SUBJECT: **Amendment to a Redevelopment Agreement with Xiao Jin Yuan (209 South Broadway Avenue – Urbana Landmark Hotel)**

Introduction and Background

On November 1, 2010, Urbana City Council approved a Redevelopment Agreement with Xiao Jin Yuan for 209 North Broadway Avenue, formerly known as the Historic Lincoln Hotel, and currently known as the Urbana Landmark Hotel.

The agreement committed a total of \$1,450,000 in Tax Increment Finance District 1 and Tax Increment Finance District 2 funds over five years for the renovation of the property. This included \$650,000 in the first year and \$200,000 per year for four years thereafter. While these funds could not be used for acquisition, the agreement and the TIF funds for renovation made possible Mr. Yuan’s acquisition of the property from Marine Bank of Springfield, the former owner of the property.

The agreement originally called for a hotel opening date of November 1, 2011. However, due to the poor condition of the building, the unexpected scope of the necessary renovations, complications with contractors, and other issues, Mr. Yuan is still working towards opening the hotel. For this reason, some minor amendments (Exhibit A) to the redevelopment agreement are necessary to move forward with the project.

Discussion

Upon acquisition of the property and approval of the original redevelopment agreement (Exhibit B) in November 2010, Mr. Yuan immediately began stabilization and renovation of the property. The first component of City funding included up to \$650,000 in the first year for improvements that needed to be completed immediately. This funding was used for items including roof work, elevator work, entrance upgrades, gas line work, water line work, electrical upgrades, HVAC

work, cable television and high speed internet upgrades, hotel lobby upgrades, upgraded laundry facilities, security system upgrades, architectural services, and other items consistent with both the redevelopment agreement and the Illinois TIF Act. To protect the City's investment, this funding was provided in the form of a loan to be forgiven upon the opening of the hotel, or to be repaid to the City if the property was sold prior to opening. This loan was formalized in a promissory note in the principal amount of \$650,000. In order to get reimbursed for the above improvements, Mr. Yuan was required to submit receipts and Contractor's Affidavits as well as acknowledge payment as a draw against the \$650,000 loan provided for in the promissory note. Mr. Yuan has now received the entire \$650,000 available to him via the redevelopment agreement.

Mr. Yuan has now submitted additional eligible expenses beyond the \$650,000. While an additional \$200,000 has been budgeted for the Urbana Landmark Hotel in TIF 1 for FY 11-12, and is available for this project, the original agreement stated that the \$800,000 (\$200,000 per year for four years) was not available until after the opening of the hotel.

In order to facilitate moving this project forward, and to eliminate a default by Mr. Yuan related to the opening date, attached is a proposed amendment to the original agreement. The first change is to modify the promissory note to increase the principal amount to \$850,000. This includes the \$650,000 approved in the original agreement (and reimbursed to Mr. Yuan) plus the \$200,000 currently budgeted in TIF 1 for the project. This will make that \$200,000 available immediately to Mr. Yuan for eligible expenses, but will protect the City by adding that \$200,000 to the loan amount in the promissory note. Unchanged from the original agreement, this loan is to be forgiven upon the opening of the hotel, or to be repaid to the City if the property is sold prior to opening. Additionally, in order to keep the total funding commitment at \$1,450,000 per the original agreement, the agreement will further be amended to clarify that the initial funding of \$850,000 ($\$650,000 + \$200,000 = \$850,000$) will be accompanied by three (rather than four) additional years of funding at \$200,000 per year ($\$850,000 + \$600,000 = \$1,450,000$).

The other proposed change in the amendment is that the new opening date will be no later than December 31, 2012, rather than November 1, 2011. As has been mentioned, the poor condition of the building, the unexpected scope of the necessary renovations, complications with contractors, and other issues have delayed the opening of the hotel. It is important to the owner and to the City that the hotel not be reopened prematurely in order to ensure its best success with the public. In discussions with Mr. Yuan, the expected opening date is expected to be some time during the Summer of 2012, however, in order to allow for some flexibility, and to avoid the need for additional amendments, the proposed amendment incorporates a conservative opening date of no later than December 31, 2012.

