SUBJECT: AN ORDINANCE APPROVING AND AUTHORIZING A SECOND AMENDMENT TO THE NEW LINCOLN SQUARE PARKING AGREEMENT

Introduction

The Urbana City Council is requested to consider a second amendment to the current parking lease agreement with Lincoln Square (**Exhibit A: Draft Ordinance Approving a Second Amendment to the Lincoln Square Parking Agreement**). The amendment would remove City Parking Lots 24 and 24 West (**Exhibit B: Downtown Parking Map**) from the terms of the parking agreement. The owner of Lincoln Square, Jim Webster, has agreed to the proposed changes. The proposed amendment provides flexibility for both Lincoln Square in its utilization of City parking and for the City in the administration of the parking lots.

Background

In 2005, the City of Urbana entered into an Agreement to Provide Parking Facilities with the New Lincoln Square, LLC (**Exhibit C: 2005 Lincoln Square Parking Agreement**) which defines the utilization of the City-owned and operated parking lots by the customers and employees of Lincoln Square.

In 2011, the City of Urbana and Lincoln Square adopted a first amendment to the parking agreement (**Exhibit D: 2011 First Amendment to the Lincoln Square Parking Agreement**) which incorporated Lot 24 West into Lot 24 under the existing parking agreement. Both lots are operated as reserve, permit-only parking lots within prime business hours.

In February of 2018, Lincoln Square contacted City staff seeking a reduction in its parking costs under the current parking agreement. The parking agreement as it stands today requires Lincoln Square to fully lease 100 spaces in Lot 24 even when no such permits have been issued for an equivalent number of employees. With the departure of Health Alliance as a tenant, Lincoln Square has seen much lower utilization of these reserve lots.

In June 2018, the City was approached by Brinshore Development with a proposal to purchase and redevelop Lots 24 and 24 West into an arts-centered, affordable housing development. Internal administrative and legal analysis found that the parking agreement would need to be amended in order for any such project to proceed on the site.

Negotiations for a second amendment to the parking agreement with Lincoln Square occurred between July and December arriving at the current proposal which was agreed to by the owner and manager of Lincoln Square on December 14th, 2018.

Proposed Second Amendment

The proposed second amendment to the Lincoln Square Parking Agreement would:

- eliminate both Lot 24 and Lot 24W from the Parking Agreement immediately
- allow LS to determine the number of permitted parking spaces it leases in the “Adjacent Parking Area” up to 100 permits,
- expand the definition of the “Adjacent Parking Area” (currently a one-block radius) to include City lots within 1/3 mile from any entrance to the mall, and
- take effect retroactively on December 1st, 2018.

The elimination of Lots 24 and 24 West from the Parking Agreement would provide the City with flexibility to consider proposals for redevelopment for the site and to enable Brinshore Development to proceed with an application for low income housing tax credits through the Illinois Housing Development Authority. Separately, the City has also initiated a request to rezone three parcels within these parking lots to bring the full site to a consistent B-4 zoning and to allow Brinshore to proceed with its application to IHDA.

Allowing Lincoln Square to assign the number of spaces it leases at a time would allow for a near-term reduction in its monthly parking costs by \$3,000 (100 parking spaces x \$30/space). This amendment would preserve Lincoln Square’s ability to lease up to 100 spaces in the future if needed. In addition, City staff and Lincoln Square agreed that should the amendment be approved by the City Council, it would take effect retroactively on December 1st, 2018 to encompass the December and January parking invoices, which would be reissued upon full approval.

Lastly, the expansion of the definition of the “Adjacent Parking Area” in the agreement provides the City with greater flexibility to optimize the placement of reserved lot parking permits throughout the Downtown. The current agreement would only allow the City to locate parking permits for Lincoln Square within a one-block radius. The language of this proposed second amendment would expand that area to a reasonable walking distance of a third of a mile and allow for placement in underutilized lots, such as the now-closed Urbana Civic Center Parking Lot 09, which contains 98 spaces.

Impact on Parking

In October 2017, the City's parking consultant conducted of parking space utilization during "peak hours" (10am to Noon) in Downtown Urbana as part of the City's 2018 Parking Study Update. The counts took place while Health Alliance was still a tenant of the mall. At that time, over 300 vacant spaces were observed on those parking lots currently subject to the parking agreement. Hence, staff does not anticipate excess demand on the remaining parking supply in this area by the tenants of Lincoln Square as a result of the proposed amendment.

