SUBJECT: **An Ordinance Approving a Redevelopment Agreement First Amended and Restated with Cake Design Development LLC - Series 204 West Main (204 West Main Street – Matt Cho)**

Introduction

On May 5th, 2014 the Urbana City Council approved Ordinance No. 2014-04-040 authorizing a Redevelopment Agreement with Matt Cho of Cake Design Development LLC to support his redevelopment project at 204 West Main Street to create an open air market, beer garden, and event space. Mr. Cho purchased the property in January of 2014 and began demolition of the site in September of 2014.

Council is being asked to consider an ordinance which would approve a revenue-neutral first amended and restated redevelopment agreement with Cake Design in order to facilitate the completion of the project in light of the recently identified structural deficiency of the façade (**Exhibit A: Draft Enabling Ordinance with Proposed Agreement**).

Explanation of the Need for Amendment of the Agreement

Prior to purchase by the developer, the underutilized property at 204 West Main Street had not been fully occupied in more than 20 years and was in an advanced state of deterioration due to water damage. While the developer's intent was to preserve and reinforce the original portion of the building's façade, the structural condition of the façade has made this outcome practically and financially infeasible. Consequently, an amended and restated agreement is being proposed to permit Mr. Cho to proceed with demolition and reconstruction of a context-appropriate façade at 204 West Main Street.

Mr. Cho is working with structural engineer John Frauenhoffer of Engineering Resource Associates who has overseen and advised in the work of the demolition contractor. The demolition began at the rear of the building and slowly progressed southward toward the façade. The original plan was to complete demolition up to ten feet from the façade and to then proceed

with stabilization efforts. However, observations of the exposed interior by the structural engineer led to concern about the façade’s integrity and demolition activities were limited to a distance of twenty-five feet from the façade to ensure stability. Further observation by Mr. Fraenhoffer resulted in the conclusion that “the south wall requires removal and will likely suffer partial collapses during demolition” (**Exhibit B: Engineering Report on Condition of the 204 W Main St Façade**).

Anticipated Fiscal and Community Impacts

Mr. Cho is not requesting any change to the level of incentives under the proposed First Amended and Restated Development Agreement. The proposed agreement simply revises the definition of the project and phases to permit the context-appropriate reconstruction of the façade of 204 West Main Street at a minimum cost of \$50,000—the equivalent of what was expected to be spent on the stabilization of the original façade. The proposed language also corrects the definition of Phase 1 of the project by inclusively defining the entirety of activities originally planned for Phase 1. All changes from the original agreement are presented in the attached strikethrough version of the proposed agreement (**Exhibit C: Comparison of Original Agreement with Proposed Agreement**).

The total reimbursement for eligible expenses under the proposed redevelopment agreement will remain constant at \$175,000. To date, \$33,327.41 has been reimbursed under the redevelopment agreement. The remaining \$141,672.59 in potentially reimbursable funds has already been budgeted. The total private investment for the project remains estimated at \$458,000 including the purchase price of the building, estimated equipment purchases, and the roughly \$305,000 to be expended on physical improvements in Phases I & II. The developer continues to share detailed project cost estimates to confirm that this level of City assistance is necessary for the project to occur.

Over a ten year period, the total project is expected to produce over \$200,000 in local sales tax to the school district, county and city—including over \$120,000 in sales tax to the City of Urbana. If the developer were to realize the full \$175,000 reimbursement from the TIF district, it is estimated that the city, school district, and county will recoup an equivalent amount of sales tax revenue in approximately eight years.

The first amended and restated development agreement will enable the project to proceed with the creation of a novel event space that completes the commercial revitalization of the western stretch of Main Street and that expands Urbana’s culture of entrepreneurship and innovation.

Options

1. Approve the proposed first amended and restated redevelopment agreement ordinance as presented.

2. Approve the proposed first amended and restated redevelopment agreement ordinance with changes. It should be noted that any changes will need to be agreed upon by the developer.
3. Deny the first amended and restated redevelopment agreement ordinance.

Recommendation

This amended and restated agreement will allow the project to continue and will advance the commercial reactivation of this long vacant and deteriorated property in TIF District #1.

Staff recommends that the City Council approve the attached ordinance approving a first amended and restated redevelopment agreement ordinance with Cake Design Development.

- (2) The Developer shall have provided evidence, in a commercially reasonable form satisfactory to the City, of its ability to pay for the costs of Phase I of the Project, as itemized in the Project Budget;

- (4) The Developer shall have obtained approval of Phase I of the Project in accordance with all applicable laws, codes, rules, regulations and ordinances of the City, including without limitation all applicable subdivision, zoning, environmental, building code or any other land use regulations (collectively, the “**City Codes**”), including the issuance of all required permits, it being understood that the City in its capacity as a municipal corporation has discretion to approve the Project.

Section 3.2. Reasonable Efforts and Notice of Termination. The Developer shall use due diligence to timely satisfy the conditions set forth in Section 3.1 above on or before the applicable Project Commencement Date in connection with Phase I of the Project, but if such conditions are not so satisfied or waived by the City, then the City may terminate this Agreement by giving written notice thereof to the Developer. In the event of such termination, this Agreement shall be deemed null and void and of no force or effect and neither the City nor the Developer shall have any obligation or liability with respect thereto.

ARTICLE IV
CITY'S COVENANTS AND AGREEMENTS

Section 4.1. City's TIF Funded Financial Obligations. The City shall have the obligations set forth in this Section 4.1 relative to financing Eligible Redevelopment Project Costs in connection with the Project. Upon the submission to the City by the Developer of a Requisition for Eligible Redevelopment Project Costs incurred and paid and the approval thereof by the City in accordance with Article VI of this Agreement, the City, subject to the terms, conditions and limitation set forth in this Section 4.1 immediately below, agrees to reimburse the Developer, or to pay as directed by the Developer, from the Fund the **Reimbursement Amounts** related to Project at the Property as follows:

- (a) **Phase I Financing.** As work in connection with Phase I of the Project progresses, the City shall pay or reimburse the Developer periodic amounts equal to Eligible Redevelopment Costs attributable to Phase I of the Project up to a maximum of One Hundred Forty-Five Thousand Dollars (\$145,000.00). Such payments or reimbursements shall be paid in accordance with Section 6.3(a) of this Agreement.
- (b) **Phase II Financing.** Upon the substantial completion of Phase II of the Project as evidenced by the issuance by the City of a certificate of occupancy for Phase II of the Project, the City shall pay or reimburse the Developer an amount equal to twenty-five percent (25%) of the Eligible Redevelopment Costs attributable to Phase II of the Project up to a maximum of Thirty Thousand Dollars (\$30,000). Such payment or reimbursement shall be paid in accordance with Section 6.3(b) of this Agreement.

Section 4.2. Defense of Redevelopment Project Area. In the event that any court or governmental agency having jurisdiction over enforcement of the TIF Act and the subject matter contemplated by this Agreement shall determine that this Agreement, including the payment of the Reimbursement Amounts to be paid or reimbursed by the City is contrary to law, or in the event that the legitimacy of the Redevelopment Project Area is otherwise challenged before a court or governmental agency having jurisdiction thereof, the City will defend the integrity of the Redevelopment Project Area and this Agreement.