Fiscal Impact

There are no additional costs beyond what is currently budgeted in the Tax Increment Finance District 1 budget. This amendment keeps the total funds committed to the project at \$1,450,000, however, the payment of those funds is modified to include \$850,000 as a loan to be forgiven upon opening of the hotel with an additional \$600,000 to be paid in the form of \$200,000 per year for three years.

Options

1. Approve the amendment ordinance as presented.
2. Approve the amendment ordinance with changes. It should be noted that any changes will need to be agreed upon by the Developer.
3. Deny the amendment ordinance.

Recommendation

Staff recommends that the City Council approve the attached amendment ordinance.

(f) **No Proceedings or Judgments.** There is no claim, action or proceeding now pending, or to the best of its knowledge, threatened, before any court, administrative or regulatory body, or governmental agency (1) to which the Developer is a party and (2) which will, or could, prevent the Developer's performance of its obligations under this Agreement.

Section 2.3. Related Agreements. Upon the request of the City, the Developer shall deliver true, complete and correct copies of all Related Agreements (redacted by the Developer to protect any confidential or proprietary information). The Developer represents and warrants to the City that such Related Agreements now executed and delivered are in full force and effect and have not been cancelled or terminated and that the Developer is not aware of any of its obligations under any of such existing Related Agreements required to be performed on or before the date hereof which have not been performed by the Developer or the other parties thereto.

CONDITIONS PRECEDENT TO THE UNDERTAKINGS ON THE PART OF THE DEVELOPER AND THE CITY

In the event of such termination, this Agreement shall be deemed null and void and of no force or effect and neither the City nor the Developer shall have any obligation or liability with respect thereto.

ARTICLE IV **CITY'S COVENANTS AND AGREEMENTS**

Section 4.1. City's TIF Funded Financial Obligations. The City shall have the obligations set forth in this Section 4.1 relative to financing Eligible Redevelopment Project Costs in connection with the Project. Upon the submission to the City by the Developer of a Requisition for Eligible Redevelopment Project Costs incurred and paid and the approval thereof by the City in accordance with Article VI of this Agreement, the City, subject to the terms, conditions and limitation set forth in this Section 4.1 immediately below, agrees to reimburse the Developer, or to pay as directed by the Developer, from the Fund such Loan Advances and Reimbursement Amounts related to Project at the Property as follows:

- (a) **Initial Redevelopment Loan Financing.** Upon satisfaction by the Developer of all of the conditions precedent as set forth in Section 3.1 of this Agreement and the execution and delivery

of the Promissory Note by the Developer, the City shall provide to the Developer the Redevelopment Loan. The Redevelopment Loan shall be a straight line of credit in the principal amount of up to \$650,000, shall bear interest at a non-default rate of -0%- per annum, and shall be due and payable upon demand on the day immediately following the Occupancy Date. The proceeds of the Redevelopment Loan shall be made available to the Developer at the times specified in Section 6.4 of this Agreement in the form of Loan Advances payable to or at the direction of the Developer not more frequently than monthly. Anything to the contrary in the Promissory Note notwithstanding, in the event the Developer continues to retain exclusive ownership of the Property on the Occupancy Date and no "Default" under Section 7.7. of this Agreement by the Developer has then occurred and is continuing, the Redevelopment Loan shall be deemed fully paid and discharged.

(b) **Annual Benefit.** In addition to the initial Redevelopment Loan financing pursuant to Section 4.1(a) above, the City shall reimburse the Developer or pay as directed by the Developer at the times specified in Section 6.4 of this Agreement a total amount of up to \$800,000 in Reimbursement Amounts, such total amount being payable in four (4) equal annual installments commencing with the calendar year immediately following the calendar year in which the Occupancy Date occurs.

