

## Serve on the Urbana Sustainability Advisory Commission

Applications are being accepted from Urbana residents interested in serving on the Urbana Sustainability Advisory Commission. The Commission works with the Environmental Sustainability Manager to advise the Mayor and City Council on improving sustainability including renewable energy & energy efficiency, water conservation, recycling, composting, climate change and adaptation.

If you are interested in volunteering your time and want to be considered for appointment to this commission, please contact the Mayor's office for information at (217) 384-2456, or submit a Commission Application. The Commission meets at 7pm on the first Tuesday of every month at: Urbana City Building - Council Chambers 400 S. Vine St. Urbana, IL
