SUBJECT: **An Ordinance Authorizing the Sale of Certain Real Estate (1301 East Washington Street – R Rentals Series LLC)**

Introduction

The City has been approached by Mike Hosier of R Rentals Series LLC, who has offered to purchase the City-owned property located at 1301 East Washington Street at a price of \$100,000. Champaign-based R Rentals intends to fully demolish the existing structures and construct a new building suitable for multiple neighborhood-oriented retail and service businesses. The exhibited ordinance would authorize the Mayor to execute the attached purchase agreement with R Rentals and for staff to subsequently close on the property upon the completion of the buyer’s due diligence period (**Exhibit A: Draft Authorizing Ordinance with Attached Purchase Agreement**).

Background

On December 15, 2008, the Urbana City Council approved an agreement accepting a donation of the subject property located at 1301 East Washington Street (**Exhibit B: Property Location Map**) from DRS Limited Partnership. The parent company, Tri Star Marketing, had sought to sell the property on the open market for a period of roughly two years prior to approaching the City regarding donation of the property. Once in City possession, staff briefly contemplated reuse of the property for municipal offices, but soon determined that it would be impractical given the level of investment required to bring the building up to standard. Staff then began reaching out to other governmental bodies to gauge their interest in the property, ultimately to no avail. In the meantime, the property’s air conditioning units were vandalized in 2009 and again in 2011 despite the addition of security fencing. In recent years, staff has only utilized accessory structures on the site for some limited storage. On August 17th, 2015, the City Council dedicated a portion of the property as right-of-way to allow for future improvements to the intersection of East Washington Street and Philo Road.

On August 1st, 2016, Mayor Laurel Prussing authorized a commercial real estate listing of the property with broker Jay Sikorski of Coldwell Banker Commercial Devonshire Realty. On August 7th, 2017, the Urbana City Council approved a purchase agreement for the property with The Overland Group, a preferred developer of Dollar General stores. On October 3rd, The Overland Group terminated the purchase agreement during its due diligence period.

In January of 2018, staff began work on a purchase agreement with R Rentals for the property. On January 26th, a notice for a public hearing to be held on February 12th was published in the News Gazette seeking public comment on the proposed sale.

Listing Price

The City first listed the property at a price of \$270,000. After six months without any serious interest, the listing price was reduced to \$235,000. In April of 2017, after feedback from prospective buyers, staff reassessed the listing price on the property. Staff utilized comparable properties provided by the broker and the Cunningham Township Assessor's office staff and also took into consideration an estimated minimum demolition cost of \$70,000 to arrive at a new listing price of \$165,000. In August of 2017, after receiving offers from two prospective buyers well below asking price, the City executed a purchase agreement with The Overland Group at \$160,000 with a commitment from the buyer to repair or demolish the existing building within 120 days of closing. After The Overland Group's termination of the purchase agreement in October 2017, the City entertained offers from three prospective buyers, each well below asking price. In January 2018, after negotiation, Mayor Marlin directed staff to move forward with the \$100,000 offer from R Rentals with a commitment to demolish the existing building within 90 days of closing.

Proposed Purchase Agreement

The City Council is asked to consider acceptance of the proposed purchase agreement which has been signed by the manager of R Rentals. The closing may not take place for up to 120 days while the buyer evaluates the property, but must take place within 150 days of the execution of the purchase agreement. The City can remove any furniture, fixtures or contents of the buildings prior to closing. After the closing, the new owner will have 90 days to demolish the buildings located on the property. During this time, the City shall not enforce its life and safety codes against the building, unless it deteriorates to the extent that it becomes an imminent danger to the public.

Buyer's Background and Intended Use of the Property

Based in Champaign, R Rentals owns and manages fifteen Champaign properties and four Downtown Urbana properties consisting of primarily commercial buildings for small business tenants with some second story studio apartments. Current Urbana tenants include Crane Alley, Applied Pavement

Technology, Blackbird, Collider Cowork , CU Adventures in Time & Space, See You CD & Vinyl, Best of Africa Grocery and Habitat for Humanity. R Rentals is currently working with 25 O’Clock Brewing and Pizza M to establish a new retail presence at 208 West Griggs Street. In addition, CU Adventures in Time & Space has signed a lease with R Rentals for an expanded facility at the former Gill Building at 401 North Vine Street.

R Rentals intends to construct a new building on the property this construction season suitable for multiple neighborhood-oriented retail and service businesses. R Rentals is currently in communication with multiple, locally-owned businesses that have expressed interest in the site. A specific redevelopment proposal will be contingent upon securing leases with tenants.

Current Zoning and Future Land Use

The proposed sale and redevelopment of 1301 East Washington Street is consistent with the subject property’s current B-3 General Business zoning which permits by-right the proposed uses of neighborhood-oriented retail and service businesses. The use would add new retail and service options to the Philo Road corridor and join the nearby Family Dollar store and the adjacent Huraches Moroleon restaurant.

