Section 2. Grant Disposition. Proceeds from the grant shall be used for the purchase and/or upgrade of equipment necessary for fingerprint and palm print functions. It is the intent of the parties that the funds will be used for the purchase of AFIX Tracker and Identix Livescan, including maintenance expenses, and the upgrade of the Livescan equipment currently available to the County, as set forth in Exhibit A.

Section 3. Lead Agency. The City of Champaign is hereby designated the Lead Agency for this agreement. Responsibilities shall include leading the application process for the JAG funds, accepting any and all funds awarded through the JAG program, establishing a trust fund in which to deposit the funds received through the JAG program, issuing necessary Requests for Proposals or Invitations to Bid, entering contracts for the purchase of necessary equipment and services, and preparing required reports.

Nothing in the performance of this Agreement shall impose any liability for claims against any party other than claims for which liability may be imposed by the Illinois Local Governmental and Governmental Employees Tort Immunity Act, 745 ILCS 10/1-101 et seq. EXHIBIT A
(City of Champaign, City of Urbana, Champaign County)

JAG AWARD DISPOSITION

Purchase one (1) AFIX Tracker for Champaign Police Department (CPD) and one (1) Identix Livescan 3800 for Champaign County Sheriff's Office (CCSO). Balance of funds, excluding maintenance expenses, will be distributed to Champaign County Juvenile Detention Center (JDC) toward purchase of one (1) Identix Livescan 3800.

AFIX Tracker -	\$30,000	CPD
Identix Livescan 3800 -	\$46,000	CCSO
AFIX – Two Years Maintenance (4 yrs total)	\$ 5,000	
Remaining funds applied to JDC system upgrade	\$14,810	JDC
Total	\$95,810	

Under this proposal, Champaign County shall be responsible for the yearly maintenance agreements for the Identix 3800 systems at a cost of \$5,500 per year per system. Champaign County will also be responsible for any miscellaneous costs associated with interfacing the Identix systems with the AFIX Tracker system. It is hoped that by purchasing two Identix 3800 systems (CCSO and JDC) a better price will be obtained than \$46,000 per system.

The Identix System at CPD will not be replaced and Champaign County Juvenile Detention Center (JDC) agrees to fingerprint and palm print juveniles from Champaign and Urbana that are placed on station adjustment. This would ensure that all juveniles entering the criminal justice system are placed in the AFIX Tracker database.

Champaign PD will give access to the AFIX Tracker system to Champaign County Sheriff's Office and Urbana Police Department to search latent prints against the database.