ARTICLE V
DEVELOPER'S COVENANTS

Section 5.1. Commitment to Undertake and Complete Phase I and Phase II of the Project. The Developer covenants and agrees to commence Phase I and Phase II of the Project on or before each of the applicable Project Commencement Dates for Phase I and Phase II of the Project and to have Phase II of the Project completed on or before the Completion Date. It is expressly understood by and between the Developer and the City that Phase III of the Project shall be commenced and completed, if at all, in the sole discretion of the Developer, and then only in the event that the Developer and the City are able to agree on such terms and conditions as may include further tax increment incentives from the City for such Phase III of the Project. The Developer recognizes and agrees that the City has sole discretion with regard to all approvals and permits relating to Phase I and Phase II of the Project, including but not limited to approval of any required permits and any failure on the part of the City to grant or issue any such required permit shall not

give rise to any claim against or liability of the City pursuant to this Agreement. The City agrees, however, that any such approvals shall be made in conformance with the City Codes and shall not be unreasonably denied, withheld, conditioned or delayed.

Section 5.2. Compliance with Agreement and Laws During Project. The Developer shall at all times undertake the Project, including any related activities in connection therewith, in conformance with this Agreement and all applicable City Codes, and, to the extent applicable, if at all, the Prevailing Wage Act (820 ILCS 130/0.01 et seq.) of the State of Illinois. Any agreement of the Developer related to the Project with any contractor, subcontractor or supplier shall, to the extent applicable, contain provisions substantially similar to those required of the Developer under this Agreement.

Section 5.3. Continuing Compliance with Laws. The Developer agrees that in the continued use, occupation, operation and maintenance of the Property, the Developer will comply with all applicable federal and state laws, rules, regulations and all applicable City Codes and other ordinances.

Section 5.4. Tax and Related Payment Obligations. The Developer agrees to pay and discharge, promptly and when the same shall become due, all general ad valorem real estate taxes and assessments, all applicable interest and penalties thereon, and all other charges and impositions of every kind and nature which may be levied, assessed, charged or imposed upon the Property or any part thereof that at any time shall become due and payable upon or with respect to, or which shall become liens upon, any part of the Property. The Developer, including any others claiming by or through it, also hereby covenants and agrees not to file any application for property tax exemption for any part of the Property under any applicable provisions of the Property Tax Code of the State of Illinois (35 ILCS 200/1-1 et seq.), as supplemented and amended, unless the City and the Developer shall otherwise have first entered into a mutually acceptable agreement under and by which the Developer shall have agreed to make a payment in lieu of taxes to the City, it being mutually acknowledged and understood by both the City and the Developer that any such payment of taxes (or payment in lieu thereof) by the Developer is a material part of the consideration under and by which the City has entered into this Agreement. This covenant of the Developer shall be a covenant that runs with the land being the Property upon which the Project is undertaken and shall be in full force and effect until December 31, 2040, upon which date this covenant shall terminate and be of no further force or effect (and shall cease as a covenant binding upon or running with the land) immediately, and without the necessity of any further action by City or Developer or any other party; provided, however, upon request of any party in title to the Property, the City shall execute and deliver to such party an instrument, in recordable form, confirming for the record that this covenant has terminated and is no longer in effect. Nothing contained within this Section 5.4 shall be construed, however, to prohibit the Developer from initiating and prosecuting at its own cost and expense any proceedings permitted by law for the purpose of contesting the validity or amount of taxes, assessments, charges or other impositions levied or imposed upon the Property or any part thereof, provided that the Developer shall first have given to the City written notice of its intent to do so at least forty-five (45) days prior to initiating any such proceedings.

ARTICLE VI
PAYMENT PROCEDURES FOR ELIGIBLE REDEVELOPMENT PROJECT COSTS

Section 6.1. Payment Procedures. The City and the Developer agree that the Eligible Redevelopment Project Costs constituting the Reimbursement Amounts shall be paid solely, and to the extent available, from Incremental Property Taxes that are deposited in the Fund and not otherwise. The City and the Developer intend and agree that the Reimbursement Amounts shall be disbursed by the City Comptroller for payment to the Developer in accordance with the procedures set forth in this Section 6.1 of this Agreement.

The City hereby designates the City Comptroller as its representative to coordinate the authorization of disbursement of the Reimbursement Amounts for the Eligible Redevelopment Project Costs. Payments to the Developer of the Reimbursement Amounts for Eligible Redevelopment Project Costs shall be made upon request therefor, in form reasonably acceptable to the City (each being a “**Requisition**”) submitted by the Developer upon completion of the Eligible Redevelopment Project Costs which have been incurred and paid. Each such Requisition shall be accompanied by appropriately supporting documentation, including, as applicable, receipts for paid bills or statements of suppliers, contractors or professionals, together with required contractors’ affidavits or lien waivers. Each such Requisition shall be submitted to the City by the Developer, if at all, no later than 90 days after the Completion Date. In no event shall the City have any obligation to pay or reimburse any amount included in any such Requisition submitted after such 90 days from the Completion Date.

Section 6.2. Approval and Resubmission of Requisitions. The City Comptroller shall give the Developer written notice disapproving any of the Requisitions within ten (10) days after receipt thereof. No such approval shall be denied except on the basis that (i) all or some part of the Requisition does not constitute Eligible Redevelopment Project Costs or has not otherwise been sufficiently documented as specified herein; (ii) any subsequent amendment of the TIF Act or any subsequent decision of a court of competent jurisdiction makes any such payment to not be authorized; or (iii) a “Default” under Section 7.1 of this Agreement by the Developer has occurred and is continuing.. If a Requisition is disapproved by such City Comptroller, the reasons for disallowance will be set forth in writing and the Developer may resubmit any such Requisition with such additional documentation or verification as may be required, if that is the basis for denial. The same procedures set forth herein applicable to disapproval shall apply to such resubmittals.

Section 6.3. Time of Payment. Provided that performance of this Agreement has not been suspended or terminated by the City under Article VII hereof, the City shall pay:

(a) **Phase I Payment.** Any Reimbursement Amounts attributable to Phase I of the Project which is approved by any one or more Requisitions under this Article to the Developer shall be paid within thirty (30) calendar days after the date of the approval of any such Requisitions but not more frequently than once every fourteen (14) days; and

(b) **Phase II Payment.** The Reimbursement Amount attributable to Phase II of the Project which is approved by any one or more Requisitions under this Article to the Developer shall be paid within thirty (30) calendar days after: (i) the date of the approval of the last of any such Requisitions; or (ii) the date of substantial completion of Phase II of the Project as provided in Section 4.1(b) of this Agreement, whichever date in clause (i) or clause (ii) is later.

ARTICLE VII
DEFAULTS AND REMEDIES

Section 7.1. Events of Default. The occurrence of any one or more of the events specified in this Section 7.1 shall constitute a “**Default**” under this Agreement.

