

## DEPARTMENT OF COMMUNITY DEVELOPMENT SERVICES

*Grants Management Division*

### **m e m o r a n d u m**

**TO:** Elizabeth H. Tyler, FAICP, Community Development Director

**FROM:** John A. Schneider, Manager, Grants Management Division

**DATE:** February 18, 2011

**SUBJECT:** **Draft City of Urbana and Urbana HOME Consortium (Champaign/Urbana/Champaign County) Annual Action Plan– FY 2011-2012**

---

### **Description**

Included on the agenda of the February 22, 2010 meeting of the Community Development Commission is a review of the Draft City of Urbana and Urbana HOME Consortium FY 2011-2012 Annual Action Plan (AAP). Staff is requesting public input and recommendations regarding the proposed programs, projects, and budgets outlined the AAP for FY 2011-2012.

### **Issues**

The issue is for the Community Development Commission (CDC) to review the Draft AAP for FY 2011-2012 and provide input regarding the proposed allocations of funding. At its January 25, 2011 meeting, CDC reviewed grant applications that had been submitted as part of the annual Community Development Block Grant (CDBG) grant process for public facility projects and recommended a funding amount for each application. The CDC also reviewed applications for HOME Investment Partnerships (HOME) Program funding for housing projects, including those from Community Housing Development Organizations (CHDOs). However, due to a lack of project readiness, no recommendations were made regarding those HOME funding requests.

The Draft AAP for FY 2011-2012 will be made available for public review and comment beginning February 25, 2011. At the end of the thirty-day public review period, staff will incorporate public comments and CDC input into the Draft Action Plan. During its March 29, 2011 rescheduled regular meeting, CDC will review the draft with changes and will be asked to make a recommendation to the Urbana City Council regarding the FY 2011-2012 AAP.

### **Background**

The HUD Representative for the City of Urbana and Urbana Consortium advised staff to assume that the allocations for FY 2011-2012 would be at the same level as was allocated for the previous fiscal year. In FY 2010-2011, the HOME allocation was **\$1,130,755** and the CDBG allocation was approximately **\$505,007**.

In accordance with the Citizen Participation Plan outlined in the City of Urbana and Urbana HOME Consortium Draft Consolidated Plan for FY 2010-2014, a series of neighborhood meetings and public hearings were held to gather citizen input on the proposed utilization of the City's CDBG and HOME funding. The Draft Annual Action Plan includes comments from these public meetings/hearings that were held as follows:

#### NEIGHBORHOOD OPEN HOUSES/PUBLIC HEARINGS

- Monday, January 3, 2011, 7:00 PM  
Prairie School Library, 2102 E. Washington Street, Urbana
- Tuesday, January 4, 2011, 7:00 PM  
City of Urbana Council Chambers, 400 S. Vine Street, Urbana
- Wednesday, January 5, 2011, 7:00 PM  
Washington Early Childhood School Library, 1102 N. Broadway Avenue, Urbana
- Thursday, January 6, 2011, 7:00 PM  
King School Library, 1108 W. Fairview Avenue, Urbana

#### PUBLIC HEARINGS FOR NON-PROFIT AGENCIES AND ORGANIZATIONS

- Tuesday, January 4, 2011 10:00 AM  
City of Urbana Council Chambers, 400 S. Vine Street, Urbana

The Draft Annual Action Plan (AAP) for FY 2011-2012 includes the proposed budget for utilizing the Urbana CDBG entitlement funds and incorporates CDC recommendations from its January 25, 2011 meeting. The Draft AAP includes amounts budgeted for CHDO Operating, CHDO Reserve, and Program Administration but does not yet include specifics regarding allocations to CHDOs because of readiness problems associated with the potential projects and CHDO certification. The HOME Consortium Technical Committee will provide a final recommendation for funding the CHDOs in time for CDC to make a recommendation to Council at its meeting in March 2011.