(c) **Termination.** Anything to the contrary in the foregoing Section 4.1(b) above notwithstanding, the obligations of the City to reimburse the Developer for any Reimbursement Amounts under Section 4.1(b) above shall terminate: (i) no later than December 31, 2016, or such earlier date upon which the total amount of the reimbursement or payment obligations of the City under Section 4.1(b) above are reimbursed to the Developer or paid as directed by the Developer in accordance with this Section 4.1 of this Agreement; or (ii) at any time the Hotel Facility ceases continuous commercial operation or "goes dark".

Section 4.2. Defense of Redevelopment Project Area. In the event that any court or governmental agency having jurisdiction over enforcement of the TIF Act and the subject matter contemplated by this Agreement shall determine that this Agreement, including any payments of any Reimbursement Amounts to be made by the City, is contrary to law, or in the event that the legitimacy of the Redevelopment Project Area is otherwise challenged before a court or governmental agency having jurisdiction thereof, the City will defend the integrity of the Redevelopment Project Area and this Agreement. Anything herein to the contrary notwithstanding, the Developer agrees that the City may, to the extent permitted by law, use any Incremental Property Taxes, including any unpaid Reimbursement Amounts, if available, to be redirected to reimburse the City for its defense costs, including without limitation attorneys' fees and expenses.

Section 4.3. Historic Landmark Designation. Upon the submittal by the Developer of a completed Registered Preference form which indicates the Developer's agreement that the Hotel Facility be designated as a historic landmark as provided in Section 3.1 of this Agreement, the Corporate Authorities of the City shall consider the designation of the Hotel Facility as an historic landmark under and pursuant to Section XII-5 of the Urbana Zoning Ordinance, with the 1923 portion of the Hotel Facility to be considered as a "Contributing" structure and the 1982 portion of the property to be considered as a "Noncontributing" structure as defined in Section XII-2 of the Urbana Zoning Ordinance for the purposes of the review of any alteration, relocation, construction,

removal or demolition of the exterior architectural appearance of the Hotel Facility under Section XII-6 of the Urbana Zoning Ordinance. Pursuant to such designation, the City shall waive all building permit fees for the Project. Further, the City agrees not to withhold approval of a Certificate of Appropriateness for any proposed reroofing of the Hotel Facility that uses asphalt shingles selected by the Developer in consultation with the Department of Community Development Services of the City.

ARTICLE V **DEVELOPER'S COVENANTS**

Section 5.1. Commitment to Undertake Required Improvements. The Developer covenants and agrees to commence the Project, including the correction of all applicable violations of the building codes and ordinances of the City in connection with the Property, and to have the Hotel Facility ready for occupancy, utilization and continuous commercial operation on the Occupancy Date. The Developer recognizes and agrees that the City has sole discretion with regard to all approvals and permits relating to the Project, including but not limited to approval of the final development plans, any required permits and any certificates of occupancy, and any failure on the part of the City to grant or issue any such required permit or certificates of occupancy shall not give rise to any claim against or liability of the City pursuant to this Agreement. The City agrees, however, that any such approvals shall not be unreasonably denied, withheld or delayed.

Section 5.2. Compliance with Agreement and Laws During Development. The Developer shall at all times acquire, construct and install the Project, including any related required improvements, in conformance with this Agreement and all applicable laws, rules and regulations, including without limitation all applicable subdivision, zoning, environmental, building code or any other land use ordinances of the City, and, to the extent applicable, the Prevailing Wage Act (820 ILCS 130/0.01 et seq.) of the State of Illinois. Whenever possible, the Developer shall cause the Project to be designed, constructed and installed utilizing innovative and effective techniques in energy conservation. Any agreement of the Developer related to the design, construction or installation of the Project with any contractor, subcontractor or supplier shall, to the extent applicable, contain provisions substantially similar to those required of the Developer under this Agreement.