The subject property, along with the aforementioned neighboring retailers along Philo Road, are each located on parcels designated for Community Business in the 2005 Comprehensive Plan, which defines Community Business uses as those *designed to serve the overall community and the immediate neighborhood*. The property is also located within the Urbana Enterprise Zone and a new construction project at the site would be anticipated to receive sales tax exemption certificates on new construction materials as well as property tax rebates on the new construction value.

Fiscal Impact

The proposed purchase agreement would allow for sale of the property at a purchase price of \$100,000. The broker would be paid a seven percent commission at the time of closing in the amount of \$7,000. The City may also incur additional title and closing costs that are not expected to exceed \$1,300. All proceeds from the transaction, expected to be in the amount of \$91,700, would be deposited in the City’s General Fund.

The City currently expends approximately \$7,250 per year in expenses associated with this property including mowing, landscaping, electricity, gas, water, outside lighting, insurance, stormwater utility fee, sewer benefit tax, and sewer fee. The City’s limited utilization of storage on the property would be relocated without incurring any additional costs. As such, sale of the property would result in an approximate reduction in expenditures of \$7,250 per year.

At present under City ownership, the property is tax exempt. Sale of the property and completion of the

anticipated project would likely result in the generation of over \$17,000 annually in new property tax revenue among all taxing partners once the property is fully assessed, of this over \$2,000 would likely be collected by the City annually.

Options

1. Approve the draft authorizing ordinance as presented.
2. Approve the draft authorizing ordinance with changes. It should be noted that any changes would need to be agreed upon by the buyer.
3. Deny the draft authorizing ordinance.

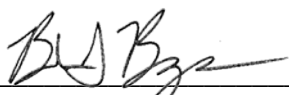

Recommendation

The proposed sale of 1301 East Washington Street would result in the demolition of blighted structures and create an opportunity for substantive new investment in the Philo Road corridor. The proposed neighborhood-oriented retail and service uses by the prospective buyer would be permitted by right under the parcel's current zoning and would provide vital activation of an underutilized, but highly visible and accessible corner property.

The sale of the property would raise over \$90,000 in General Fund revenues upon closing and would also result in a decrease in City property maintenance expenditures of over \$7,000 per year. Lastly, the property when improved and fully assessed would likely generate \$2,000 per year in new property tax revenues to the City.

Staff recommends that the City Council approve the attached draft authorizing ordinance to advance the sale of 1301 East Washington Street to R Rentals Series LLC.

The Seller represents to the Buyer that the Seller owns all such fixtures and personal property, that such fixtures or personal property are free and clear of all liens, charges, and encumbrances, and that the Seller has full right, power, and authority to sell such fixtures or personal property to the Buyer. The Seller disclaims and excludes all warranties of quality, fitness, and merchantability.

If the

parties do not come to an agreement regarding an adjustment of the purchase price based upon the cost of environmental remediation and associated costs at any time during the 30 days following written notice to the Buyer, the Buyer may terminate this agreement by written notice to the Seller.

- B. If the Buyer becomes aware of the existence of any environmental concern or violation of any environmental law or regulation not previously disclosed at any time prior to closing that affects either the value of the Premises or its use for a commercial or residential purpose, the Buyer shall notify the Seller in writing of such concern or violation. If the parties do not come to an agreement regarding an adjustment of the purchase price based upon the cost of environmental remediation and associated costs at any time during the 30 days following written notice to the Seller, the Buyer may terminate this agreement by written notice to the Seller..

14. Other disclosures. The Premises will be used for redevelopment, and any **buildings located thereon will be demolished. Therefore, the Buyer waives the Seller's compliance** with all disclosures except as specified in this agreement.

15. Demolition or repair. The commercial building located on the Premises is unsafe and dangerous, has unsafe equipment, and is unfit for human occupancy. The Buyer shall demolish the building no later than 90 days after the closing of this transaction. During such time, the Seller shall not take enforcement action against the Buyer for the **building's life and safety code violations, unless the condition of the building so deteriorates** that it becomes an imminent danger to the public. This Paragraph will survive the closing and will not merge with the deed.

16. Default.

- A. Either party may terminate this agreement at any time for cause if the other party breaches any term of this agreement and does not cure such breach by the tenth day after written notice is given. The party giving notice shall specify the reason or reasons for such termination and shall state the effective date of such termination if the breach is not fully corrected.
- B. **In the event of the Seller's default, the Buyer** may take one or more of the following actions: maintain a claim for monetary damages for breach of contract; maintain a specific performance action against the Seller; and maintain any other or different remedy allowed by law.
- C. If either party defaults in any of its obligations under this agreement, the party not in default will be entitled to recover its costs and reasonable **attorneys' fees** caused by the other's default from the defaulting party.

- D. The foregoing remedies in the event of default are not intended to be exclusive, and the parties have the right to all other lawful remedies, including specific performance.

17. Insurance. The Seller shall keep in force public liability insurance in the existing amount now carried on the Premises until 12:00 p.m., local time, on the day following the closing of this transaction.