The draft budgets for HOME Program funding for the City of Champaign, Champaign County and City of Urbana are also included. Champaign County is in the process of deciding how to allocate its portion of the HOME funding and will finalize the budget in time to be included in the AAP prior to the March 29<sup>th</sup> CDC meeting. For Urbana funds, Whole House Rehabilitation and Program Delivery budgets are the same as in FY 2010-2011. The remaining balance may be allocated to other programs such as Rental Rehabilitation or the Kerr Avenue Development.

As more information regarding the proposed projects during the upcoming 30-day period is acquired, recommended funding amounts will be developed and placed in the FY 2011-2012 AAP that will be presented to the CDC at its March 29, 2011 rescheduled regular meeting for a recommendation to the Urbana City Council.

## **COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PROGRAM**

For FY 2011-2012, the City of Urbana's CDBG allocation from HUD is projected as the same as last year's funding of approximately **\$505,007**. The CDBG revenues are enhanced by the projected availability of an estimated **\$11,445** in program income from prior years. Total estimated CDBG resources for FY 2011-2012, including estimated program income, amounts to **\$516,452**.

Following is a summary of staff recommendations regarding the utilization of the Community Development Block Grant funds:

### **City of Urbana CDBG**

#### **Administration (FY 11-12)**

**\$101,001**

Funding for administration is limited to 20% of the current CDBG allocation and 20% of the program income received during the program year.

#### **Program Delivery (FY 11-12)**

**\$89,500**

These funds are used for personnel expenses and other costs more directly related to implementation of specific internal housing and community development programs. Most expenses are related to the implementation of the City's housing rehabilitation programs. Funding is at generally the same level as for the previous fiscal year.

#### **Emergency Grant/Access Grant (FY 11-12)**

**\$80,000**

This Emergency Grant Program supports affordable housing by making necessary emergency repairs that keep homes habitable. The Access Grant Program helps persons with disabilities by providing access improvements to facilitate mobility. Funding is at the same level as for the previous fiscal year.

#### **Urbana Senior Repair Program (FY 11-12)**

**\$20,000**

This program is essential in helping to meet affordable housing needs of Urbana's seniors. Funding is used to make minor repairs, which help to provide safe and functioning housing. This program is also funded at the same level as last year.

#### **Property Acquisition in Support of New Construction and Relocation/Clearance/Disposition Activities (FY 11-12)**

**\$17,868**

Funds will be allocated for the purchase and maintenance of properties and structures primarily in Census Tracts 53, 54, 55, and 56/Block 1. Projects and utilization of the properties may include the following:

- Donation to non-profit housing developers to build affordable housing.
- City sponsored rehabilitation and re-sale to qualified homebuyers.
- Donation to other organizations to support CDBG-eligible programs.

Funds may also be used for the purchase of homes previously assisted with Urbana CDBG or HOME Consortium funds subject to possible foreclosure or related events that jeopardize the project benefit to low/moderate income persons. Lots will be cleared of substandard structures or debris as needed. The Federal Uniform Relocation Act will govern any necessary relocation activities. Properties may also be acquired and cleared for blight abatement purposes only. City-owned properties will be properly maintained while they are the responsibility of the City. Funding for this program is impacted by the amount allocated to the Public Facilities and Improvements projects.

**Public Facilities and Improvements (FY 11-12)**

The following projects are proposed to be funded using CDBG funding from FY 2011-2012:

**C-U Independence, Urbana**

**\$60,000**

Funding will be used for the installation of new flooring throughout the individual apartments, hallways, stairwells, and common areas, and to paint an exposed sprinkler system at their supported-living apartment building for individuals with development disabilities

**Center for Women in Transition**

**A Woman's Place/Domestic Violence Program, Urbana**

**\$11,851**

Funding will be used for the installation of additional sprinklers to provide fire suppression within the facility. The sprinklers need to be placed in the community rooms, hallways and offices providing services to their clients. This requires piping to be installed through solid "firewalls" and connected to the existing pressurized system, and then attaching sprinkler heads.

