SUBJECT: Annual Public Arts Program Plan for Fiscal Year 2009-2010

Introduction and Background

The City of Urbana recognizes that the arts are essential to the vitality of the City, bolstering the quality of life, economic development, public safety, academic performance, and cultural awareness. The Urbana Public Arts Program, recently completed its first full year of program development since the establishment of the program and the Public Arts Commission in April 2008. The efforts of the Program have shown many successes and have provided the opportunity for continued development and growth. The successes range from recognition as an Illinois Arts Friendly Community, to providing free art workshops to 300 participants, receiving significant dedicated financial donations from community partners, and receiving more than 70 applications to the first cycle of the Urbana Arts Grants Program. The Commission is prepared to continue its success by developing partnerships, financial sponsorships, and further improving the programming initiated in the current fiscal year.

As stated in the ordinance establishing the Public Arts Commission and Public Arts Program, the Public Arts Commission is to prepare and present an Annual Public Arts Program Plan to the Mayor and City Council for consideration in the City budgeting process. The attached Public Arts Program Plan for fiscal year 2009-2010 (Exhibit A) describes the program goals, means of achievement, proposed expenditures, sources of supplemental revenue, schedule of execution, necessary resources, and responsibilities planned for the upcoming fiscal year.

In the midst of national and local economic hardship, the Public Arts Program will assist in shaping neighborhoods, encouraging economic growth, and further vitalizing the city. The mission of the Urbana Public Arts Program is to provide programming and services that create a city where artists thrive and are valued and where all residents engage with the arts in its many forms. The Arts, as used in this program, includes but is not limited to music, theatre, visual

arts, dance, creative writing, film/video, crafts, performing arts, spoken word, environmental arts, multimedia arts, architectural arts, landscape architecture, and emerging media.

The development of the Public Arts Program began in September 2005, when the Urbana City Council included the creation of a Public Arts Program in its City Council Common Goals. In November 2006, the Urbana Public Arts Task Force was established to research the feasibility of a Public Arts Program for the City of Urbana. In April 2008, the Urbana City Council adopted an ordinance which established a Public Arts Commission and Permanent Public Arts Program for the City of Urbana. The ordinance, includes the composition and roles of the Public Arts Commission and establishes a Percent for Art on Municipal Building Projects Program and a Public Arts Fund.

The Public Arts Commission convened for its first meeting in September 2008, as the arts advisory body for the City. The members of the Commission are listed below.

- Robin Hall, Chair, Director, Office of Recreation and Parks Resources, U of I
- Geoffrey Bant, Teaching assistant, Wiley Elementary School; Studio supervisor and teacher, Champaign Park District

Discussion

The attached Annual Public Arts Program Plan for FY 2009-2010 describes the planned activities and implementation for the upcoming fiscal year. Additionally, the Program Plan is summarized below.

Resource and Program Development

The Public Arts Commission and staff recognize the importance of cultivating a broad revenue base to increase the capacity of the Public Arts Program. The Program has already seen significant support from the community related to sponsorship and donations. These donations have included fundraising efforts through the Urbana 175th Birthday Celebration, an in-kind printing donation by the University College of Fine and Applied Arts, and dedicated donations from the Urbana Business Association and Fluid Events. The Public Arts Commission and staff will continue to develop these relationships and seek additional support through grants and other fundraising efforts.

Partnerships

The Public Arts Coordinator has worked closely with 40 North |88 West, Champaign County's Arts, Culture, and Entertainment Council, by serving on its Board of Directors, Programs and

Services Committee, and the Boneyard Arts Festival Committees. Staff has also collaborated with the Krannert Center District, an arts and cultural district surrounding the Krannert Center for Performing Arts. Staff continues to work closely with the Urbana Business Association and to cultivate collaborations with the Urbana Park District, Urbana Free Library, Urbana School District, the University of Illinois, and other organizations.

Program of Work

The primary activities of the Program during the current fiscal year have included examining the background, goals, community input, and input provided by the City Council and Public Arts Task Force; creating feasible program priorities for the current and upcoming fiscal years; and beginning to develop policies and guidelines for such programs. On April 6, 2009, a Program of Work for FY 08-09 was approved by City Council and included the following program areas:

- a. Public Arts Grants Program
- b. Philo Road Beautification Plan Public Art

- d. City Building Art Exhibit Space
- e. Arts at the Market Programming
- f. Downtown Newspaper Rack Project
- g. Unique Places Plaques and Markers Program
- h. Storefront Arts Series and Urbana Space Program
- i. Martin Luther King Project Planning Committee

Several of the programs listed above are on-going programs that will be continued in the upcoming fiscal year. Progress has been made in these program areas. For example, the Public Arts Grants Program received more than 70 applications in May 2009, the Downtown Newspaper Rack County agreement has been approved and the artist agreement is being negotiated, programming is scheduled for the Arts at the Market Program, and the call for art on Philo Road and at the Iron Post will be announced this month.

