement shall be included in any sales contract for the sale of any portion of the subject tract. If the subject tract is to be platted for subdivision, the Owner agrees that the substance of this provision regarding annexation shall be included in the subdivision covenants and such will constitute a covenant running with the land.
- (c) Owner agrees that if they fail to include the substance of Section 1(a) of this Agreement in sales contracts or subdivision covenants, as provided herein, and if said annexation is delayed or contested by subsequent owner(s) as a result, the Owner shall be liable to the City for all real estate taxes and other taxes that would have been due to the City had annexation been able to proceed as outlined herein. The Owner agrees for themselves, successors and assigns, and all other persons intended herein to be obligated to consent to annexation, to cooperate in signing or joining in any petition for annexation for the subject tract and that mandamus would be an appropriate remedy in the event of refusal so to do, and, if the City has to resort to Court proceedings to enforce this obligation, the City shall be entitled to recover reasonable attorney's fees. The parties agree that nothing in this section shall preclude the voluntary annexation of the subject tract or any portion thereof earlier than would otherwise be required.

Section 2: Zoning Classification. The Owner agrees to accept the direct conversion of Champaign County zoning to City of Urbana zoning classification as provided for by the Urbana Zoning Ordinance Section IV-5 and as such exists at the time of annexation.

Section 3: Development Regulations. The Owner agrees to abide by all applicable development regulations, as may be amended from time to time.

Section 4: Building Code Compliance. The Owner agrees that the existing mobile home shall be replaced with a mobile home that meets the applicable requirements of Article XII (Mobile Home Parks and Mobile Homes) of Chapter 5 of the Urbana Code of Ordinances. The Owner further agrees to secure a Certificate of Occupancy and pay the required fees just as though the mobile home were being placed within a mobile home park within the Urbana City limits. Aside from the replacement of the existing mobile home, the Owner agrees to cause any/all new development, construction, or additions on said tract to be in conformance with all City of Urbana building, electrical, fire and plumbing codes, orders or regulations in effect at the time of annexation. The Owner agrees to submit all building construction plans to the City of Urbana for review and further agrees to pay the building permit fee just as though the construction were taking place within the Urbana City limits. The Owner further agrees to correct any deficiencies identified in said plan review. In addition the Owner agrees that all construction will be subject to the same building and construction inspection requirements as construction projects within the City limits.

Within one year of annexation of said tract, the Owner agrees to cease use of the mobile home and remove it from said tract because a mobile home is only allowed in a mobile home park in the AG, Agriculture Zoning District per Table V-1 of the Urbana Zoning Ordinance. The Owner further agrees to cause any and all subsequent development, construction or additions on said tract to be in conformance with all City of Urbana building, electrical, fire and plumbing codes, orders or regulations in effect at the time of annexation. The Owner agrees to submit all building construction plans to the City of Urbana for review and further agrees to pay the building permit fee just as though the construction were taking place within the Urbana City limits. The Owner further agrees to correct any deficiencies identified in said plan review. In addition the Owner agrees that all construction will be subject to the same building and construction inspection requirements as construction projects within the City limits.

Section 5: Amendments Required. The Owner shall take no action or omit to take action during the term of this Agreement which action or omission, as applied to the tract, would be a breach of this Agreement, without first procuring a written amendment to this Agreement duly executed by both the Owner and the City. Said action includes petitioning for a county rezoning of said tract without a written amendment to this Agreement.

ARTICLE II. REPRESENTATIONS AND OBLIGATIONS OF THE CORPORATE AUTHORITIES

The Corporate Authorities agree to the following provisions:

Section 1: Annexation. The Corporate Authorities agree to annex said tract subject to the terms and conditions outlined in this Agreement, when properly and effectively requested to do so, by submission of a legally sufficient petition from the Owner, by enacting such ordinances as may be necessary and sufficient to legally and validly annex said tract to the City.

Section 2: Zoning Classification. The Corporate Authorities agree that the tract will be zoned R-3, Single and Two-Family Residential per the conversion of Champaign County zoning to City of Urbana zoning classification as provided for by the Urbana Zoning Ordinance or whatever zoning classification is provided for in such conversion table at the time of annexation. Furthermore, although the Corporate Authorities agree not to rezone the property during the term of this Agreement without a rezoning petition executed by the property Owner requesting said change, the Corporate Authorities reserve the right to amend the Zoning Ordinance text even if such amendment affects the property. If the zoning district referenced herein is not in existence at the time of the annexation, the parties agree to reclassify said property to the most comparable zoning classification as is determined by the Zoning Administrator.

