RE: Ordinance from Urbana Traffic Commission

Introduction

Attached is an ordinance for approval from action taken by the Urbana Traffic Commission at its October 2, 2018 meeting. A location map showing the area of the proposed action is included.

Background

The ordinance amends Schedule J of the Urbana Local Traffic Code by adding a 15-minute loading zone designation on Florida Avenue from 90 feet west of the centerline of Wiley Drive to 132 feet west of the centerline of Wiley Drive. At the October 2 meeting, the residents at 801 East Florida Avenue requested the installation of a 15-minute loading zone to provide a safe drop-off and pick-up area for children enrolled in their daycare, which is located in their home. The adjacent property owners, including the Urbana School District, were notified of the meeting.

The Traffic Commission recommended the establishment of a loading zone designation on Florida Avenue.

Recommendation

It is recommended that Council approve an Ordinance Amending Schedule J of Section 23-172 of the Urbana Local Traffic Code Establishing Curb Loading Zones on Certain Streets (801 East Florida Avenue).