Section 5.3. Historic Landmark Designation. Provided an historic landmark designation has been made by the City in accordance with Section XII-5 of the Urbana Zoning Ordinance, the Developer shall comply with all applicable provisions of such Section XII-6 of the Zoning Ordinance in connection applications for Certificates of Appropriateness and shall not apply to rescind such designation during the term of this Agreement as provided in Section 9.13 hereof.

Section 5.4. City's Right to Monitor and Inspect Project. In addition to any other rights specified in this Agreement with regard to the construction and maintenance of the Project, the City shall have the right, but not the obligation, to inspect the Property for the purpose of monitoring the progress of the Project. During such inspections, which may be made with reasonable advance notice and during normal business hours, representatives of the city shall be allowed access to the Property as necessary for the City to determine whether the Project is proceeding in a timely manner and in compliance with all applicable laws, codes, ordinances and regulations, subject to

limitations required by safety considerations. The rights set forth herein and the City's exercise of those rights shall not be construed to relieve the Developer of its separate and independent obligations under this Agreement and under any applicable City codes, regulations and ordinances or as a waiver of any further rights of the City regarding the construction and maintenance of the Project, including the right to require compliance and issue stop work orders or violation notices.

Section 5.5. City's Right to Audit Developer's Books and Records. The Developer agrees that the City or its agents shall have the right and authority to review and audit, from time to time (at the Developer's principal office during normal business hours) the Developer's books and records relating to the total amount of all costs paid or incurred by the Developer for the Project and the total amount of related Eligible Redevelopment Project Costs, in order to confirm that any such Eligible Redevelopment Project Costs claimed to have been paid and incurred by the Developer were directly related and allocable to the costs of the Project that was financed by the Developer and in fact paid and incurred by the Developer.

Section 5.6. Continuing Compliance with Laws. The Developer agrees that in the continued use, occupation, operation and maintenance of the Hotel Facility, the Developer will comply with all applicable federal and state laws, rules, regulations and all applicable City ordinances and codes.

Section 5.7. Real Estate Tax Obligations. The Developer agrees to pay and discharge, promptly and when the same shall become due, all general real estate taxes, and all applicable interest and penalties thereon, that at any time shall become due and payable upon or with respect to, or which shall become liens upon, any part of the Property. The Developer, including any others claiming by or through it, hereby covenants and agrees not to file any application for property tax exemption for any part of the Property under any applicable provisions of the Property Tax Code of the State of Illinois (35 ILCS 200/1-1 *et seq.*), as supplemented and amended, unless the City and the Developer shall otherwise have first entered into a mutually acceptable agreement under and by which the Developer shall have agreed to make a payment in lieu of taxes to the City, it being mutually acknowledged and understood by both the City and the Developer that any such payment of taxes (or payment in lieu thereof) by the Developer is a material part of the consideration under and by which the City has entered into this Agreement. This covenant of the Developer shall be a covenant that runs with the land being the Property upon which the Project is undertaken and shall be in full force and effect until December 31, 2035, upon which date this covenant shall terminate and be of no further force or effect (and shall cease as a covenant binding upon or running with the land) immediately, and without the necessity of any further action by City or Developer or any other party; provided, however, upon request of any party in title to the Property, the City shall execute and deliver to such party an instrument, in recordable form, confirming for the record that this covenant has terminated and is no longer in effect. Nothing contained within this Section 5.6 shall be construed, however, to prohibit the Developer from initiating and prosecuting at its own cost and expense any proceedings permitted by law for the purpose of contesting the validity or amount of real property taxes assessed and levied upon the Property or any part thereof.

