New Business

A. *Bicycle Friendly Community (BFC) Application – Jennifer Selby*

Jennifer Selby explained the application page by page and reviewed her answers. She informed BPAC that she has worked with a steering committee to get the answers to the questions. Members of the Bike Project were in the audience to help complete the application. Brandon Bowersox suggested that Gary Cziko take notes on projects and ideas that we can work on in the future to get to the silver or platinum level for BFC. This application is due on Friday, February 19, 2010 and Jennifer will plan to submit the application on Thursday February 18, 2010 to avoid delays.

Future ideas noted: make showers and bike lockers available; acquire more on street bike parking; snow removal on shared use paths; bike detections at signals; adopt a complete streets policy; and educational in the middle and high schools.

Jennifer Selby will complete the application with the noted changes and submit it. She will attach a PDF copy of the final application and email to the commission members. The announcement of whether or not Urbana becomes a BFC will be made in April or May.