By the Developer:

(1) The furnishing or making by or on behalf of the Developer of any statement or representation in connection with or under this Agreement that is false or misleading in any material respect;

(2) The failure by the Developer to timely perform any term, obligation, covenant or condition contained in this Agreement;

By the City:

(1) The failure by the City to pay any of the Reimbursement Amounts which become due and payable in accordance with the provisions of this Agreement; and

(2) The failure by the City to timely perform any other term, obligation, covenant or condition contained in this Agreement.

Section 7.2. Rights to Cure. The party claiming a Default under Section 7.1 of this Agreement (the “**Non-Defaulting Party**”) shall give written notice of the alleged Default to the other party (the “**Defaulting Party**”) specifying the Default complained of. Except as required to protect against immediate, irreparable harm, the Non-Defaulting Party may not institute proceedings or otherwise exercise any right or remedy against the Defaulting Party until thirty (30) days after having given such notice, provided that in the event a Default is of such nature that it will take more than thirty (30) days to cure or remedy, such Defaulting Party shall have an additional period of time reasonably necessary to cure or remedy such Default provided that such Defaulting Party promptly commences and diligently pursues such cure or remedy. During any such period following the giving of notice, the Non-Defaulting party may suspend performance under this Agreement until the Non-Defaulting Party receives written assurances from the Defaulting Party, deemed reasonably adequate by the Non-Defaulting Party, that the Defaulting Party will cure or remedy the Default and remain in compliance with its obligations under this Agreement. A Default not cured or remedied or otherwise commenced and diligently pursued within thirty (30) days as provided above shall constitute a “**Breach**” under this Agreement. Except as otherwise expressly provided in this Agreement, any failure or delay by either party in asserting any of its rights or remedies as to any Default or any Breach shall not operate as a waiver of any such Default, Breach or of any other rights or remedies it may have as a result of such Default or Breach.

Section 7.3. Remedies. Upon the occurrence of an Breach under this Agreement by the Developer, the City shall have the right to terminate this Agreement by giving written notice to the Developer of such termination and the date such termination is effective. Except for such right of termination by the City, the only other remedy available to either party upon the occurrence of an Breach under this Agreement by the Defaulting Party shall be to institute such proceedings as may be necessary or desirable in its opinion to cure or remedy such Breach, including but not limited to proceedings to compel any legal action for specific performance or other appropriate equitable relief. Notwithstanding anything herein to the contrary, the sole remedy of the Developer upon the

occurrence of an Breach by the City under any of the terms and provisions of this Agreement shall be to institute legal action against the City for specific performance or other appropriate equitable relief and under no circumstances shall the City be liable to the Developer for any indirect, special, consequential or punitive damages, including without limitation, loss of profits or revenues, loss of business opportunity or production, cost of capital, claims by customers, fines or penalties, whether liability is based upon contract, warranty, negligence, strict liability or otherwise, under any of the provisions, terms and conditions of this Agreement. In the event that any failure of the City to pay any Reimbursement Amounts which become due and payable in accordance with the provisions hereof is due to insufficient Incremental Property Taxes being available to the City, any such failure shall not be deemed to be a Default or a Breach on the part of the City.

Section 7.4. Costs, Expenses and Fees. Upon the occurrence of a Default or an Breach which requires either party to undertake any action to enforce any provision of this Agreement, the Defaulting Party shall pay upon demand all of the Non-Defaulting Party's charges, costs and expenses, including the reasonable fees of attorneys, agents and others, as may be paid or incurred by such Non-Defaulting Party in enforcing any of the Defaulting Party's obligations under this Agreement or in any litigation, negotiation or transaction in connection with this Agreement in which the Defaulting Party causes the Non-Defaulting Party, without the Non-Defaulting Party's fault, to become involved or concerned.

Notwithstanding anything herein to the contrary, the City, its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable to the Developer for damages of any kind or nature whatsoever or otherwise in the event that all or any part of the TIF Act, or any of the TIF Ordinances or other ordinances of the City adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, shall be declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof; provided that nothing in this Section 8.1 shall limit otherwise permissible claims by the Developer against the Fund or actions by the Developer seeking specific performance of this Agreement or other relevant contracts, if any, in the event of a Breach of this Agreement by the City.

Section 8.2. Damage, Injury or Death Resulting from Project. The Developer releases from and covenants and agrees that the City and its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors thereof against any loss or damage to property or any injury to or death of any person occurring at or about or resulting from the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or other acts or omissions of the City, its Corporate Authorities, officials, agents, employees or independent contractors that are contrary to the provisions of this Agreement.

Section 8.4. No Personal Liability. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its Corporate Authorities, officials, agents, employees or independent contractors in their individual capacities. No member of the Corporate Authorities, officials, agents, employees or independent contractors of the City shall be personally liable to the Developer **(i)** in the event of a Default or Breach by any party under this Agreement, or **(ii)** for the payment of any Reimbursement Amounts which may become due and payable under the terms of this Agreement.

Section 8.5. City Not Liable for Developer Obligations. Notwithstanding anything herein to the contrary, the City shall not be liable to the Developer for damages of any kind or nature whatsoever arising in any way from this Agreement, from any other obligation or agreement made in connection therewith or from any Default or Breach under this Agreement; provided that nothing in this Section 8.5 shall limit otherwise permissible claims by the Developer against the Fund or actions by the Developer seeking specific performance of this Agreement or other relevant contracts in the event of a Breach of this Agreement by the City.

Section 8.6. Actions or Obligations of Developer. The Developer agrees to indemnify, defend and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all suits, claims and cost of attorneys' fees, resulting from, arising out of, or in any way connected with **(i)** any of the Developer's obligations under or in connection with this Agreement, **(ii)** the Project, and **(iii)** the negligence or willful misconduct of the Developer, its officials, agents, employees or independent contractors in connection with the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or breach of this Agreement by the City, its Corporate Authorities, officials, agents, employees or independent contractors.

Section 8.7. Environmental Covenants. To the extent permitted by law, the Developer agrees to indemnify, defend, and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all claims, demands, costs, liabilities, damages or expenses, including attorneys' and consultants' fees, investigation and laboratory fees, court costs and litigation expenses, arising from: **(i)** any release or threat of a release, actual or alleged, of any hazardous substances, upon or about the Property or respecting any products or materials previously, now or thereafter located upon, delivered to or in transit to or from the Property regardless of whether such release or threat of release or alleged release or threat of release has occurred prior to the date hereof or hereafter occurs and regardless of whether such release occurs as a result of any act, omission, negligence or misconduct of the City or any third party or otherwise; **(ii)** (A) any violation now existing (actual or alleged) of, or any other liability under or in connection with, any environmental laws relating to or affecting the Property, or (B) any now existing or hereafter arising violation, actual or alleged, or any other liability, under or in connection with, any environmental laws relating to any products or materials previously, now or hereafter located upon, delivered to or in transit to or from the Property, regardless of whether such

violation or alleged violation or other liability is asserted or has occurred or arisen prior to the date hereof or hereafter is asserted or occurs or arises and regardless of whether such violation or alleged violation or other liability occurs or arises, as the result of any act, omission, negligence or misconduct of the City or any third party or otherwise; (iii) any assertion by any third party of any claims or demands for any loss or injury arising out of, relating to or in connection with any hazardous substances on or about or allegedly on or about the Property; or (iv) any breach, falsity or failure of any of the representations, warranties, covenants and agreements of the like. Section 8.8. Notification of Claims. Not later than thirty (30) days after the Developer becomes aware, by written or other overt communication, of any pending or threatened litigation, claim or assessment, the Developer will, if a claim in respect thereof is to be made against the Developer which affects any of the Developer's rights or obligations under this Agreement, notify the City of such pending or threatened litigation, claim or assessment, but any omission so to notify the City will not relieve the Developer from any liability which it may have to the City under this Agreement.