**Center for Women in Transition**

**Forbes House, Champaign**

**\$8,250**

The requested funding will be used to remove the old kitchen and install new flooring, electrical outlets, cabinetry, plumbing, counter tops, and painting the kitchen.

**Mental Health Center of Champaign County Housing Corporation**

**Carroll Avenue Supported Apartments, Urbana**

**\$3,275**

Funds will be used to install energy efficient florescent lighting in the Carroll Avenue Supported Apartment Program, a 16-unit affordable housing complex for those with psychiatric disabilities.

**University YMCA at the University of Illinois, Urbana**

**\$5,240**

The requested funding will be used to increase the accessibility of the YMCA building, specifically to renovate the men’s and women’s bathrooms on the lower level.

**Urbana Neighborhood Connections Center, Urbana**

**\$1,999**

Funds will be used to renovate flooring in the Urbana Neighborhood Connections Center. The two areas include the central assembly area and the computer lab floors. Prior to January 2010, the building had been vacant for approximately five-six years; portions of the carpet are severely damaged and portions of the tile are broken or missing.

**Public Service Funding Programs**

**\$ 77,468 (Total Public Service Funding)**

Funding for public service programs is limited to 15% of the current CDBG allocation and 15% of the prior year’s program income. Programs to be funded from the Public Service Fund include the following:

**Transitional Housing Program (FY 11-12)**

**Personnel \$33,500**

**Programming \$23,468**

Funds are used for staffing and costs associated with the Transitional Housing Program including for utilities, maintenance, and remodeling.

**Consolidated Social Service Fund (FY 11-12)**

**\$12,500**

Funding will be contributed to the City of Urbana and Cunningham Township’s Consolidated Social Service Funding pool. CDBG eligible projects will be identified to utilize these funds.

**Neighborhood Cleanup (FY 11-12)**

**\$8,000 (\$15,000 total proposed includes \$7,500 NIF funds)**

Although this neighborhood cleanup event is very popular, HUD regulations allow only 15% of the total allocation to be used for Public Services. In light of previous reductions, funding for this program has been decreased slightly. However, the City may use NIF funds or other funding sources, if available, to maintain the program at two cleanups per year.

**CITY INFRASTRUCTURE PROJECTS (FY 11-12)**

Funds will be used toward the construction or reconstruction of City infrastructure in one or more of the following projects in the City’s Target areas:

**\$60,000**

Neighborhood Sidewalks: Division (Oakland-Thompson); Busey (south of Sunset) CT 54
Census Tract 53 Street Lighting
Division Street Reconstruction (South of Kerr)
Mathews Street Reconstruction (Church - Ellis) CT 53
Kerr Project Subdivision Infrastructure CT 54

## **Consortium Member Projects (FY 11-12)**

Following is a listing of projects proposed to be undertaken by each member of the consortium:

### **City of Urbana**

<b>FY 11-12 HOME allocation:</b>	<b>\$ 257,247</b>
<b>Program Income (est)</b>	<b><u>\$ 12,500</u></b>
<b>Total Available Funds:</b>	<b>\$ 269,747</b>

**Match Required: \$64,312**

#### **City of Urbana**

**\$ 129,798 HOME (\$32,450 Match required)**

##### **Owner Occupied Whole House Rehabilitation Program (4-7 units)**

This program is a fundamental part of the Grants Management Division. The Owner Occupied Housing Rehabilitation Program provides an essential tool to maintain the City's stock of affordable housing and improve/stabilize neighborhoods. The program also creates a core competency within the GMD staff to engage in housing rehabilitation programming and obtaining additional housing resources such as Federal Home Loan Bank of Chicago and Illinois Housing Development Authority.

