**RE: Ordinance from Traffic Commission**

Attached is an ordinance for your approval from action taken by the Urbana Traffic Commission.

The ordinance (Schedule J) prohibits parking at all times on the east side of Gregory Street, south of metered parking zone.

The location for the proposed ordinance is on the east side of Gregory Street from 185 feet south of University Avenue to 220 feet south of University Avenue. The parking restriction is being requested by City staff, who noticed that motorists were uncertain where parking was allowed along the east side of Gregory Street. Motorists were trying to park in an area south of the metered parking zone which did not have adequate room for parking a vehicle.

The field investigation found that vehicles were parking in that area of the street reducing visibility and restricting traffic flow near the alley.

The Traffic Commission has considered this location at its March 2009 meeting and recommends that the ordinance be passed by the City Council.
