**FROM:** John A. Schneider, MPA, Director, Community Development Services Department

**DATE:** January 31, 2019

**SUBJECT: An Ordinance Approving a Final Subdivision Plat  
(Union Gardens Subdivision – Plan Case No. 2364-S-18)**

---

**Introduction**

Trinitas Development, LLC. requests approval of a final plat for the Union Gardens Subdivision. The proposed subdivision comprises 40 acres and is located east of Fourth Street (Champaign), north of Bradley Avenue, and west of Federal Drive. The site is partially in Urbana and partially in Champaign. The lots are planned to be developed as Union Gardens, a duplex and townhome development.

**Background**

The Plan Commission approved the preliminary plat for Union Gardens on September 6, 2018 (Plan Case 2349-S-18). The proposed final plat would subdivide the 40-acre site into five lots. The northern part of the site was recently annexed into Urbana (Ord. No. 2018-09-060), and the two Urbana portions of the property were also rezoned to R-4, Medium Density Multiple-Family Residential (Ord. No. 2018-09-059) to facilitate the development of Union Gardens.

Section 21-15 of the Urbana Subdivision and Land Development Code specifies requirements for final plats. Preliminary plats show the locations of public utilities, paved roads and sidewalks, topographic lines, and other details required for establishment of a subdivision. Final plats, which are ultimately recorded by the Champaign County Recorder of Deeds, show the location of property lines and easements. According to Section 21-15.C of the Subdivision Code, if a final plat substantially conforms to the previously approved preliminary plat, the final plat shall be submitted directly to City Council for approval, which is applicable in this case.

**Discussion**

*Subdivision Layout and Access*

The property is located on farmland north of the Douglass Square and Carver Park subdivisions in Champaign. The five lots range in size and are separated by the proposed new public streets and by the east-west boundary between Urbana and Champaign. Fourth Street in Champaign will be extended north, and there will be two access points off of the extended road onto the site. Fifth Street in Champaign will also be extended as a public street and will provide access to the site from the south.

An emergency-only access road will extend north from Carver Drive. A fourth and final public access point will be provided by a new east-west public street running from Fourth Street to Federal Drive in Urbana.

*Drainage*

Detention basins will be installed on Lots 101 and 103, per preliminary engineering plans. As with all preliminary and final subdivision plats, final stormwater management plans must be approved by the City Engineer.

*Sidewalks*

Sidewalks will be installed along all public streets and private access drives on the site. Sidewalks will connect south to the Douglass Square and Carver Park subdivisions.

*Utilities*

Utilities are available adjacent to the site and will be extended to the site to serve the proposed development.

*Deferrals and Waivers*

The petitioner does not request any waivers or deferrals from the Urbana Subdivision and Land Development Ordinance.

**Summary of Findings**

1. Trinitas Development, LLC. has submitted a 40-acre Final Plat for Union Gardens Subdivision.
2. The proposed Final Plat is consistent with the approved preliminary plat approved in Plan Case 2349-S-18.
3. The proposed Final Plat is consistent with the zoning designation for the subject property.
4. The proposed Final Plat meets the requirements of the Urbana Subdivision and Land Development Code.
5. The proposed Final Plat is consistent with the approved Preliminary Plat, and per Section 21-15.C of the Urbana Subdivision and Land Development Code, the City Council may approve the Final Plat without review by Plan Commission.

## Options

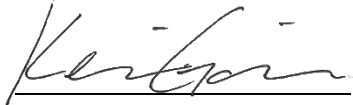

The City Council has the following options:

1. Approve the proposed final plat; or
2. Deny the proposed final plat. If denied, the Council shall state the reasons for the denial.

## Recommendation

Based on the analysis and findings presented herein, staff recommends that City Council APPROVE the Final Plat of Union Gardens Subdivision.