Section 5.8. Downtown Plan Update and Other Redevelopment Efforts. The Developer agrees to participate in and make reasonable accommodations for planning and development activities associated with an ongoing update to the City's 2002 Downtown Strategic Plan, including

those associated with a local consortium that has been formed to explore mobility enhanced development options for the core area containing Lincoln Square Village and the Property, the municipal parking deck, the Busey Bank property on Race Street, and other immediate environs. Planning activities to be undertaken in this area by such consortium and others may include, but are not limited to, market studies, urban design/architectural studies, and applications for relevant state and federal grants pertaining to the unified goals of transportation, sustainability, economic development and historic preservation. The expected outcome will be transit enhanced redevelopment and new infill development that will complement and strengthen the viability of the Hotel Facility by providing for a stronger customer base and improved connectivity with the remainder of the downtown area and other locations, including the University of Illinois campus.

ARTICLE VI

PAYMENT PROCEDURES FOR ELIGIBLE REDEVELOPMENT PROJECT COSTS

Section 6.1. Payment Procedures. The City and the Developer agree that the Eligible Redevelopment Project Costs constituting the Loan Advances and Reimbursement Amounts shall be paid solely, and to the extent available, from Incremental Property Taxes that are deposited in the Fund and not otherwise. The City and the Developer intend and agree that any Loan Advances and Reimbursement Amounts shall be disbursed by the City Comptroller for payment to the Developer in accordance with the procedures set forth in this Section 6.1 of this Agreement.

The City hereby designates the City Comptroller as its representative to coordinate the authorization of disbursement of any Loan Advances or Reimbursement Amounts for the Eligible Redevelopment Project Costs. Payments to the Developer of any Loan Advances or Reimbursement Amounts for Eligible Redevelopment Project Costs shall be made upon request therefor, in form reasonably acceptable to the City (each being a “**Requisition**”) submitted by the Developer with respect to Eligible Redevelopment Project Costs incurred and paid but not previously submitted. Each such Requisition shall be accompanied by appropriately supporting documentation, including, as applicable: (i) receipts for paid bills or statements of suppliers, contractors or professionals, together with required contractors’ affidavits or lien waivers; or (ii) an affidavit by an Independent accountant which verifies that any such Eligible Project Redevelopment Costs (including any payroll records of the Developer involving specifically described work on the Project) have been paid and incurred by the Developer.

Section 6.2. Approval and Resubmission of Requisitions. The City Comptroller shall give the Developer written notice disapproving any of the Requisitions within ten (10) days after receipt thereof. No such approval shall be denied except on the basis that (i) all or some part of the Requisition does not constitute Eligible Redevelopment Project Costs or has not otherwise been sufficiently documented as specified herein; (ii) the Developer is in “Default” under this Agreement as described in Section 7.1 hereof; or (iii) any subsequent amendment to the TIF Act or any subsequent decision of a court of competent jurisdiction makes any such payment unauthorized. If a Requisition is disapproved by such City Comptroller, the reasons for disallowance will be set forth in writing and the Developer may resubmit any such Requisition with such additional documentation or verification as may be required. The same procedures set forth herein applicable to disapproval shall apply to such resubmittals.

Section 6.3. Carryover. Upon the approval of any of the applicable Requisitions as set forth in Section 6.2 above, any excess amount of Eligible Redevelopment Project Costs over and above the amount of any Loan Advances or any Reimbursement Amounts then payable as specified in Section 4.1 of this Agreement shall carry over into any remaining future period that any such Loan Advances or Reimbursement Amounts become due and payable under this Agreement.

Section 6.4. Time of Payment. The City shall pay each of the applicable Loan Advances or Reimbursement Amounts which are approved by any one or more Requisitions under this Article to the Developer within thirty (30) calendar days after (i) the approval of such applicable Requisition(s); or (ii) the date specified in Section 4.1 of this Agreement, whichever in (i) or (ii) is later.

ARTICLE VII **DEFAULTS AND REMEDIES**

Section 7.1. Events of Default. The occurrence of any one or more of the events specified in this Section 7.1 shall constitute a “**Default**” under this Agreement.