City of Urbana Annual Public Arts Program Plan for Fiscal Year 2009-2010

Introduction

One of the duties assigned to the Public Arts Commission is to prepare and present an Annual Public Arts Program Plan to the Mayor and Urbana City Council for consideration in the City budgeting process. Per the Ordinance establishing the Public Art Commission, the Annual Public Arts Program Plan should identify specific program goals for the year, means of achievement, proposed expenditures, sources of supplemental revenue, schedule of execution, necessary resources and responsibilities and an implementation plan to address the goals.

The Public Arts Commission has made it a priority to further the success of the Public Arts Program by strengthening and enhancing programming initiated and developed in FY 08-09. Program evaluation, partnerships, and fundraising will be significant components of the Program Plan for the second full year of the established Public Arts Program. The Program will prioritize community accessibility to the arts, artist accessibility to resources, and opportunities for collaboration and partnerships

The first cycle of Public Arts Grants was implemented in April 2009. The second cycle of funding will begin in FY 09-10, with applications accepted in October 2009. Compilation of City of Urbana Arts-Related Goals

The Public Arts Commission is charged with developing an Annual Public Arts Program Plan that identifies specific program goals for the year, means of achievement, and, among other items, an implementation plan to address the goals. In preparation for the creation of this plan, the Commission will need to identify program goals. The following includes arts-related goals and recommendations developed through prior planning processes that may assist in the creation of goals for the 2009-10 fiscal year. Excerpts describing arts-related goals from the following documents are below:

1. Ordinance Establishing the Public Arts Commission and Program
2. Public Arts Program Community Input Report
3. City of Urbana 2005 Comprehensive Plan
4. City of Urbana 2002 Downtown Strategic Plan
5. Urbana Public Arts Task Force Recommendation on Goals and Value Statements

1. Ordinance No. 2008-03-013, An Ordinance Establishing a Public Arts Commission and Permanent Public Arts Program

Attached is the Ordinance Establishing a Public Arts Commission and Permanent Public Arts Program. Areas of interest related to arts-related goals include the description of the City Council 2005 Common Goals listed in the clauses and the duties of the Commission described in the ordinance.

2. Community Input Recommendations summary:

Recommendations on projects to be pursued by a Public Arts Program, received through input sessions, submitted surveys, and event attendance, included the following:

- Participants at the input session for business representatives described an art in public places program and free music program most commonly.
- Arts organizations at the artist input session most commonly describe funding, grants, and promotion.
- Individual artists most commonly recommended an art in public places program and increased promotion, events, and venues.
- An interview with a performing arts group, the Champaign Black Stars, resulted in the recommendation for the development of free practice/rehearsal spaces.

The main piece of advice received from artists and arts organizations was to develop further collaborations with other local organizations.

4. City of Urbana 2002 Downtown Strategic Plan

The following text is an excerpt from the 2002 Downtown Strategic Plan. The complete plan can be viewed from the City webpage. Goals of particular interest are described in the “Center of Urbana Initiative” below.

VISION

Figuratively the center of the community, the prior discussion of downtown Urbana shows that it is not perceived in that manner by the market or the community. Should we abandon downtown to the whims of the market? Should we consider it no more than one of many neighborhoods in the community? Should we reconsider its purpose, function and aim to make it more relevant to community image?

Members of the community have considered this question, and conclude that downtown is a unique place that serves a special role in defining the community. They hold a particular vision of downtown:

“Downtown Urbana is the heart of our City and a regional attraction. It is a busy and exciting place serving all – the community, the University and visitors to the region. It accommodates business, housing and government. It is a regional entertainment center that offers a host of shopping, dining and entertainment venues set within intimately scaled development and quality public spaces. It is a cohesive area, and is distinguished by its unique visual character and a walkable, pedestrian friendly environment that preserves our past and accommodates our future. It is the keeping place of community heritage and home to longstanding community traditions. Downtown Urbana is the pride of our community.”

