SUBJECT: Involuntary Annexation of 2507 E. Washington – Kenneth Johnson

Introduction and Background

City staff are requesting the City Council consider the attached notice of intent to annex for 2507 E. Washington. The 1.10-acre tract of property is owned by Kenneth Johnson and currently vacant. The right-of-way in front of the property has already been annexed into the City.

Issues and Discussion

The property is located on Washington Street immediately south of Sunny Lane, and is one of several in the City that is wholly surrounded and is less than 60 acres in size. Under Illinois State Statute, the City can involuntarily annex such properties. The City has been pursuing “filling in” these gaps in order to provide improved emergency response and to reduce confusion for service providers, such as police, fire, and public works. Staff has repeatedly attempted to contact the owner, but has never received a response. As a result, staff has decided to involuntarily annex the property, though a letter has been sent to the owner to inform him of this action. Property taxes for the property would increase an estimated \$110 per year, and the City would receive approximately \$100 per year.

The property is currently zoned Champaign County R-4, Multiple Family Residence, and will automatically convert to City R-4, Medium Density Multiple Family Residential zoning upon annexation. This is consistent with the Future Land Use identified in the 2005 Urbana Comprehensive Plan.

Involuntary Annexation Procedure

Per Illinois State Statute, a “Notice of Intent to Annex” (see Exhibit B) must be approved by the City Council prior to submittal of an annexation petition. The Committee of the Whole must consider whether or not to forward the notice to City Council, which would then vote whether or not to approve the notice. Once the notice is approved, the City Clerk will publish the notice in the News-Gazette at

least 10 days before the Committee of the Whole meeting where the annexation petition will be considered. The remainder of the annexation process is then the same as a voluntary annexation petition (the Committee of the Whole would consider the annexation petition, and if forwarded, would be voted on by the City Council).

Recommendation

Staff recommends that the Committee of the Whole forward the attached “Notice of Intent to Annex” to the City Council’s regular meeting on April 3, 2006.