(1) The furnishing or making by or on behalf of the Developer of any statement or representation in connection with or under this Agreement, any of the Related Agreements or any Requisition that is false or misleading in any material respect;

(2) The failure by the Developer to timely perform any term, obligation, covenant or condition contained in this Agreement or any of the Related Agreements;

(3) The failure by the City to pay any Loan Advances or Reimbursement Amounts which become due and payable in accordance with the provisions of this Agreement; and

(4) The failure by the City to timely perform any other term, obligation, covenant or condition contained in this Agreement.

Section 7.2. Rights to Cure. The party claiming a Default under Section 7.1 of this Agreement (the “**Non-Defaulting Party**”) shall give written notice of the alleged Default to the other party (the “**Defaulting Party**”) specifying the Default complained of. Except as required to protect against immediate, irreparable harm, the Non-Defaulting Party may not institute proceedings or otherwise exercise any right or remedy against the Defaulting Party until thirty (30) days after having given such notice, provided that in the event a Default is of such nature that it will take more than thirty (30) days to cure or remedy, such Defaulting Party shall have an additional period of time reasonably necessary to cure or remedy such Default provided that such Defaulting Party promptly commences and diligently pursues such cure or remedy. During any such period following the giving of notice, the Non-Defaulting party may suspend performance under this Agreement until the Non-Defaulting Party receives written assurances from the Defaulting Party, deemed reasonably adequate by the Non-Defaulting Party, that the Defaulting Party will cure or remedy the Default and remain in compliance with its obligations under this Agreement. A Default not cured or remedied or otherwise commenced and diligently pursued within thirty (30) days as provided above shall constitute a “**Breach**” of this Agreement. Except as otherwise expressly provided in this Agreement, any failure or delay by either party in asserting any of its rights or

remedies as to any Default or any Breach shall not operate as a waiver of any such Default, Breach or of any other rights or remedies it may have as a result of such Default or Breach.

Section 7.3. Remedies. Upon the occurrence of a Breach of this Agreement by the Developer, the City shall have the right to terminate this Agreement by giving written notice to the Developer of such termination and the date such termination is effective. Except for such right of termination by the City, the only other remedy available to either party upon the occurrence of a Breach of this Agreement by the Defaulting Party shall be to institute such proceedings as may be necessary or desirable in its opinion to cure or remedy such Breach, including but not limited to proceedings to compel any legal action for specific performance or other appropriate equitable relief. Notwithstanding anything herein to the contrary, the sole remedy of the Developer upon the occurrence of a Breach by the City under any of the terms and provisions of this Agreement shall be to institute legal action against the City for specific performance or other appropriate equitable relief and, under no circumstances, shall the City be subject to any monetary liability or be liable for damages (compensatory or punitive) under any of the provisions, terms and conditions of this Agreement. In the event that any failure of the City to pay any annual Reimbursement Amounts which become due and payable in accordance with the provisions hereof is due to insufficient Incremental Property Taxes being available to the City, any such failure shall not be deemed to be a Default or a Breach on the part of the City.

Section 7.4. Costs, Expenses and Fees. Upon the occurrence of a Default or a Breach which requires either party to undertake any action to enforce any provision of this Agreement, the Defaulting Party shall pay upon demand all of the Non-Defaulting Party's charges, costs and expenses, including the reasonable fees of attorneys, agents and others, as may be paid or incurred by such Non-Defaulting Party in enforcing any of the Defaulting Party's obligations under this Agreement or in any litigation, negotiation or transaction in connection with this Agreement in which the Defaulting Party causes the Non-Defaulting Party, without the Non-Defaulting Party's fault, to become involved or concerned.

Section 7.5. Redevelopment Loan. The rights and obligations of both the City and the Developer in connection with the Redevelopment Loan, including any defaults and remedies in connection therewith, shall be as exclusively otherwise specified in the Promissory Note, anything to the contrary in this Article VII of this Agreement notwithstanding.