#### **City of Urbana**

**\$ 69,960 HOME (\$17,490 Match Required)**

##### **Program Delivery**

Funding is used to cover expenses for personnel who are directly involved in the delivery of the program to clients.

The remaining balance of **\$69,989** in Urbana HOME funding may be allocated to one or more of the following programs/projects:

#### **City of Urbana**

##### **Kerr Avenue Sustainable Development**

HOME funds are set aside to be used in conjunction with the redevelopment of the City-owned property at 401 E. Kerr Avenue into an affordable, energy efficient sustainable housing development. The project must be consistent with affordable housing goals as outlined in the Consolidated Plan, the 2005 Comprehensive Plan, and must comply with applicable local, state and federal regulations.

#### **City of Urbana**

##### **Rental Rehabilitation**

Funding may be used to assist in the renovation of eligible rental properties in the City of Urbana. Eligible units/properties will be occupied by tenants at or below 60% of the Area Median Family Income and will comply with HOME Program rent restrictions for the area. Long-term affordability restrictions will apply to units renovated through this program, in accordance with the level of HOME subsidy provided to assist each unit.

**City of Champaign (FY 11-12)**

**FY 11-12 HOME allocation:** \$ 433,757  
**Program Income:** \$ 24,500  
**Total Available Funds:** \$ 458,257

**Match Required: \$108,439**

**City of Champaign  
\$ 361,757 HOME (\$90,439 Match; 24,500 Program Income)  
Neighborhood Revitalization Program**

Funds may be allocated to existing programs, such as the Acquisition-Rehabilitation or Lot Acquisition program, to promote revitalization efforts of targeted neighborhoods. The area identified may be included in the Neighborhood Wellness Plan or in specific neighborhood plans (i.e. Beardsley Park, Bristol Park, Burch Village Area Redevelopment, etc) to further goals identified in the plans.

**City of Champaign  
\$ 72,000 HOME (\$18,000 Match)  
Tenant Based Rental Assistance**

HOME funds will be used to provide affordable housing assistance to low-income residents of the City of Champaign. At least 90% of the assisted households will have annual income at or below 60% of the Median Family Income in accordance with HOME Regulations. The participating clients follow a team-approved plan for achieving self-sufficiency and make co-payments toward rent (not to exceed 30% of the household income), based on their approved self-sufficiency plan.

**Champaign County (FY 11-12)**

**FY 11-12 HOME allocation:** \$ 100,524

**Match Required: \$25,131**

**Champaign County  
\$ 100,524 HOME (\$25,131 Match)** These HOME funds may be allocated to Housing Rehabilitation, Program Delivery, Tenant Based Rental Assistance; or other eligible programs.

**Fiscal Impact**

Spreadsheets are included in the DRAFT FY 2011-2012 Annual Action Plan to reflect the fiscal analysis associated with programs and projects that staff has recommended. Note that the HOME funds do require a 25% match of **\$64,312** for Urbana's HOME Allocation of **\$257,247**. Local Match may be provided from the City's Capitol Improvement Fund or may come from the Match accrued through previous Urbana projects.

## **Recommendation**

Staff recommends that the CDC review and provide comments on the Draft FY 2011-2012 Annual Action Plan that will aid staff with preparing the final FY 2011-2012 AAP.

## **ANNUAL ACTION PLAN – FY 2011-2012**

---

### **I. INTRODUCTION**

#### **Form Application**

See Standard Forms HUD-424.

#### **FY 2011-2012 Annual Action Plan:**

The Urbana HOME Consortium and the City of Urbana Annual Action Plan for FY 2011-2012 identifies activities that are planned to be implemented by the City of Urbana and the members of the Urbana HOME Consortium during the period beginning July 1, 2011 and ending June 30, 2012.

