Re: Special Parking Zone Ordinance

In response to a request from Council members Smyth and Bowersox, attached please find an ordinance that will make two changes to the current special daytime resident parking permit in the west Urbana special parking area:

- Extend the beginning time to 7:00 a.m. from the current 8:00 a.m.
- Make the permits valid only within a three block distance from the address of the resident (currently no restriction on distance from the residence)

Both the staffs of the parking enforcement division and the Finance department anticipate no problems with these two changes.
