**MEMORANDUM**

**TO: Mayor Laurel Prussing and Members of the City Council**

**FROM: William R. Gray, Public Works Director  
Joseph L. Smith, Senior Civil Engineer**

**DATE: June 10, 2009**

**RE: Motor Fuel Tax Resolution for Green Street Improvement (Section 09-00478-00-RS)**

Introduction

Attached is the proposed Resolution and supporting documentation for the Green Street Motor Fuel Tax Resolution to be considered at next Monday's (June 15th, 2009) regularly scheduled City Council meeting. All proposed work is based upon needs identified in the Capital Improvement Plan.

The project consists of the milling and resurfacing of the existing asphalt pavement; complete removal of existing side street pavements, curb and gutters, driveways, sidewalks and replacement with new P.C. concrete pavement on the side streets, new concrete driveway pavement, new concrete driveway approaches, full depth pavement patches as needed, new 5' wide concrete sidewalk along the north side, various brick sidewalk patches and all new detectable warning ramps for the disabled at every intersection. The project limits are Green Street from Vine Street to Cottage Grove Avenue. The estimated cost of the project including material testing fees and contingencies is \$875,000.

Fiscal Impact

All project costs including material testing fees will be paid with Motor Fuel Tax Funds and CDBG-R funds. The attached Resolution requests \$750,000 of MFT monies to be appropriated and the remaining \$125,000 of the estimated cost of the project will come from Community Development Block Grant-R funds. These CDBG-R funds are a grant from HUD as a result of the passage of the Recovery Act of 2009. The Recovery Act has appropriated \$1 billion in Community Development Block Grant (CDBG) funds to states and local governments to carry out, on an expedited basis, eligible activities under the CDBG program. This project meets the eligibility requirements of HUD and will further job creation and assist in the nation's economic recovery by modernizing the local infrastructure.

Council Action

The City Council is asked to approve the attached Resolution for Improvement by Municipality Under the Illinois Highway Code in the amount of \$750,000.