ARTICLE IX **MISCELLANEOUS PROVISIONS**

Section 9.1. Entire Agreement and Amendments. This Agreement (together with Exhibit A attached hereto) is the entire agreement between the City and the Developer relating to the subject matter hereof. This Agreement supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, and may not be modified or amended except by a written instrument executed by both of the parties.

Section 9.2. Third Parties. Nothing in this Agreement, whether expressed or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any other persons other than the City and the Developer and their respective successors and assigns, nor is anything in this Agreement intended to relieve or discharge any obligation or liability of any third persons to either the City or the Developer, nor shall any provision give any third parties any rights of subrogation or action over or against either the City or the Developer. This Agreement is not intended to and does not create any third party beneficiary rights whatsoever.

Section 9.3. Counterparts. Any number of counterparts of this Agreement may be executed and delivered and each shall be considered an original and together they shall constitute one agreement.

Section 9.4. Special and Limited Obligation. This Agreement shall constitute a special and limited obligation of the City according to the terms hereof. This Agreement shall never constitute a general obligation of the City to which its credit, resources or general taxing power are

pledged. The City pledges to the payment of its obligations under Section 4.1 hereof only such amount of the Incremental Property Taxes as is set forth in Section 4.1 hereof, if, as and when received, and not otherwise.

Section 9.5. Time and Force Majeure. Time is of the essence of this Agreement; provided, however, neither the Developer nor the City shall be deemed in Default with respect to any performance obligations under this Agreement on their respective parts to be performed if any such failure to timely perform is due in whole or in part to the following (which also constitute “unavoidable delays”): any strike, lock-out or other labor disturbance (whether legal or illegal, with respect to which the Developer, the City and others shall have no obligations hereunder to settle other than in their sole discretion and business judgment), civil disorder, inability to procure materials, weather conditions, wet soil conditions, failure or interruption of power, restrictive governmental laws and regulations, condemnation, riots, insurrections, acts of terrorism, war, fuel shortages, accidents, casualties, acts of God or third parties, or any other cause beyond the reasonable control of the Developer or the City.

Section 9.6. Waiver. Any party to this Agreement may elect to waive any right or remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless such waiver is in writing. No such waiver shall obligate the waiver of any other right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Agreement.

Section 9.7. Cooperation and Further Assurances. The City and the Developer covenant and agree that each will do, execute, acknowledge and deliver or cause to be done, executed and delivered, such agreements, instruments and documents supplemental hereto and such further acts, instruments, pledges and transfers as may be reasonably required for the better assuring, mortgaging, conveying, transferring, pledging, assigning and confirming unto the City or the Developer or other appropriate persons all and singular the rights, property and revenues covenanted, agreed, conveyed, assigned, transferred and pledged under or in respect of this Agreement.

Section 9.8. Notices and Communications. Whenever any party hereto is required to deliver notices, certificates, opinions, statements or other information hereunder, such party shall do so in such number of copies as shall be reasonably specified.

Section 9.9. Assignment. The Developer agrees that it shall not sell, assign or otherwise transfer any of its rights and obligations under this Agreement without the prior written consent of the City. Except as authorized in this Section above, any assignment in whole or in part shall be void and shall, at the option of the City, terminate this Agreement. No such sale, assignment or transfer as authorized in this Section, including any with the City's prior written consent, shall be effective or binding on the City, however, unless and until the Developer delivers to the City a duly authorized, executed and delivered instrument which contains any such sale, assignment or transfer and the assumption of all the applicable covenants, agreements, terms and provisions of this Agreement by the applicable parties thereto.

Section 9.10. Successors in Interest. Subject to Section 9.9 above, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respectively authorized successors, assigns and legal representatives (including successor Corporate Authorities).

Section 9.11. No Joint Venture, Agency, or Partnership Created. Nothing in this Agreement nor any actions of either of the City or the Developer shall be construed by either of the City, the Developer or any third party to create the relationship of a partnership, agency, or joint venture between or among the City and any party being the Developer.

Section 9.12. Illinois Law; Venue. This Agreement shall be construed and interpreted under the laws of the State of Illinois. If any action or proceeding is commenced by any party to enforce any of the provisions of this Agreement, the venue for any such action or proceeding shall be in Champaign County, Illinois.

Section 9.13. Term. Unless earlier terminated pursuant to the terms hereof, this Agreement shall be and remain in full force and effect from and after the Effective Date and shall terminate upon the date that the last of the Reimbursement Amounts then due and payable is paid to the Developer in accordance with Section 6.3 of this Agreement, provided, however, that anything to the contrary notwithstanding, the Developer's obligations under Section 5.4 and Article VIII of this Agreement shall be and remain in full force and effect in accordance with the express provisions thereof.

South Wall Condition Investigation
Cho Building, 204 West Main Street, Urbana
By: John Fraenhoffer, PE, SE

Purpose

Demolition is progressing with the intention of creating an exterior courtyard from the west building, leaving the south wall freestanding. Recent observations of the south wall revealed out-of-plane bowing of the second story. To facilitate more complete observations, Franzen Construction has removed ceiling material, exposing the structural framing of the roof and the interior brick wythe. This report documents the existing conditions, analyzes the structural stability of the existing structure, and presents recommendations for the modified structure.

Photograph #2: The second story wall is bowed.

Bowing has occurred in the second story wall. The causes are the lack of positive attachment to the roof diaphragm and roof leakage, concentrated in the southwest corner. The roof drains east to west and lack of roof and roof flashing maintenance has caused deterioration. The mortar condition is poor and lacks adhesion to the brick. Some mortar joints have voids.

Opinions

In my professional opinion, the second story south brick wall has suffered deterioration, is no longer plumb, and will not be stable when the roof diaphragm is removed. My opinion is based upon the following:

1. There is evidence of horizontal bowing, partially caused by long-term roof leakage and lack of positive connection to the roof diaphragm. These conditions render the front wall susceptible to collapse due to wind suction pressures.
2. The interior wythe has suffered water penetration, and the mortar is soft and has lost brick adhesion, critical to wall stability.
3. Some of the brick joints are no longer fully mortared.

In my professional opinion, the south wall requires removal and will likely suffer partial collapses during demolition. Care must be taken to minimize the amount of falling brick. Pedestrian and automobile protection is necessary.

Section 2.1. Representations and Warranties of the City. In order to induce the Developer to enter into this Agreement, the City hereby makes certain representations and warranties to the Developer, as follows:

(a) **Organization and Standing.** The City is a home rule municipality duly organized, validly existing and in good standing under the Constitution and laws of the State of Illinois.