Section 3: Development Regulations. The Corporate Authorities agree that all applicable development regulations as are in force as of the date hereof will apply to said tract, except as otherwise provided below:

- a. Minimum Lot Size and Minimum Lot Width: The Corporate Authorities acknowledge that the tract does not meet the minimum lot size and minimum lot width of the City's R-3 Zoning District. Once annexed, the lot would be considered legally nonconforming per Article X of the Urbana Zoning Ordinance.

Section 4: Building Code Compliance. The Corporate Authorities agree that all applicable City of Urbana building, electrical, fire and plumbing codes, orders or regulations in effect at the time of annexation apply to said tract, except as otherwise provided below:

- a. Mobile Home: The Corporate Authorities agree to permit the replacement of the existing mobile home situated on said tract with another mobile home that meets the applicable requirements of Article XII (Mobile Home Parks and Mobile Homes) of Chapter 5 of the Urbana Code of Ordinances. Within one year of annexation of said tract to the City of Urbana, said tract shall be brought into conformance with all City of Urbana building, electrical, fire and plumbing codes, orders or regulations in effect at the time of annexation as stipulated in Article I of this agreement.

ARTICLE III: GENERAL PROVISIONS

Section 1: Term of this Agreement. This Agreement shall be binding upon the parties hereto, and their respective successors and assigns, for a full term of twenty (20) years commencing as of the effective date of this Agreement as provided by the Illinois State Statutes, unless other provisions of this Agreement specifically apply a different term. To the extent permitted thereby, it is agreed that, in the event the annexation of subject tract under the terms and conditions of this Agreement is challenged in any court proceeding, the period of time during which such litigation is pending shall not be included in calculating said twenty-year term.

If this Agreement imposes any obligation, restraint, or burden (hereinafter called collectively "obligation") on the Owner, their successors or assigns, which obligation extends beyond the termination date of this Agreement, such obligation may be released by the Urbana City Council enacting an Ordinance releasing such obligation by a majority vote of all Alderpersons then holding office and the recording of such Ordinance in the Champaign County Recorder's Office, Champaign County, Illinois.

Section 2: Covenant Running with the Land. The terms of this Agreement constitutes a covenant running with the land for the term of this Agreement unless specific terms are expressly made binding beyond the term of this Agreement. Furthermore, the terms herein are hereby expressly made binding upon all heirs, grantees, mortgagees, lessee, executors, assigns and successors in interest of the Owner as to all or any part of the tract, and are further expressly made binding upon said City and the duly elected or appointed successors in office of its Corporate Authorities.

Section 3: Binding Agreement upon Parties. The Corporate Authorities and Owner agree that neither party will take no action or omit to take action during the term of this Agreement which act or omission as applied to the tract would be a breach of this Agreement without first procuring a written amendment to this Agreement duly executed by both the Owner and the City.

Section 4: Enforcement. The Owner and Corporate Authorities agree and hereby stipulate that either party to this Agreement may, by civil action, mandamus, action for writ of injunction or other proceeding, enforce and compel performance of this Agreement or declare this Agreement null and void in addition to other remedies available. Upon breach by the Owner, the City may refuse the issuance of any permits or other approvals or authorizations relating to development of the tract.

Section 5: Severability. If any provision of this Agreement is rendered invalid for any reason, such invalidation shall not render invalid other provisions of this Agreement which can be given effect even without the invalid provision.

Section 6: Effective Date. The Corporate Authorities and Owner intend that this Agreement shall be recorded in the Office of the Champaign County Recorder with any expenses for said recording to be paid by the Corporate Authorities. The effective date of this Agreement shall be the date it is recorded; or if not recorded for any reason, the effective date shall be the date the Mayor signs the agreement on behalf of the City.

Section 7: Irrevocability. In consideration of the City of Urbana granting approval allowing an Urbana-Champaign sanitary sewer connection pursuant to Resolution No. 9394-R13, this offer of annexation agreement is not revocable for a period of ninety (90) days from the date of execution by owners.

IN WITNESS WHEREOF, the Corporate Authorities and the Owner have hereunto set their hands and seals, and have caused this instrument to be signed by their duly authorized officials and the corporate seal affixed hereto, all on the day and year written below.