Fiscal Impact

The proposed second amendment allows a reduction of \$3,000 per month in future parking fee revenues from Lincoln Square. The property currently generates no property tax revenue, however upon redevelopment the property would be subject to property taxes once again, contributing incremental property taxes to the Urbana Central Tax Increment Finance District. In addition, future redevelopment of the site resulting in new residents would be expected to increase patronage to nearby businesses and contribute to new sales tax revenues.

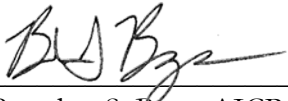

Options

1. Approve the draft authorizing ordinance as presented.
2. Approve the draft authorizing ordinance with changes.
3. Deny the draft authorizing ordinance.

Recommendation

Staff recommends approval of the authorizing ordinance as drafted.

WHEREAS, the Square has succeeded to the interests of the Partnership under the 1990 Agreement; and

WHEREAS, the City and the Square have entered into a Redevelopment Agreement dated as of October 1, 2004 (the "**Redevelopment Agreement**") under and by which the Square has proposed to rehabilitate, reconstruct, repair or remodel the existing structure upon the Lincoln Square Site conditioned upon the City providing certain tax increment finance and other incentives in connection therewith, including the rights and obligations of the City and the Square with respect to the Parking Area and the Square's use of the Parking Facilities under this Agreement.

NOW, THEREFORE, in consideration of the mutual agreements, covenants, representations and undertakings herein contained, the City and the Square hereby mutually agree, covenant, represent and undertake as follows:

ARTICLE I **TERM; EFFECT OF 1990 AGREEMENT**

Section 1.1. Term. The term of this Agreement shall commence on the first day of the calendar month in which any newly improved office space undertaken as part of the Private

Development Project (as defined in the Redevelopment Agreement) is to be first occupied for use, such date currently anticipated to be May 1, 2005, and shall continue until December 31, 2034, unless sooner terminated in accordance with this Agreement (the “Term”).

Section 1.2. Effect of 1990 Agreement. Beginning on the first day of the Term of this Agreement, all provisions of the 1990 Agreement shall be and remain suspended and the provisions of this Agreement shall control and be in full force and effect. In the event that this Agreement is terminated for any reason under Section 5.2 hereof before June 30, 2018, the provisions of the 1990 Agreement shall no longer be and remain suspended but shall thereafter be and remain in full force and effect from and after the date of any such termination.

ARTICLE II

PARKING FACILITIES; OBLIGATIONS OF CITY

Section 2.1. Provision of Parking Facilities. For and during the Term of this Agreement, the City shall provide, operate and maintain the Parking Facilities for the benefit of the Lincoln Square Site in connection with the parking of motor vehicles and vehicular and pedestrian ingress and egress related thereto, subject to, and in accordance with, the terms, provisions and conditions of this Article, including as follows:

a. Lot 10-A North, Lot 10-A South and Lot 10-F shall each be operated as a free parking lot having a 2-hour time limit for the customers of any commercial tenants of the Square at the Lincoln Square Site, subject, however, to the reserved rights of the City as follows: (i) to operate Lot 10-A North as a metered parking lot; (ii) to request the use of Lot 10-F for any City-sponsored event on any Saturday and Sunday during the months of April to November, inclusive, in each year during the Term of this Agreement (which such request shall not be unreasonably denied, withheld, delayed or conditioned by the Square); (iii) to permit the use of Lot 10-F for permit parking by any person serving as a juror during any jury term in the Circuit Court of the Sixth Judicial District, Champaign County, Illinois, under circumstances where the City has first made reasonable accommodation to provide such permit parking elsewhere; and (iv) to continue to provide reserved or other permit parking in Lot 10-A South to other entities but only to the extent currently in effect under any existing agreement.

b. Lot 10-E (in part) and Lot 10-X shall each be operated as a reserved lot for permit parking by the commercial tenants, including their employees, and the residential tenants of the Square at the Lincoln Square Site (collectively, the “Permittees”), subject, however, to the reserved rights of the City as follows: (i) to permit the use of Lot 10-X for an open-air market on any Saturday during the months of April to November, inclusive, in each year during the Term of this Agreement; and (ii) to continue to provide reserved or other permit parking in Lot 10-E to other entities but only to the extent currently in effect under any existing agreement.