This Annual Action Plan budgets the use of two federal housing entitlement funds, Community Development Block Grant (CDBG) and the HOME Investment Partnerships (HOME) Program. The Annual Action Plan for FY 2011-2012 has been developed to further five-year strategies identified in the *Urbana HOME Consortium and City of Urbana Consolidated Plan for Program Years 2010-2014*. The Annual Action Plan identifies activities that will be undertaken by the City of Urbana and the Urbana HOME Consortium during the second year of the five-year Consolidated Plan period.

The CDBG portion of the Annual Action Plan identifies the planned uses of CDBG entitlement funds by the City of Urbana for FY 2011-2012. The HOME portion of the Annual Action Plan identifies uses of HOME funds by members of the Urbana HOME Consortium. The members of the Urbana HOME Consortium (a.k.a. the Champaign/Urbana/Champaign County HOME Consortium) are the City of Urbana, the City of Champaign, and Champaign County.

The Annual Action Plan will be on file for public review and comment during the period beginning February 25, 2011 through March 29, 2011. On March 29, 2011 the City will hold a public hearing to obtain comments regarding the draft Annual Action Plan. The hearing will be held at 7:00 p.m. in the Council Chambers of the Urbana City Complex, 400 South Vine Street. All comments received at the hearing, as well as other written comments submitted during the public review period, will be included in the Annual Action Plan.

**For more information regarding the City of Urbana’s use of CDBG or HOME funds, contact:**

John A. Schneider, City of Urbana, Grants Management Division, at 217-384-2447 or by email at: [jaschneider@urbanaininois.us](mailto:jaschneider@urbanaininois.us)

For more information regarding use of CDBG or HOME funds in the City of Champaign, contact:

Kerri Spear, Neighborhood Programs Manager, City of Champaign, Neighborhood Services Department, at 217-403-7070. The Neighborhood Services Department email address is: [NeighborhoodServices@ci.champaign.il.us](mailto:NeighborhoodServices@ci.champaign.il.us).

For more information regarding use of HOME funds in unincorporated Champaign County, contact:

Darlene Kloeppel or Sean Treat, Champaign County Regional Planning Commission, at 217-328-3313 or by email at [dkloeppel@ccrpc.org](mailto:dkloeppel@ccrpc.org), or [streat@ccrpc.org](mailto:streat@ccrpc.org).

## **A. EXECUTIVE SUMMARY**

### **1. Managing the Process**

The FY 2011-2012 Urbana HOME Consortium and the City of Urbana DRAFT Annual Action Plan identifies housing and community development activities to be implemented during the second year of the five-year Consolidated Plan period. The DRAFT Annual Action Plan identifies activities that will be undertaken by the City of Urbana with Community Development Block Grant (CDBG) funds during the year beginning July 1, 2011, as well as activities to be undertaken by the City of Urbana, City of Champaign, and Champaign County with HOME Investment Partnerships (HOME) funds during the same year.

The DRAFT Annual Action Plan is being prepared by the City of Urbana in its dual capacity as CDBG entitlement recipient and lead entity of the Urbana HOME Consortium. The Urbana Community Development Commission will review the proposed Annual Action Plan at its March 29, 2011 meeting and will make a recommendation to the Urbana City Council regarding approval of the Plan.

The Urbana City Council Committee of the Whole will review the Annual Action Plan at its April 11, 2011 meeting. The Urbana City Council will be asked to approve the proposed FY 2011-2012 Annual Action Plan at its Regular Meeting on April 18, 2011. Prior to approving the Annual Action Plan, the City of Urbana will obtain concurrence from the City of Champaign and Champaign County regarding the use of HOME funds by the Consortium members.