ARTICLE VIII

RELEASE, DEFENSE AND INDEMNIFICATION OF CITY

Section 8.1. Declaration of Invalidity. Notwithstanding anything herein to the contrary, the City, its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable to the Developer for damages of any kind or nature whatsoever or otherwise in the event that all or any part of the TIF Act, or any of the TIF Ordinances or other ordinances of the City adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, shall be declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof; provided that

nothing in this Section 8.1 shall limit claims by Developer against the Fund or actions by the Developer seeking specific performance of this Agreement or other relevant contracts if otherwise permitted by applicable law.

Section 8.2. Damage, Injury or Death Resulting from Project. The Developer releases from and covenants and agrees that the City and its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors thereof against any loss or damage to property or any injury to or death of any person occurring at or about or resulting from any defect in the construction or installation of the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or other acts or omissions of the City, its Corporate Authorities, officials, agents, employees or independent contractors that are contrary to the provisions of this Agreement.

Section 8.3. Damage or Injury to Developer and Others. The City and its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or any of its officers, agents, independent contractors or employees or of any other person who may be about the Property or the Project due to any act of negligence of any person, except as such may be caused by the intentional misconduct, gross negligence, or acts or omissions of the City, its Corporate Authorities, officials, agents, employees, or independent contractors that are contrary to the provisions of this Agreement.

Section 8.4. No Personal Liability. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its Corporate Authorities, officials, agents, employees or independent contractors in their individual capacities. No member of the Corporate Authorities, officials, agents, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a Default or Breach by any party under this Agreement, or (ii) for any amount of any Reimbursement Amounts which may become due and payable under the terms of this Agreement.

Section 8.5. City Not Liable for Developer Obligations. Notwithstanding anything herein to the contrary, the City shall not be liable to the Developer for damages of any kind or nature whatsoever arising in any way from this Agreement, from the Promissory Note or any other obligation or agreement made in connection therewith or from any Default or Breach under this Agreement; provided that nothing in this Section 8.5 shall limit claims by the Developer against the Fund or actions by the Developer seeking specific performance of this Agreement or other relevant contracts.

Section 8.6. Actions or Obligations of Developer. The Developer agrees to indemnify, defend and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all suits, claims and cost of attorneys' fees, resulting from, arising out of, or in any way connected with (i) any of the Developer's obligations under or in connection with this Agreement, (ii) the construction or installation of the Project, and (iii) the negligence or willful misconduct of the Developer, its officials, agents, employees or independent contractors in connection with the management, development, redevelopment,

construction or installation of the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or breach of this Agreement by the City, its Corporate Authorities, officials, agents, employees or independent contractors.

Section 8.7. Environmental Covenants. To the extent permitted by law, the Developer agrees to indemnify, defend, and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all claims, demands, costs, liabilities, damages or expenses, including attorneys' and consultants' fees, investigation and laboratory fees, court costs and litigation expenses, arising from: (i) any release or threat of a release, actual or alleged, of any hazardous substances, upon or about the Property or respecting any products or materials previously, now or thereafter located upon, delivered to or in transit to or from the Property regardless of whether such release or threat of release or alleged release or threat of release has occurred prior to the date hereof or hereafter occurs and regardless of whether such release occurs as a result of any act, omission, negligence or misconduct of the City or any third party or otherwise; (ii) (A) any violation now existing (actual or alleged) of, or any other liability under or in connection with, any environmental laws relating to or affecting the Property, or (B) any now existing or hereafter arising violation, actual or alleged, or any other liability, under or in connection with, any environmental laws relating to any products or materials previously, now or hereafter located upon, delivered to or in transit to or from the Property, regardless of whether such violation or alleged violation or other liability is asserted or has occurred or arisen prior to the date hereof or hereafter is asserted or occurs or arises and regardless of whether such violation or alleged violation or other liability occurs or arises, as the result of any act, omission, negligence or misconduct of the City or any third party or otherwise; (iii) any assertion by any third party of any claims or demands for any loss or injury arising out of, relating to or in connection with any hazardous substances on or about or allegedly on or about the Property; or (iv) any breach, falsity or failure of any of the representations, warranties, covenants and agreements of the like. For purposes of this paragraph, "hazardous materials" includes, without limit, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances, or related materials defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. §§ 9601 et seq.), the Hazardous Materials Transportation Act, as amended (49 U.S.C. §§ 1801 et seq.), the Resource Conservation and Recovery Act, as amended (42 U.S.C. §§ 9601 et seq.), and in the regulations adopted and publications promulgated pursuant thereto, or any other federal, state or local environmental law, ordinance, rule, or regulation.