(b) **Power and Authority.** The City has full power and authority to execute and deliver this Agreement and to perform all of its agreements, obligations and undertakings hereunder.

(c) **Authorization and Enforceability.** The execution, delivery and performance of this Agreement have been duly and validly authorized by all necessary action on the part of the City’s Corporate Authorities. This Agreement is a legal, valid and binding obligation of the City, enforceable against the City in accordance with its terms, except to the extent that any and all financial obligations of the City under this Agreement shall be limited to the availability of such

Incremental Property Taxes therefor as may be specified in this Agreement and that such enforceability may be further limited by laws, rulings and decisions affecting remedies, and by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforceability of debtors' or creditors' rights, and by equitable principles.

(d) No Violation. Neither the execution nor the delivery of this Agreement or the performance of the City's agreements, obligations and undertakings hereunder will conflict with, violate or result in a breach of any of the terms, conditions, or provisions of any agreement, rule, regulation, statute, ordinance, judgment, decree, or other law by which the City may be bound.

(e) Governmental Consents and Approvals. No consent or approval by any governmental authority is required in connection with the execution and delivery by the City of this Agreement or the performance by the City of its obligations hereunder.

Section 2.2. Representations and Warranties of the Developer. In order to induce the City to enter into this Agreement, the Developer makes the following representations and warranties to the City:

(a) Organization. The Developer is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of Illinois.

(b) Power and Authority. The Developer has full power and authority to execute and deliver this Agreement and to perform all of its agreements, obligations and undertakings hereunder.

(c) Authorization and Enforceability. The execution, delivery and performance of this Agreement have been duly and validly authorized by all necessary action on the part of the Developer's manager. This Agreement is a legal, valid and binding agreement, obligation and undertaking of the Developer, enforceable against the Developer in accordance with its terms, except to the extent that such enforceability may be limited by laws, rulings and decisions affecting remedies, and by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforceability of debtors' or creditors' rights, and by equitable principles.

(d) No Violation. Neither the execution nor the delivery or performance of this Agreement will conflict with, violate or result in a breach of any of the terms, conditions, or provisions of, or constitute a default under, or (with or without the giving of notice or the passage of time or both) entitle any party to terminate or declare a default under any contract, agreement, lease, license or instrument or any rule, regulation, statute, ordinance, judicial decision, judgment, decree or other law to which the Developer is a party or by which the Developer or any of its assets may be bound.

(e) Consents and Approvals. No consent or approval by any governmental authority or by any other person or entity is required in connection with the execution and delivery by the Developer of this Agreement or the performance by the Developer of its obligations hereunder.

(f) No Proceedings or Judgments. There is no claim, action or proceeding now pending, or to the best of its knowledge, threatened, before any court, administrative or regulatory body, or governmental agency (1) to which the Developer is a party and (2) which will, or could, prevent the

Developer's performance of its obligations under this Agreement.

(g) **Maintenance of Existence.** During the term of this Agreement, the Developer shall do or cause to be done all things necessary to preserve and keep in full force and effect its existence as an Illinois limited liability company.

Section 2.3. Disclaimer of Warranties. The City and the Developer acknowledge that neither has made any warranties to the other except as set forth in this Agreement. The City hereby disclaims any and all warranties with respect to the Property and the Project, express or implied, including, without limitation, any implied warranty of fitness for a particular purpose or merchantability or sufficiency of the Incremental Property Taxes for the purposes of this Agreement. Nothing has come to the attention of the Developer to question the assumptions or conclusions or other terms and provisions of any projections of Incremental Property Taxes, and the Developer assumes all risks in connection with the practical realization of any such projections of Incremental Property Taxes.

ARTICLE III
CONDITIONS PRECEDENT TO THE UNDERTAKINGS
ON THE PART OF THE DEVELOPER AND THE CITY

Section 3.1. Conditions Precedent. The undertakings on the part of the City as set forth in this Agreement are expressly contingent upon each of the following:

- (1) The Developer shall have delivered to the City an itemized list of any and all estimated costs to complete Phase I of the Project (the "**Project Budget**") in accordance with such final development plans as may be approved by the City;
- (2) The Developer shall have provided evidence, in a commercially reasonable form satisfactory to the City, of its ability to pay for the costs of Phase I of the Project, as itemized in the Project Budget;
- (3) The Developer shall have delivered to the City a construction schedule for the completion of Phase I and Phase II of the Project which shall include the Completion Date; and
- (4) The Developer shall have obtained approval of Phase I of the Project in accordance with all applicable laws, codes, rules, regulations and ordinances of the City, including without limitation all applicable subdivision, zoning, environmental, building code or any other land use regulations (collectively, the "**City Codes**"), including the issuance of all required permits, it being understood that the City in its capacity as a municipal corporation has discretion to approve the Project.

Section 3.2. Reasonable Efforts and Notice of Termination. The Developer shall use due diligence to timely satisfy the conditions set forth in Section 3.1 above on or before the applicable Project Commencement Date in connection with Phase I of the Project, but if such conditions are not so satisfied or waived by the City, then the City may terminate this Agreement by giving written notice thereof to the Developer. In the event of such termination, this Agreement shall be deemed

null and void and of no force or effect and neither the City nor the Developer shall have any obligation or liability with respect thereto.

ARTICLE IV
CITY'S COVENANTS AND AGREEMENTS

Section 4.1. City's TIF Funded Financial Obligations. The City shall have the obligations set forth in this Section 4.1 relative to financing Eligible Redevelopment Project Costs in connection with the Project. Upon the submission to the City by the Developer of a Requisition for Eligible Redevelopment Project Costs incurred and paid and the approval thereof by the City in accordance with Article VI of this Agreement, the City, subject to the terms, conditions and limitation set forth in this Section 4.1 immediately below, agrees to reimburse the Developer, or to pay as directed by the Developer, from the Fund the **Reimbursement Amounts** related to Project at the Property as follows:

- (a) **Phase I Financing.** As work in connection with Phase I of the Project progresses, the City shall pay or reimburse the Developer periodic amounts equal to Eligible Redevelopment Costs attributable to Phase I of the Project up to a maximum of One Hundred Forty-Five Thousand Dollars (\$145,000.00). Such payments or reimbursements shall be paid in accordance with Section 6.3(a) of this Agreement.
- (b) **Phase II Financing.** Upon the substantial completion of Phase II of the Project as evidenced by the issuance by the City of a certificate of occupancy for Phase II of the Project, the City shall pay or reimburse the Developer an amount equal to twenty-five percent (25%) of the Eligible Redevelopment Costs attributable to Phase II of the Project up to a maximum of Thirty Thousand Dollars (\$30,000). Such payment or reimbursement shall be paid in accordance with Section 6.3(b) of this Agreement.

Section 4.2. Defense of Redevelopment Project Area. In the event that any court or governmental agency having jurisdiction over enforcement of the TIF Act and the subject matter contemplated by this Agreement shall determine that this Agreement, including the payment of the Reimbursement Amounts to be paid or reimbursed by the City is contrary to law, or in the event that the legitimacy of the Redevelopment Project Area is otherwise challenged before a court or governmental agency having jurisdiction thereof, the City will defend the integrity of the Redevelopment Project Area and this Agreement.