The Center of Urbana Initiative

Downtown Urbana still retains some hold on the public mind: Figure 25, Where is the Center of Town?, shows that Main Street is still seen as the center of town by a great number of residents. As long as the downtown continues to be viewed as the locus of community events – parades, meetings, community fairs, dedications, etc. – then downtown will be viewed as the City center. This role attracts people downtown and provides a marketing opportunity. But even this opportunity can be lost or wasted if not pursued. Attention must be given to the continued location of community destinations and community events downtown. The policy must be: If there is an Urbana public facility or activity that attracts people, put it downtown. The retention of the County Courthouse downtown is an example of this policy. More is needed. A fivefold program is suggested:

Encourage more Public Art Downtown

The presence of public art helps creates a niche for downtown and can beautify the are and attract new visitors. The newly organized Champaign County Arts Council should be encouraged to promote downtown Urbana as a new opportunity to display public art. Opportunities to help achieve this goal could include:

1. Encourage more gallery uses in existing and newly developing areas of downtown
2. Promote public art in downtown open spaces
3. Public murals where appropriate
4. Develop public art themes for downtown corridor entryways

Encourage and Accommodate Community Events

The maintenance and growth of downtown events could be enhanced through aggressive outreach, management, and provision of proper space. Such actions could complement what is already underway. For example, the Urbana Business Association (UBA) in conjunction with the Park District and the city sponsors Friday Night Street Dances on Race and Elm Streets on Friday nights in the summer. However, the calendar of events is not large enough. It should be increased such that something occurs at least once a month. Consideration should also be given to encouraging greater use of Lincoln Square Mall for community events. Additional ideas could include:

1. Winter ice sculpture competition
2. Memorial Day, Fourth of July or Labor Day Parades
3. Downtown winter lighting festival
4. Community garage sale
5. Spring garden show and plant sale

Provide Community Outdoor Space

Improving outdoor space is another important action. If downtown is the center of Urbana, places must be available to host dedicatory or community gatherings, establish settings for community monuments, and play host to group events that wish to commemorate a special occasion by having it occur in a setting with a positive community image. Currently, there are no adequate spaces for such outdoor celebratory public gatherings downtown. To this end, community squares or plazas should be established within the downtown that will help give the downtown focus as well as fulfill these purposes. These spaces need not be very large. Rather, it should create an inviting place to sit, and should be located at a busy place. It should be of a size so that it will look crowded when small events occur so that it adds to the sense of interest and excitement downtown. Perhaps one, Post Office Square, might be located in front of the Post Office and Lincoln Square, and be of a size large enough to host a small celebratory event. Figure 26, Public Gathering Space, shows how Post Office Square might look.

Establish a Community Performance Venue

While recognizing that the University is the dominant provider of performance venues, opportunities should be found to either upgrade the Civic Center or establish space within Lincoln Square or Jumer's Hotel for a small performance venue which might accommodate local performers, children's presentations and theater, or repertory theater. This facility could be leased and managed by the City. As an

alternative, existing community performance groups might band together as an “arts association” for the purpose of leasing, refurbishing and managing the space.

used for the event. The notice requiring removal shall state that, if the license holder and the owner of record do not remove all refuse, litter, debris, garbage and the like from the designated property within twenty-four (24) hours, the city shall conduct the removal operation. The notice shall also state that the failure of the owner or licensee to remove all refuse, litter, debris, garbage and the like within the twenty-four-hour period as required by such notice, shall be deemed as implied consent for the city to conduct such removal. Such implied consent shall be deemed to form a contract between the city and the owner and the licensee for payment of the costs of the removal of the refuse, litter, debris, garbage and the like. Service of notice shall be made upon the license holder or an agent or employee of the license holder. Service shall be by personal service except that service can not be made by diligent inquiry. Service may be had by posting the notice on the property. The reasonable cost of removal shall be a lien upon the real property for which the license was issued.

(f) Whenever a bill for the reasonable costs of removal made pursuant to subsection (d) of this section remains unpaid for thirty (30) days after it has been sent to the license holder and the owner of record, the clerk shall file a notice of lien with the county recorder.

(1) The notice of lien shall be filed within ninety (90) days after the cost and expense of the removal has been incurred. The notice shall consist of a sworn statement setting out a description of the real estate sufficient for identification thereof, the amount of money representing the cost and expense incurred or payable for the removal and the date or dates when such cost and expense was incurred by the city. However, the city's lien shall not be valid as to any purchaser whose rights in and to such real estate have arisen subsequent to removal of the refuse, litter, debris, garbage and the like and prior to the filing of such notice, and the city's lien shall not be valid as to any mortgage, judgment creditor or other lienor whose rights in and to such real estate arise prior to the filing of such notice. Upon payment of the cost and expenses by the license holder or the owner of record or persons interested in the property after notice of lien has been filed, the city shall release the lien and the release may be filed or recorded as in the case of filing a notice of lien.

(2) Costs and expenses under this section include, but are not limited to, the actual costs and expenses for the time of city employees, use of equipment and materials concerning the actions of removal pursuant to this section, and transportation to and from the property, title searches or certifications, preparation of lien documents, foreclosure and other related reasonable attorney's expenses.

(3) Whenever the costs and expenses for removal of all refuse, litter, debris, garbage and the like shall remain unpaid for a period of thirty (30) days after the lien is filed, the city may institute proceedings to foreclose the lien, and the real estate may be sold under the order of the court.
