RE: Ordinance from Traffic Commission

Attached is an ordinance for your approval from action taken by the Urbana Traffic Commission.

The ordinance is for the installation of five parking meters on the east side of Goodwin Avenue, north of the Boneyard Creek and south of Springfield Avenue. The area is currently designated as a bus stop, which is no longer used by the University of Illinois or by the C-U Mass Transit District. The City has contacted and confirmed this with representatives from both the University and the MTD. With the installation of the parking meters, five additional parallel parking spaces will be available for those parking in the campus area.

The Traffic Commission has considered and recommends the attached ordinance.
