RE: Ordinance from Traffic Commission

Attached is an ordinance for your approval from action taken by the Urbana Traffic Commission.

The ordinance (Schedule J) prohibits parking at all times at certain locations on the east side and on the west side of Grossbach Drive and the north side of Fairlawn Drive.

Grossbach Drive is a narrow street (16 to 18 feet in width) with a turnaround that ends at Victory Park. Although the intent of the turnaround was to provide a loading area for those who use the gardens at Victory Park, other park users have been using the area for long-term parking. In addition, park users have been parking along both sides of Grossbach Drive, making access difficult. These parking restrictions would allow motorists to safely drive on the street.

Fairlawn Drive at Anderson Street is the location of a bus stop for the Champaign Urbana Mass Transit District. The current parking configuration does not allow buses to stop on Fairlawn Drive to load and unload passengers without blocking the intersection. With the parking restrictions, buses will be able to complete turn movements and stop for passengers.

The Traffic Commission has considered these locations at its June 1, 2010 meeting and recommends that the attached ordinance be passed by the City Council.