ARTICLE V
DEVELOPER'S COVENANTS

Section 5.1. Commitment to Undertake and Complete Phase I and Phase II of the Project. The Developer covenants and agrees to commence Phase I and Phase II of the Project on or before each of the applicable Project Commencement Dates for Phase I and Phase II of the Project and to have Phase II of the Project completed on or before the Completion Date. It is expressly understood by and between the Developer and the City that Phase III of the Project shall be commenced and completed, if at all, in the sole discretion of the Developer, and then only in the event that the Developer and the City are able to agree on such terms and conditions as may include

further tax increment incentives from the City for such Phase III of the Project. The Developer recognizes and agrees that the City has sole discretion with regard to all approvals and permits relating to Phase I and Phase II of the Project, including but not limited to approval of any required permits and any failure on the part of the City to grant or issue any such required permit shall not give rise to any claim against or liability of the City pursuant to this Agreement. The City agrees, however, that any such approvals shall be made in conformance with the City Codes and shall not be unreasonably denied, withheld, conditioned or delayed.

Section 5.2. Compliance with Agreement and Laws During Project. The Developer shall at all times undertake the Project, including any related activities in connection therewith, in conformance with this Agreement and all applicable City Codes, and, to the extent applicable, if at all, the Prevailing Wage Act (820 ILCS 130/0.01 et seq.) of the State of Illinois. Any agreement of the Developer related to the Project with any contractor, subcontractor or supplier shall, to the extent applicable, contain provisions substantially similar to those required of the Developer under this Agreement.

Section 5.3. Continuing Compliance with Laws. The Developer agrees that in the continued use, occupation, operation and maintenance of the Property, the Developer will comply with all applicable federal and state laws, rules, regulations and all applicable City Codes and other ordinances.

Section 5.4. Tax and Related Payment Obligations. The Developer agrees to pay and discharge, promptly and when the same shall become due, all general ad valorem real estate taxes and assessments, all applicable interest and penalties thereon, and all other charges and impositions of every kind and nature which may be levied, assessed, charged or imposed upon the Property or any part thereof that at any time shall become due and payable upon or with respect to, or which shall become liens upon, any part of the Property. The Developer, including any others claiming by or through it, also hereby covenants and agrees not to file any application for property tax exemption for any part of the Property under any applicable provisions of the Property Tax Code of the State of Illinois (35 ILCS 200/1-1 et seq.), as supplemented and amended, unless the City and the Developer shall otherwise have first entered into a mutually acceptable agreement under and by which the Developer shall have agreed to make a payment in lieu of taxes to the City, it being mutually acknowledged and understood by both the City and the Developer that any such payment of taxes (or payment in lieu thereof) by the Developer is a material part of the consideration under and by which the City has entered into this Agreement. This covenant of the Developer shall be a covenant that runs with the land being the Property upon which the Project is undertaken and shall be in full force and effect until December 31, ~~2039~~2040, upon which date this covenant shall terminate and be of no further force or effect (and shall cease as a covenant binding upon or running with the land) immediately, and without the necessity of any further action by City or Developer or any other party; provided, however, upon request of any party in title to the Property, the City shall execute and deliver to such party an instrument, in recordable form, confirming for the record that this covenant has terminated and is no longer in effect. Nothing contained within this Section 5.4 shall be construed, however, to prohibit the Developer from initiating and prosecuting at its own cost and expense any proceedings permitted by law for the purpose of contesting the validity or amount of taxes, assessments, charges or other impositions levied or imposed upon the Property or any part thereof, provided that the Developer shall first have given to the City written notice of its intent to do so at least forty-five (45) days prior to initiating any such proceedings.

ARTICLE VI
PAYMENT PROCEDURES FOR ELIGIBLE REDEVELOPMENT PROJECT COSTS

Section 6.1. Payment Procedures. The City and the Developer agree that the Eligible Redevelopment Project Costs constituting the Reimbursement Amounts shall be paid solely, and to the extent available, from Incremental Property Taxes that are deposited in the Fund and not otherwise. The City and the Developer intend and agree that the Reimbursement Amounts shall be disbursed by the City Comptroller for payment to the Developer in accordance with the procedures set forth in this Section 6.1 of this Agreement.

The City hereby designates the City Comptroller as its representative to coordinate the authorization of disbursement of the Reimbursement Amounts for the Eligible Redevelopment Project Costs. Payments to the Developer of the Reimbursement Amounts for Eligible Redevelopment Project Costs shall be made upon request therefor, in form reasonably acceptable to the City (each being a “**Requisition**”) submitted by the Developer upon completion of the Eligible Redevelopment Project Costs which have been incurred and paid. Each such Requisition shall be accompanied by appropriately supporting documentation, including, as applicable, receipts for paid bills or statements of suppliers, contractors or professionals, together with required contractors’ affidavits or lien waivers. Each such Requisition shall be submitted to the City by the Developer, if at all, no later than 90 days after the Completion Date. In no event shall the City have any obligation to pay or reimburse any amount included in any such Requisition submitted after such 90 days from the Completion Date.

Section 6.2. Approval and Resubmission of Requisitions. The City Comptroller shall give the Developer written notice disapproving any of the Requisitions within ten (10) days after receipt thereof. No such approval shall be denied except on the basis that (i) all or some part of the Requisition does not constitute Eligible Redevelopment Project Costs or has not otherwise been sufficiently documented as specified herein; (ii) any subsequent amendment of the TIF Act or any subsequent decision of a court of competent jurisdiction makes any such payment to not be authorized; or (iii) a “Default” under Section 7.1 of this Agreement by the Developer has occurred and is continuing. If a Requisition is disapproved by such City Comptroller, the reasons for disallowance will be set forth in writing and the Developer may resubmit any such Requisition with such additional documentation or verification as may be required, if that is the basis for denial. The same procedures set forth herein applicable to disapproval shall apply to such resubmittals.

Section 6.3. Time of Payment. Provided that performance of this Agreement has not been suspended or terminated by the City under Article VII hereof, the City shall pay:

(a) **Phase I Payment.** Any Reimbursement Amounts attributable to Phase I of the Project which is approved by any one or more Requisitions under this Article to the Developer shall be paid within thirty (30) calendar days after the date of the approval of any such Requisitions but not more frequently than once every fourteen (14) days; and

(b) **Phase II Payment.** The Reimbursement Amount attributable to Phase II of the Project which is approved by any one or more Requisitions under this Article to the Developer shall be paid within thirty (30) calendar days after: (i) the date of the approval of the last of any such

Requisitions; or (ii) the date of substantial completion of Phase II of the Project as provided in Section 4.1(b) of this Agreement, whichever date in clause (i) or clause (ii) is later.

ARTICLE VII
DEFAULTS AND REMEDIES

Section 7.1. Events of Default. The occurrence of any one or more of the events specified in this Section 7.1 shall constitute a “**Default**” under this Agreement.

