**MEMORANDUM**

**TO:** Bruce K. Walden, Chief Administrative Officer

**FROM:** William R. Gray, P. E., Public Works Director

**DATE:** October 3, 2002

**RE:** **Vacation of Clark Street Between Harvey Street and Goodwin Avenue**

**INTRODUCTION**

The City of Urbana has recently received a letter (see attached) from Vice Chancellor Charles C. Colbert, requesting the vacation of Clark Street between Goodwin Avenue and Harvey Street. The University of Illinois, or the Foundation, currently owns all property on both sides of this street. This requested vacation is part of the list of streets and alleys to be vacated per the agreement concerning the vacation of certain rights-of-way dated October 1, 2001 (see attached). Following the city ordinances regarding street vacations, a public hearing was held on August 5, 2002 and no one objected to the proposed vacation.

Following vacation of this street, the City would remove any city-owned parking meters, signs, etc., within this right-of-way. The street, sidewalk, storm sewers, etc., would then become the ownership and responsibility of the University.

**ACTION REQUESTED**

It is recommended that an ordinance vacating a portion of Clark Street (between Harvey Street and Goodwin Avenue) be approved.

Said planning area may also include the University Avenue corridor from approximately Carle Foundation property to Wright Street. The goal of the planning effort is the City's adoption and subsequent implementation of the plan as an element of the Urbana Comprehensive Plan.

In addition, the City agrees to notify the University within five (5) days of the City's receipt of application for a request for a change in zoning, a zoning variance, special or conditional use and prior to the issuance of permits from non-University property owners to build, significantly remodel, or demolish structures within the boundaries of the University of Illinois Master Plan, dated October 1996 and as may be amended from time to time.

In addition, the parties agree to issue a joint request for proposals for properties described in Exhibit D within thirty-six (36) months of the date of this Agreement for said property's private redevelopment. This agreement shall not preclude the University of Illinois's right to establish a gateway structure on this site. It is understood that the University will pay fees in lieu of taxes (or the University Foundation will pay real estate taxes) on real estate acquired by the University (or Foundation) in the area between University Avenue, Springfield Avenue, Lincoln Avenue and Harvey Street, provided such real estate is used solely for income producing purposes. WHEREAS, in an agreement with the Board of Trustees of the University of Illinois relating to various rights of way and other related matters, which agreement was approved by the Urbana City Council in Ordinance No. 2001-08-083, the City of Urbana agreed that the vacation of that portion of Clark Street described in this Ordinance was in the best interests of the public; and

WHEREAS, the University of Illinois owns all of the real property which abuts on both sides of those portions of the streets herein vacated; and

WHEREAS, the vacation of the streets described below will not impair access to any property other than that property owned by the University of Illinois; and

WHEREAS, in accordance with the requirements of Ordinance No. 9293-97 entitled "An Ordinance Requiring a Public Hearing Prior to the Vacating of a Street", a public hearing was held on the 5<sup>th</sup> day of August, 2002, which said date was more than fifteen (15) days, but less than thirty (30) days following the publication of the Notice of Hearing in a newspaper of general circulation in the City of Urbana, to-wit, said publication having occurred on the 21<sup>st</sup> day of July, 2002, and the Zoning Administrator also caused to be mailed, a copy of the said Notice so published, to each of the last known taxpayers of record of all properties adjacent to or within 250' in each direction of the portion of the street proposed to be vacated, said mailing having been accomplished on the 22<sup>nd</sup> day of July, 2002; and

WHEREAS, the City Council has determined that the nature and extent of the public use or public interest to be subserved is such as to warrant the vacation of the portion of Clark Street as requested.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF URBANA, ILLINOIS, as follows:

Section 1. That the City Council of the City of Urbana, Illinois, hereby vacates, subject to the terms set forth in this Ordinance, the following-described street rights of way:

A portion of the Clark Street Right-of-Way, in the Southeast Quarter of Section 7, Township 19 North, Range 9 East of the Third Principal Meridian, Champaign County, Illinois, more particularly described as follows:

Section 3. This ordinance shall become effective immediately.

As owners of the abutting parcels, the Board of Trustees of the University of Illinois, have agreed to pay compensation in the amount which, in the judgment of the corporate authorities, is the fair market value of the property acquired thereby or the benefits accruing to the Board of Trustees of the University of Illinois by reason of this vacation.

Section 4. The title to the vacated rights of way shall vest in the Board of Trustees of the University of Illinois subject to any easement or easements in favor of the City or others or any public utilities, their successors or assigns, to operate, maintain, renew, and reconstruct their
