TO: Mayor Prussing and Members of the Urbana City Council
FROM: City Comptroller
RE: Property Tax Levy
DATE: October 25, 2011

Attached for your consideration is the City's 2011 property tax levy ordinances and resolution. These documents must be filed with the County Clerk no later than the 2nd Tuesday in December.

The attached levy ordinance and resolution have been prepared in order to maintain the same levy rate of 1.2942 (same as Champaign). Some additional important points concerning the property tax levy are:

- This levy would mean a homeowner would pay on average 0.3% less than last year (\$2 less on a \$175,000 home). This 0.3% represents the average decrease in the value of current homes. Last year's levy rate was the same \$1.29 and average homeowners paid 0.3% less to City of Urbana (-\$2).
- This levy will capture property tax on new development. It is highly appropriate to capture property tax on new construction as this help to keep the amount paid by current homeowners lower, although the amount of new construction is estimated to only be 1%.
- The total amount of property taxes that will be received by the City from this levy (keeping the rate the same \$1.29) will increase 0.7%.
- Since 2000, the City has reduced the rate from \$1.54 to \$1.29. This has saved the owner of the \$175,000 home \$1,540 in taxes paid to the City over this 11 year period.
- Urbana's tax rate of \$1.29 is approximately in the middle of tax rates of other central Illinois cities (Normal \$1.15, Decatur \$1.21, Rantoul \$1.21, Bloomington \$1.27, Champaign \$1.29, Peoria \$1.39, and Danville \$1.78).
- The City's ability to affect the total amount of property taxes a homeowner pays is limited in that the City only

accounts for 15% of the total property tax bill (School District is 53%).

- Over the last 11 years, the overall tax rate paid by Urbana homeowners has decreased from \$8.81 to \$8.49. This has saved the owner of the \$175,000 home \$2,060 in total taxes paid during this time. Also recall that voters themselves have approved 6 referendums to increase the tax rate in the last 15 years: 1995 for new jail, 1997 for countywide public health district, 2002 for County nursing home, 2004 for development disabilities board, 2009 and 2010 for the Park District.
- The actual amount in the levy ordinance is stated artificially high and will then be reduced by the attached resolution in March when the actual assessed value is known, therefore assuring that the city's rate will be \$1.29.