Section 8.8. Notification of Claims. Not later than thirty (30) days after the Developer becomes aware, by written or other overt communication, of any pending or threatened litigation, claim or assessment, the Developer will, if a claim in respect thereof is to be made against the Developer which affects any of the Developer's rights or obligations under this Agreement, notify the City of such pending or threatened litigation, claim or assessment, but any omission so to notify the City will not relieve the Developer from any liability which it may have to the City under this Agreement.

ARTICLE IX
MISCELLANEOUS PROVISIONS

Section 9.1 Entire Agreement and Amendments. This Agreement (together with Exhibit A and B attached hereto) is the entire agreement between the City and the Developer relating to the subject matter hereof. This Agreement supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, and may not be modified or amended except by a written instrument executed by both of the parties.

Section 9.2. Third Parties. Nothing in this Agreement, whether expressed or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any other persons other than the City and the Developer and their respective successors and assigns, nor is anything in this Agreement intended to relieve or discharge any obligation or liability of any third persons to either the City or the Developer, nor shall any provision give any third parties any rights of subrogation or action over or against either the City or the Developer. This Agreement is not intended to and does not create any third party beneficiary rights whatsoever.

Section 9.3. Counterparts. Any number of counterparts of this Agreement may be executed and delivered and each shall be considered an original and together they shall constitute one agreement.

Section 9.4. Special and Limited Obligation. This Agreement shall constitute a special and limited obligation of the City according to the terms hereof. The City pledges to the payment of its obligations under Sections 4.1 hereof only such amount of the Incremental Property Taxes as is set forth in Section 4.1 hereof, if, as and when received, and not otherwise.

Section 9.5. Time and Force Majeure. Time is of the essence of this Agreement; provided, however, neither the Developer nor the City shall be deemed in Default with respect to any performance obligations under this Agreement on their respective parts to be performed if any such failure to timely perform is due in whole or in part to the following (which also constitute "unavoidable delays"): any strike, lock-out or other labor disturbance (whether legal or illegal, with respect to which the Developer, the City and others shall have no obligations hereunder to settle other than in their sole discretion and business judgment), civil disorder, inability to procure materials, weather conditions, wet soil conditions, failure or interruption of power, restrictive governmental laws and regulations, condemnation, riots, insurrections, acts of terrorism, war, fuel shortages, accidents, casualties, acts of God or third parties, or any other cause beyond the reasonable control of the Developer or the City.

Section 9.6. Waiver. Any party to this Agreement may elect to waive any right or remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless such waiver is in writing. No such waiver shall obligate the waiver of any other right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Agreement.

Section 9.7. Cooperation and Further Assurances. The City and the Developer covenant and agree that each will do, execute, acknowledge and deliver or cause to be done, executed and delivered, such agreements, instruments and documents supplemental hereto and such further acts, instruments, pledges and transfers as may be reasonably required for the better assuring, mortgaging, conveying, transferring, pledging, assigning and confirming unto the City or the Developer or other appropriate persons all and singular the rights, property and revenues covenanted, agreed, conveyed, assigned, transferred and pledged under or in respect of this Agreement.
