DEPARTMENT OF PUBLIC WORKS
ADMINISTRATION**

M E M O R A N D U M

TO: Mayor Laurel L. Prussing and Members of City Council
FROM: William R. Gray, Public Works Director
Joseph L. Smith, Senior Civil Engineer
DATE: May 19, 2011
RE: Ordinances from Traffic Commission

Attached are ordinances for your approval from action taken by the Urbana Traffic Commission.

The ordinance amending Section 23-231 of the Urbana Local Traffic Code removes a parking meter zone located on Church Street between Wright Street and Romine Street. The request for the removal of the parking meters came to the Urbana Traffic Commission from the Finance Department and the Parking and Public Facilities Division of the Public Works Department. Revenue generated from the parking meters was determined to be insufficient to cover the cost of maintaining the meters. Provena Hospital, which is adjacent to these meters, provides free parking for its staff and visitors. This ordinance would authorize the Mayor to remove this parking meter zone from the Urbana Local Traffic Code.

The ordinance (Schedule J) prohibits parking at all times on the north side of Church Street between Wright Street and Romine Street. The parking restrictions on Church Street were recommended to encourage staff and visitors to use parking facilities provided by Provena Hospital and to discourage long-term parking along the street after the parking meters are removed. Enforcement of short-term parking would require enforcement and draw resources away from other areas where enforcement of short-term parking is more critical.

The restrictions on Myra Ridge Drive between Windsor Road and Summit Drive were requested by the Engineering Division of the Public Works Department. This request came to the Urbana Traffic Commission after the signalization of the Myra Ridge Drive and Windsor Road intersection was completed. The installation of traffic signals necessitates the removal of parking along the east side of Myra Ridge Drive at this location to provide adequate visibility for westbound motorists on Summit Drive and to allow sufficient space for vehicle movement at that intersection.

The ordinance (Schedule K) changes the parking restrictions on a section of Oregon Street from no parking between the hours of 2:00 a.m. to 6:00 a.m. to no parking between the hours of 4:00 a.m. to 6:00 a.m. The request for the change came from JSM Management to provide increased time for the patrons of Merry Ann's Diner, which is open 24 hours per day, to use on-street parking. The parking restrictions were a compromise to allow the Operations Division of the Public Works Department enough time to complete street maintenance (street sweeping and snow removal) while use of campus streets was minimal and yet provide additional time for patrons of Merry Ann's Diner to park on the street while visiting the restaurant.

The Traffic Commission has considered these locations at its meeting on May 3, 2011 and recommends that the ordinances be passed by the City Council.