c. Lot 24 shall be operated as a reserved lot and made available for 100 parking spaces for permit parking by the Permittees of the Square at the Lincoln Square Site subject, however, to the reserved right of the City to relocate the availability of any such parking to any other parking lot owned or controlled by the City within a one-block radius of the area bounded by Elm Street to the north, Vine Street to the east, Illinois Street to the south and Race Street to the west (the “Adjacent Parking Lots”).

Section 2.2. No Charge. Except for any parking meter revenues derived in connection with any parking meters on Lot 10-A North and the payments provided to be made by the Square under Article IV of this Agreement, the City agrees that it will not impose upon the Square or any of its Permittees any other direct fee, charge, tax, assessment or other payment for the parking of motor vehicles upon the Parking Area, or for any repair, maintenance, improvement or restoration of the Parking Facilities or for any other reason relating to the Parking Area or Parking Facilities.

Section 2.3. Repair and Maintenance of the Parking Facilities. The City shall maintain the Parking Facilities at its own expense, subject to the provisions of this Agreement, in good condition and repair, and in a condition at least equal to the condition of parking lots serving or situated in or around multi-use facilities similar in size and quality to the facilities of the Lincoln Square Site, and agrees specifically:

- (i) to maintain the Parking Facilities in a clean, presentable and safe condition and promptly remove snow, ice, debris and other obstructions;
- (ii) to supply and maintain all pavement markings and such directional, informational and traffic control signs as may be reasonably necessary for public safety and the enforcement of applicable laws and ordinances on or within the Parking Area;
- (iii) to make all necessary repairs and replacements to lighting fixtures upon the Parking Area;
- (iv) to supply and maintain trees, shrubs and other plant materials for landscaping of the Parking Area; and
- (v) to repair, restore and replace the surface of the Parking Facilities from time to time as shall be reasonably required to maintain the Parking Facilities in the aforesaid condition.

The City agrees that it will diligently perform any repairs, maintenance, restoration, replacement and other work so as to minimize the interference with parking and vehicular and pedestrian traffic resulting therefrom and that it will provide to the Developer such written notice as may be reasonable under the circumstances whenever any such work will require the closure of any material part of the Parking Facilities.

Section 2.4. Alteration of Parking Spaces. The City shall not materially alter the location, size or shape of any parking spaces located in the Parking Area or the location, direction, size or shape of any aisles, driveways or other means of access, ingress or egress on or about the Parking Area or otherwise materially alter, change or modify the configuration of the Parking Facilities in any way without the prior written consent of the Square, which consent shall not be unreasonably denied, withheld, delayed or conditioned.

Section 2.5. Policing and Patrolling of the Parking Area. Throughout the Term of this Agreement, the City shall police and patrol the Parking Areas (but not solely or exclusively) for the purpose of enforcing the parking meter, time limit and permit parking restrictions described in Section 2.1 of this Agreement (collectively, the "Parking Restrictions"). The City further agrees that it will place signs on or about the Parking Area for the purpose of informing users of the Parking Area of the Parking Restrictions and that it will enforce the Parking Restrictions. In the event that the City shall elect to enforce the Parking Restrictions by the imposition of fines or other penalties upon violators thereof, the imposition of such fines and penalties shall not be deemed to violate the provisions of Section 2.2 hereof.

Section 2.6. Permits. The City agrees to cooperate with the Square to establish policies and procedures for the issuance of permits for the motor vehicle of any Permittees of the Square at the Lincoln Square Site, which policies and procedures may include the means to affix and locate any identification stickers upon the vehicles of such Permittees and any relevant identification or other information in connection therewith. The Parking Restrictions shall not apply and shall not be enforced against any such Permittees who park a motor vehicle in Lot 10-E and Lot 10-X of the Parking Area in accordance with any such agreed upon policies and procedures, but any other applicable parking restrictions or regulations shall be and remain applicable and may be enforced.

