Re: Liquor License Change for Hot Spot Restaurant, LLC

On this week's agenda is a request to change the current liquor license for Hot Spot Restaurant, LLC. They currently hold a restaurant license; however, it has come to our attention that they are not operating as a restaurant. We are requesting to change their license to a Class BB so they will be operating as an establishment selling beer and wine.

I would also like to explain that the reason the number of R-2 licenses in the table have changed by two is due to the fact that another restaurant has closed which reduces the number currently available. There is an additional change in the table correcting the number of BW licenses from 9 to 10.

If you have any questions, please do not hesitate to contact me.
