TO: Chief Administrative Officer  
FROM: City Comptroller  
RE: Property Tax Levy Ordinances  
DATE: October 19, 2001

I recommend City Council approve the attached three ordinances relating to the City's 2001 property tax levy. The tax levy must be filed with the County Clerk no later than the 2<sup>nd</sup> Tuesday of December:

- a) The first ordinance levies the property tax. The amount that was approved in the budget and is included in the ordinance is \$4,469,600. This amount will produce a levy rate of \$1.31, which is approximately 6 cents lower than last year. A property owner of a home valued at \$75,000 will pay to the City \$6.50 less than last year.
- b) The other 2 ordinances instruct the County Clerk not to collect certain levies that are already in place because of past debt issues. Because the City has T.I.F. incremental taxes available to satisfy this debt service, the property tax levy is not needed. This action lowers property taxes that would otherwise be collected.
