RE: Ordinance from Traffic Commission

Attached is an ordinance for your approval from action taken by the Urbana Traffic Commission.

The ordinance (Schedule J) prohibits parking at all times near the alleys on the east sides of Smith Road, Ogelthorpe Avenue, Montgomery Street and Abercorn Street in the Savannah Green subdivision. These streets are paved streets approximately 24 feet in width that provide access to the residents' garages located in the alley. Currently, these streets prohibit parking at all times on the entire west side. The Savannah Green Homeowners' Association asked for these restrictions to allow better visibility for those exiting the alley onto the streets. The president of the homeowners' association did not indicate that there was a safety concern at the other alley/street intersections.

The Traffic Commission has considered these locations at its September 2009 meeting and recommends that the ordinance be passed by the City Council.