ARTICLE III

LINCOLN SQUARE SITE; OBLIGATIONS OF THE SQUARE

Section 3.1. Use of Lincoln Square Site. The Square agrees that it shall use the Lincoln Square Site solely as a multi-use residential, office and retail facility substantially in accordance with the Design Proposal for the Private Development Project as most recently approved by the City in accordance with the Redevelopment Agreement. In no event shall the Square provide any leasable space devoted to office use within the Lincoln Square Site that will exceed 60% of the total leasable space within the Lincoln Square Site when measured on a square footage basis; provided, however, that this limitation shall not apply to any additionally constructed leasable space that is not a part of the Design Proposal for the Private Development Project as most recently approved by the City in accordance with the Redevelopment Agreement. The Square agrees that it shall continuously operate the Lincoln Square Site for the purposes as stated above and will not use or permit the use of Lincoln Square for any other purpose inconsistent herewith. Without in any way qualifying, broadening or otherwise affecting the aforesaid provisions hereof, the Square specifically agrees that no portion of the Lincoln Square Site will be used or be permitted to be used for an Adult Entertainment Use, as such or any similar term is now or hereafter defined in the Zoning Ordinance of the City of Urbana.

Section 3.2. Operation of the Lincoln Square Site. The Square agrees that it shall generally operate its business in a substantially efficient and reputable manner and shall, except during reasonable periods of repairing, cleaning and decorating, keep the Lincoln Square Site open to the public for business during the regular and customary days and hours that such businesses are usually open for business. The Square further agrees that it shall keep the Lincoln Square Site in substantially good repair and operating condition and that it shall make from time to time all reasonably necessary repairs thereto and reasonable renewals and replacements thereof.

ARTICLE IV

PAYMENT OBLIGATIONS OF THE SQUARE

Section 4.1. Payments. For and during the Term of this Agreement, the Square shall pay to the City an annual payment for the parking benefits attributable to Lot 10-A South, Lot 10-F, Lot 10-E and Lot 10-X (the “**Annual Base Payment**”) and an annual payment for the parking benefits attributable to Lot 24 and the Adjacent Parking Lots (the “**Annual Permit Payment**”).

Section 4.2. Annual Base Payment. The Annual Base Payment shall be payable in equal monthly installments on the first day of each month during the Term of this Agreement, commencing on May 1, 2005, and shall be in the initial amount of \$85,280 per year. Such Annual

Base Payment shall be adjusted on May 1, 2006 and on each May 1 thereafter during the Term of this Agreement by the increase in the cost of living, as measured by the line captioned "all items" in the table and title "D-1 Consumer Price Index--All City Average," "all items groups, subgroups and special groups," published monthly in the Monthly Labor Review of the Bureau of Labor Statistics of the United States Department of Labor (the "CPI"). Such adjustment shall be determined by the following formula:

Annual Base Payment as last so increased under this Agreement

multiplied by:

$1 + \frac{\text{Current Index} - \text{Base Index}}{\text{Base Index}}$

Where, "Current Index" shall be the CPI for the month immediately prior to each applicable May 1 and "Base Index" shall be the CPI for the month immediately prior to the May 1 in the most recent calendar year. In no event, however, shall the Annual Base Payment for any period be less than the Annual Base Payment as last so increased under this Section. In the event that such CPI is no longer published or otherwise available, the adjustment provided for herein shall be by the successor (or the most nearly comparable successor) index thereto, adjusted as appropriate to the applicable dates.

Section 4.3. Annual Permit Payment. The Annual Permit Payment shall be payable in equal monthly installments on the first day of each month during the Term of the Agreement, commencing on May 1, 2005, and shall be in an amount of \$8,400.00 per year until April 30, 2015. Thereafter the Annual Permit Payment shall be at such rate or rates per permit as may then be in effect by the City for any such similar permit parking.

ARTICLE V DEFAULT AND REMEDIES

Section 5.1. Events of Default. The occurrence of any of the following events (an "Event of Default") shall constitute a default of this Agreement:

a. Any failure by the Square to make any payment or any installment thereof as provided in Article IV of this Agreement as and when due, where such failure shall continue for a period of ten (10) days after written notice thereof from the City to the Square.

b. Any failure by either party to observe and perform any other provision of this Agreement to be observed and performed by such party where such failure shall continue for a period of thirty (30) days after written notice thereof to such party from the other party not so in default, provided, that if the nature of such party's default is such that more than thirty (30) days are reasonably required for its cure, then such party shall not be deemed to be in default if such party commences such cure within such thirty (30) day period and thereafter diligently prosecutes such cure to completion.

c. Any breach by the Square under the Redevelopment Agreement.