By the Developer:

(1) The furnishing or making by or on behalf of the Developer of any statement or representation in connection with or under this Agreement that is false or misleading in any material respect;

(2) The failure by the Developer to timely perform any term, obligation, covenant or condition contained in this Agreement;

By the City:

(1) The failure by the City to pay any of the Reimbursement Amounts which become due and payable in accordance with the provisions of this Agreement; and

(2) The failure by the City to timely perform any other term, obligation, covenant or condition contained in this Agreement.

Section 7.2. Rights to Cure. The party claiming a Default under Section 7.1 of this Agreement (the “**Non-Defaulting Party**”) shall give written notice of the alleged Default to the other party (the “**Defaulting Party**”) specifying the Default complained of. Except as required to protect against immediate, irreparable harm, the Non-Defaulting Party may not institute proceedings or otherwise exercise any right or remedy against the Defaulting Party until thirty (30) days after having given such notice, provided that in the event a Default is of such nature that it will take more than thirty (30) days to cure or remedy, such Defaulting Party shall have an additional period of time reasonably necessary to cure or remedy such Default provided that such Defaulting Party promptly commences and diligently pursues such cure or remedy. During any such period following the giving of notice, the Non-Defaulting party may suspend performance under this Agreement until the Non-Defaulting Party receives written assurances from the Defaulting Party, deemed reasonably adequate by the Non-Defaulting Party, that the Defaulting Party will cure or remedy the Default and remain in compliance with its obligations under this Agreement. A Default not cured or remedied or otherwise commenced and diligently pursued within thirty (30) days as provided above shall constitute a “**Breach**” under this Agreement. Except as otherwise expressly provided in this Agreement, any failure or delay by either party in asserting any of its rights or remedies as to any Default or any Breach shall not operate as a waiver of any such Default, Breach or of any other rights or remedies it may have as a result of such Default or Breach.

Section 7.3. Remedies. Upon the occurrence of an Breach under this Agreement by the Developer, the City shall have the right to terminate this Agreement by giving written notice to the Developer of such termination and the date such termination is effective. Except for such right of termination by the City, the only other remedy available to either party upon the occurrence of an

Breach under this Agreement by the Defaulting Party shall be to institute such proceedings as may be necessary or desirable in its opinion to cure or remedy such Breach, including but not limited to proceedings to compel any legal action for specific performance or other appropriate equitable relief. Notwithstanding anything herein to the contrary, the sole remedy of the Developer upon the occurrence of an Breach by the City under any of the terms and provisions of this Agreement shall be to institute legal action against the City for specific performance or other appropriate equitable relief and under no circumstances shall the City be liable to the Developer for any indirect, special, consequential or punitive damages, including without limitation, loss of profits or revenues, loss of business opportunity or production, cost of capital, claims by customers, fines or penalties, whether liability is based upon contract, warranty, negligence, strict liability or otherwise, under any of the provisions, terms and conditions of this Agreement. In the event that any failure of the City to pay any Reimbursement Amounts which become due and payable in accordance with the provisions hereof is due to insufficient Incremental Property Taxes being available to the City, any such failure shall not be deemed to be a Default or a Breach on the part of the City.

Section 7.4. Costs, Expenses and Fees. Upon the occurrence of a Default or an Breach which requires either party to undertake any action to enforce any provision of this Agreement, the Defaulting Party shall pay upon demand all of the Non-Defaulting Party's charges, costs and expenses, including the reasonable fees of attorneys, agents and others, as may be paid or incurred by such Non-Defaulting Party in enforcing any of the Defaulting Party's obligations under this Agreement or in any litigation, negotiation or transaction in connection with this Agreement in which the Defaulting Party causes the Non-Defaulting Party, without the Non-Defaulting Party's fault, to become involved or concerned.

ARTICLE VIII

RELEASE, DEFENSE AND INDEMNIFICATION OF CITY

Section 8.1. Declaration of Invalidity. Notwithstanding anything herein to the contrary, the City, its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable to the Developer for damages of any kind or nature whatsoever or otherwise in the event that all or any part of the TIF Act, or any of the TIF Ordinances or other ordinances of the City adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, shall be declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof; provided that nothing in this Section 8.1 shall limit otherwise permissible claims by the Developer against the Fund or actions by the Developer seeking specific performance of this Agreement or other relevant contracts, if any, in the event of a Breach of this Agreement by the City.

Section 8.2. Damage, Injury or Death Resulting from Project. The Developer releases from and covenants and agrees that the City and its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors thereof against any loss or damage to property or any injury to or death of any person occurring at or about or resulting from the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or other acts or omissions of the City, its Corporate Authorities, officials, agents, employees or independent contractors that are contrary to the

provisions of this Agreement.

Section 8.3. Damage or Injury to Developer and Others. The City and its Corporate Authorities, officials, agents, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or any of its officers, agents, independent contractors or employees or of any other person who may be about the Property or the Project due to any act of negligence of any person, except as such may be caused by the intentional misconduct, gross negligence, or acts or omissions of the City, its Corporate Authorities, officials, agents, employees, or independent contractors that are contrary to the provisions of this Agreement.

Section 8.4. No Personal Liability. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its Corporate Authorities, officials, agents, employees or independent contractors in their individual capacities. No member of the Corporate Authorities, officials, agents, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a Default or Breach by any party under this Agreement, or (ii) for the payment of any Reimbursement Amounts which may become due and payable under the terms of this Agreement.

Section 8.5. City Not Liable for Developer Obligations. Notwithstanding anything herein to the contrary, the City shall not be liable to the Developer for damages of any kind or nature whatsoever arising in any way from this Agreement, from any other obligation or agreement made in connection therewith or from any Default or Breach under this Agreement; provided that nothing in this Section 8.5 shall limit otherwise permissible claims by the Developer against the Fund or actions by the Developer seeking specific performance of this Agreement or other relevant contracts in the event of a Breach of this Agreement by the City.

Section 8.6. Actions or Obligations of Developer. The Developer agrees to indemnify, defend and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all suits, claims and cost of attorneys' fees, resulting from, arising out of, or in any way connected with (i) any of the Developer's obligations under or in connection with this Agreement, (ii) the Project, and (iii) the negligence or willful misconduct of the Developer, its officials, agents, employees or independent contractors in connection with the Project, except as such may be caused by the intentional conduct, gross negligence, negligence or breach of this Agreement by the City, its Corporate Authorities, officials, agents, employees or independent contractors.

