RE: Annual Revision of the Fee Schedule

Brief Description of the item

Attached is the proposed license and permit fees for fiscal year 2012/2013. No council action is required at this time except to forward the schedule to the Council meeting on May 7, 2012 for action then.

We review license, permit and service fees periodically to keep pace with the cost of providing the services, which is mostly personnel costs. Urbana City Code requires that the proposed Schedule of Fees be reviewed by the City Council and put on file with the City Clerk's Office at least thirty (30) days prior to final action by the City Council. During that time the Schedule of Fees is available for public inspection and comment at the City Clerk's Office and on our website. A notice that the schedule is available for review is published in the News-Gazette.

Background / facts

Revenue from service charges, license and permit fees and sewer benefit tax generate approximately \$1.7 million annually. The City's policy is to increase these fees to maintain pace with increasing costs of providing the related services. Larger fees such as liquor licenses and the sewer benefit tax are adjusted annually. Smaller fees are adjusted every three to four years. This cost may be less than or more than the consumer price index. The estimated cost increases due to personnel cost increases for fiscal year 2012/2013 is 3.0%.

Proposed adjustments to the 2012/2013 Schedule of Fees are:

1. Liquor Licenses: Increase license fees by 3.0%. Increase late renewal fee and late payment fee from \$50.00 to \$100.00. Increase miscellaneous liquor fees from \$125.00 to \$150.00. Update schedule to include change in Class R (restaurants) to Class R-1 and Class R-2.
2. Fire Prevention Permits: Delete current flat rate fee structure for permits (excluding fireworks display). Update schedule to allow for two different categories: Square footage assessment for non-hazardous material facilities and a flat fee for hazardous material facilities based on the level of the hazard as identified on the material safety data sheets of the product (last increased 7/1/2009).

3. Fire Department Fees: Replace reference to BOCA with the International Fire Code. Increase non-resident reimbursement fire service fee per apparatus from \$150.00 to \$250.00 (last increased 5/18/2009). Relocate fireworks display fee to this section in the fee schedule.
4. Vehicles for Hire: Increase Drivers License Annual Fee from \$17.00 to \$20.00. Increase Business License Annual Fee from \$120.00 to \$130.00 (last increased 7/1/2009).
5. Relocator Registration Fee: Update schedule to include an initial fee of \$50.00 and a renewal fee of \$25.00. Add additional language to include a late fee for renewals not filed by July 1st.
6. Special Event Permit: Update schedule to include a Special Event Permit fee of \$25.00. This is an administrative fee assessed to “for profit” organizations requesting to hold a large event, which may require additional work detail by City employees.
7. Subdivision and Development Applications: Increase combination preliminary/final plat per lot from \$15.00 to \$20.00 and minimum from \$300.00 to \$325.00 (last increased 7/01/2003). Increase appeals from \$100.00 to \$125.00 (last increased 7/1/2000).
8. Sewer Use Charge: Increase the sewer tax rate from \$3.40 to \$3.54 per 100 cubic feet. This total increase is 4.0%. The increase will apply to the billing period beginning January 1, 2013.
9. Board of Zoning Appeals: Increase application for a conditional use permit from \$125.00 to \$150.00 and an application for a minor variance from \$125.00 to \$150.00 (last increased 7/1/2007).
10. Application for a sign permit: Increase temporary sign permit from \$25.00 to \$30.00 (last increased 7/1/2007).
11. Zoning Verification Letters: Update schedule to include a new fee for zoning verification letters in the amount of \$100.00. Staff believes the fee is appropriate to charge due to the increase in staff time required to perform the service.
12. Development Review Board: Update schedule to include an administrative review fee in the amount of \$50.00.
13. Design Review Board: Update schedule to include an administrative review fee in the amount of \$50.00.
14. Building Permits: Remove language “and additions” from the fee schedule.
15. Plumbing: Add additional language explaining the fees for residential, commercial and industrial plumbing permits. The fees will remain the same (from table P1) for residential, but commercial and industrial will be changed to 1.0% of the estimated project plumbing costs.
16. Parking Rental Spaces: Increase campus district on-street parking rental spaces from \$75.00 per month to \$100.00 per month. The increased cost reflects the increase in the campus meter rate (last increased 7/1/2003).

17. Civic Center Rental: Increase the Saturday evening fee from \$450.00 to \$500.00 for weekend rates/ballroom/two sessions (nonprofit). Add in the \$650.00 Saturday evening fee for weekend rates/ballroom/three sessions (nonprofit), which was unintentionally left out of the fee schedule. Reword note about Saturday evening fee increase. Add a new event deposit fee in the amount of \$100.00 to the schedule.
18. Add new sections to the schedule that were approved throughout the year; renumber sections and other language clarification.

All changes to the Schedule of Fees are shown by a strike out of the current fee and notation of the proposed fee. Changes and additions are underlined.

Fiscal impact

Revision of the fee schedule allows the City to keep pace with the costs of providing the services related to the fees (inspections, administrative costs and sewer maintenance.) If these fees are not periodically increased for inflation, the City will be forced to increase property taxes or other revenue sources.

Recommendation

Staff recommends approval of the attached ordinance adopting the 2012/2013 Schedule of Fees.