Section 5.2. Remedies.

a. Upon the occurrence of any Event of Default by the Square under subsection a. of Section 5.1 above, the City shall have the right and option, in addition to and without limiting the City in the exercise of any other right or remedy to recover the amount of any payment or installment then due and owing the City by reason of such Event of Default, to terminate this Agreement. Upon the occurrence of an Event of Default under subsections b. or c. of Section 5.1 above, the City shall only have the right and option to terminate this Agreement.

b. Upon the occurrence of an Event of Default by the City under subsection b. of Section 5.1 above, the Square shall have the right and option, in addition to and without limiting the Square in the exercise of any other right or remedy the Square may have by reason of such Event of Default, to withhold all or any part of any payment or installment due and payable by the Square under Article IV hereof, as such payment or installment may be adjusted from time to time, until the fifteenth (15th) day next following the curing of such Event of Default. The Square shall further have the right and option to specifically enforce any of the provisions of this Agreement or to pursue any legal remedy to recover for the Event of Default; provided, however, that any remedy seeking damages shall be limited to actual loss and under no circumstances shall the Square have the right to seek or recover consequential damages such as lost profits.

Section 5.3. Cost and Expenses of Enforcement. Upon the occurrence of an Event of Default which requires either party to undertake any action to enforce any provision of this Agreement, the defaulting party shall pay upon demand all of the nondefaulting party's charges, costs and expenses, including the reasonable fees of attorneys, agents and others, as may be paid or incurred by such nondefaulting party in enforcing any of the defaulting party's obligations under this Agreement or in any litigation, negotiation or transaction in connection with this Agreement in which the defaulting party causes the nondefaulting party, without the nondefaulting party's fault, to become involved or concerned.

Section 5.4. Accord and Satisfaction. No payment received by the City of a lesser amount than the amount of any payment or installment then due and payable shall be deemed to be other than on account of the earliest stipulated payment or installment then due and payable nor shall any statement on a check or any letter accompanying a payment of any such payment or installment then due and payable be deemed an accord and satisfaction. The City may accept payment without prejudice to the City's right to recover the balance of any such payment or installment then due and payable or to pursue any remedy in this Agreement or provided by law.

Section 5.5. Waiver. The waiver by either party of any default of any term, covenant, or condition herein shall not be deemed or implied to affect, and no express waiver shall affect, any default other than the default specified in such waiver and then only for the time and to the extent stated therein. The acceptance of any payment by the City shall not be deemed a waiver of any preceding default by the Square of any covenant herein, other than the failure of the Square to pay the amount so accepted. No covenant, term or condition of this Agreement shall be waived by either party unless such waiver is in writing and any failure to insist upon strict performance of any of the provisions contained in this Agreement shall not be deemed a waiver of any subsequent default in any of such provisions.

Section 5.6. Rights and Remedies Cumulative. Except as otherwise specifically provided in this Article, the rights and remedies of the parties under this Agreement are cumulative, and the use of one or more thereof shall not exclude or waive the right to the use of any other remedy conferred by law, including specific performance or any other equitable action.

ARTICLE VI
MISCELLANEOUS

Section 6.1. Savings Clause. The invalidity or unenforceability of any provision of this Agreement shall not affect or impair any other provision thereof.

Section 6.2. Illinois Law; Venue. This Agreement shall be deemed to be a contract and an agreement made under and shall be construed in accordance with and governed by the laws of the State of Illinois. If any action or proceeding is commenced by either party to enforce any of the provisions of this Agreement, the venue for any such action or proceeding shall be in Champaign County, Illinois.

Section 6.3. Covenants to Run with Land. It is mutually covenanted and agreed by and between the parties hereto that the covenants and agreements herein contained shall be commercial covenants running with the land and that each and all of the covenants, agreements and obligations in this Agreement contained shall extend to, and bind or inure to the benefit of not only the parties hereto and each of them, but each and every one of their successors and assigns.