Section 8.7. Environmental Covenants. To the extent permitted by law, the Developer agrees to indemnify, defend, and hold harmless the City, its Corporate Authorities, officials, agents, employees and independent contractors, from and against any and all claims, demands, costs, liabilities, damages or expenses, including attorneys' and consultants' fees, investigation and laboratory fees, court costs and litigation expenses, arising from: (i) any release or threat of a release, actual or alleged, of any hazardous substances, upon or about the Property or respecting any products or materials previously, now or thereafter located upon, delivered to or in transit to or from the Property regardless of whether such release or threat of release or alleged release or threat of release has occurred prior to the date hereof or hereafter occurs and regardless of whether such release occurs as a result of any act, omission, negligence or misconduct of the City or any third party or otherwise; (ii) (A) any violation now existing (actual or alleged) of, or any other liability

under or in connection with, any environmental laws relating to or affecting the Property, or (B) any now existing or hereafter arising violation, actual or alleged, or any other liability, under or in connection with, any environmental laws relating to any products or materials previously, now or hereafter located upon, delivered to or in transit to or from the Property, regardless of whether such violation or alleged violation or other liability is asserted or has occurred or arisen prior to the date hereof or hereafter is asserted or occurs or arises and regardless of whether such violation or alleged violation or other liability occurs or arises, as the result of any act, omission, negligence or misconduct of the City or any third party or otherwise; (iii) any assertion by any third party of any claims or demands for any loss or injury arising out of, relating to or in connection with any hazardous substances on or about or allegedly on or about the Property; or (iv) any breach, falsity or failure of any of the representations, warranties, covenants and agreements of the like. For purposes of this paragraph, "hazardous materials" includes, without limit, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances, or related materials defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. §§ 9601 et seq.), the Hazardous Materials Transportation Act, as amended (49 U.S.C. §§ 1801 et seq.), the Resource Conservation and Recovery Act, as amended (42 U.S.C. §§ 9601 et seq.), and in the regulations adopted and publications promulgated pursuant thereto, or any other federal, state or local environmental law, ordinance, rule, or regulation.

Section 8.8. Notification of Claims. Not later than thirty (30) days after the Developer becomes aware, by written or other overt communication, of any pending or threatened litigation, claim or assessment, the Developer will, if a claim in respect thereof is to be made against the Developer which affects any of the Developer's rights or obligations under this Agreement, notify the City of such pending or threatened litigation, claim or assessment, but any omission so to notify the City will not relieve the Developer from any liability which it may have to the City under this Agreement.

ARTICLE IX **MISCELLANEOUS PROVISIONS**

Section 9.1. Entire Agreement and Amendments. This Agreement (together with Exhibit A attached hereto) is the entire agreement between the City and the Developer relating to the subject matter hereof. This Agreement supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, and may not be modified or amended except by a written instrument executed by both of the parties.

Section 9.2. Third Parties. Nothing in this Agreement, whether expressed or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any other persons other than the City and the Developer and their respective successors and assigns, nor is anything in this Agreement intended to relieve or discharge any obligation or liability of any third persons to either the City or the Developer, nor shall any provision give any third parties any rights of subrogation or action over or against either the City or the Developer. This Agreement is not intended to and does not create any third party beneficiary rights whatsoever.

Section 9.3. Counterparts. Any number of counterparts of this Agreement may be executed and delivered and each shall be considered an original and together they shall constitute one agreement.

Section 9.4. Special and Limited Obligation. This Agreement shall constitute a special and limited obligation of the City according to the terms hereof. This Agreement shall never constitute a general obligation of the City to which its credit, resources or general taxing power are pledged. The City pledges to the payment of its obligations under Section 4.1 hereof only such amount of the Incremental Property Taxes as is set forth in Section 4.1 hereof, if, as and when received, and not otherwise.

Section 9.5. Time and Force Majeure. Time is of the essence of this Agreement; provided, however, neither the Developer nor the City shall be deemed in Default with respect to any performance obligations under this Agreement on their respective parts to be performed if any such failure to timely perform is due in whole or in part to the following (which also constitute “unavoidable delays”): any strike, lock-out or other labor disturbance (whether legal or illegal, with respect to which the Developer, the City and others shall have no obligations hereunder to settle other than in their sole discretion and business judgment), civil disorder, inability to procure materials, weather conditions, wet soil conditions, failure or interruption of power, restrictive governmental laws and regulations, condemnation, riots, insurrections, acts of terrorism, war, fuel shortages, accidents, casualties, acts of God or third parties, or any other cause beyond the reasonable control of the Developer or the City.

Section 9.6. Waiver. Any party to this Agreement may elect to waive any right or remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless such waiver is in writing. No such waiver shall obligate the waiver of any other right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Agreement.

Section 9.7. Cooperation and Further Assurances. The City and the Developer covenant and agree that each will do, execute, acknowledge and deliver or cause to be done, executed and delivered, such agreements, instruments and documents supplemental hereto and such further acts, instruments, pledges and transfers as may be reasonably required for the better assuring, mortgaging, conveying, transferring, pledging, assigning and confirming unto the City or the Developer or other appropriate persons all and singular the rights, property and revenues covenanted, agreed, conveyed, assigned, transferred and pledged under or in respect of this Agreement.

Section 9.8. Notices and Communications. All notices, demands, requests or other communications under or in respect of this Agreement shall be in writing and shall be deemed to have been given when the same are (a) deposited in the United States mail and sent by registered or certified mail, postage prepaid, return receipt requested, (b) personally delivered, (c) sent by a nationally recognized overnight courier, delivery charge prepaid or (d) transmitted by telephone facsimile, telephonically confirmed as actually received, in each case, to the City and the Developer at their respective addresses (or at such other address as each may designate by notice to the other), as follows:

Section 9.9. Assignment. The Developer agrees that it shall not sell, assign or otherwise transfer any of its rights and obligations under this Agreement without the prior written consent of the City. Except as authorized in this Section above, any assignment in whole or in part shall be void and shall, at the option of the City, terminate this Agreement. No such sale, assignment or transfer as authorized in this Section, including any with the City's prior written consent, shall be effective or binding on the City, however, unless and until the Developer delivers to the City a duly authorized, executed and delivered instrument which contains any such sale, assignment or transfer and the assumption of all the applicable covenants, agreements, terms and provisions of this Agreement by the applicable parties thereto.

Section 9.10. Successors in Interest. Subject to Section 9.9 above, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respectively authorized successors, assigns and legal representatives (including successor Corporate Authorities).

Section 9.11. No Joint Venture, Agency, or Partnership Created. Nothing in this Agreement nor any actions of either of the City or the Developer shall be construed by either of the City, the Developer or any third party to create the relationship of a partnership, agency, or joint venture between or among the City and any party being the Developer.

Section 9.12. Illinois Law; Venue. This Agreement shall be construed and interpreted under the laws of the State of Illinois. If any action or proceeding is commenced by any party to enforce any of the provisions of this Agreement, the venue for any such action or proceeding shall be in Champaign County, Illinois.

Section 9.13. Term. Unless earlier terminated pursuant to the terms hereof, this Agreement shall be and remain in full force and effect from and after the Effective Date and shall terminate upon the date that the last of the Reimbursement Amounts then due and payable is paid to the Developer in accordance with Section 6.3 of this Agreement, provided, however, that anything to the contrary notwithstanding, the Developer's obligations under Section 5.4 and Article VIII of this Agreement shall be and remain in full force and effect in accordance with the express provisions thereof.

Section 9.14. Recordation of Agreement. Either party may record this Agreement or a

Memorandum of this Agreement in the office of the Champaign County Recorder at any time following its execution and delivery by both parties.

Section 9.15. Construction of Agreement. This Agreement has been jointly negotiated by the parties and shall not be construed against a party because that party may have primarily assumed responsibility for preparation of this Agreement.