Activities in this DRAFT Annual Action Plan address strategies identified in the five-year 2010-2014 Consolidated Plan. Through its **CDBG Program**, the City of Urbana proposes to:

- Conserve housing stock through rehabilitation.
- Provide improvements necessary to remove barriers to accessibility to persons with disabilities (Access/Emergency Grants).
- Alleviate hazardous conditions that pose a threat to health and safety of residents (Access/Emergency Grants).
- Provide funds for home maintenance repair for elderly or persons with disabilities at any age, for very-low income households (Senior Repair Service Grants).
- Provide funds for property acquisition/demolition/maintenance to eliminate slum and blight, and support Affordable Housing programs with non-profits and Community Development Housing Organizations (CHDOs).
- Provide funding to C-U Independence, which manages the Developmental Services Center group home at their Kerr Avenue facility in Urbana, for the installation of new flooring and painting of an exposed sprinkler system.
- Provide funding to Center for Women in Transition at their domestic violence (DV) **shelter (formerly A Woman's Place)** located in Urbana for the installation

of a new sprinkler system, and the replacement of the kitchen in the Forbes shelter located in Champaign.

- Provide funding to the YMCA at the University of Illinois located in Champaign **for improving accessibility to the men's and women's bathrooms** on the lower lever to make them ADA compliant.
- Provide funding to the Mental Health Center of Champaign County Housing Corporation for the installation of lighting upgrades in the kitchen and bathroom of each unit at the Carroll Avenue Supported Apartment Program located in Urbana.
- Provide funding to the Urbana Neighborhood Connections Center for the installation of new flooring.
- **Provide funding, which augments the City's general revenue fund, for street, sidewalk, and streetlight improvements in targeted neighborhoods.**
- Support public service programs and other activities targeted toward very low-income Urbana residents.
- Sponsor special neighborhood cleanup activities in the target areas.
- Assist homeless families through the City's Transitional Housing Program.
- Contribute funds toward the development of infrastructure on the Kerr Avenue affordable and sustainable housing project (carryover).

Through the **HOME Program**, the Urbana HOME Consortium members propose to:

- Provide operating funds to certified Community Housing Development Organizations (CHDOs) that develop affordable housing opportunities.
- Contribute toward projects providing homeownership of newly constructed energy efficient homes for low- and moderate-income families (Champaign County Neighborhood Alliance for Habitat).
- Rehabilitate owner-occupied housing in Champaign, Urbana, and in unincorporated areas of Champaign County.
- Contribute funds for the process of planning and designing affordable, sustainable housing on City-owned property.
- Contribute toward programs that will provide homeownership units for low- and very-low income households.
- Contribute funds toward rehabilitation of rental units for low- and very-low income households.

The Annual Action Plan was developed by the City of Urbana in accordance with its Citizen Participation Plan, which is included as part of the Consolidated Plan. The Urbana Community Development Commission sponsored public hearings to obtain input prior to and during plan preparation. In order to encourage public participation by the broadest audience possible, the City held public hearings and solicited citizen input at various times and locations throughout the City.

## **2. Objectives and Outcomes**

A summary of the Consolidated Plan Objectives and Outcomes is provided below and contains Objectives (with associated Goals as listed in Appendix D of the FY 2010-2014 City of Urbana and Urbana HOME Consortium Consolidated Plan) and the anticipated Outcomes from implementing the strategies associated with the Consolidated Plan goals.

The following Objectives and Outcomes summary serves as the framework for an outcome-based performance measurement system for the City of Urbana and Urbana HOME Consortium to monitor its progress toward meeting goals of the FY 2010-2014 Consolidated Plan. Each project identified in this Annual Action Plan provides the applicable Objectives and Outcomes. The anticipated results are provided as "Outcome Indicators."

### **OBJECTIVE 1: PROVIDE A SUITABLE LIVING ENVIRONMENT**

**GOAL 6:** *Provide Support for existing agencies delivering services to homeless individuals and families and encourage expansion of local services to meet community homeless needs.*

**GOAL 7:** *Support efforts to reduce the exposure of young children to lead-based paint hazards in their homes*

**GOAL 8:** *Support infrastructure improvements in Urbana's Community Development Target Area*

**GOAL 9:** *Preserve and support Urbana's neighborhoods as vibrant places to live.*

### **Outcome: Accessibility for the purpose of creating suitable living environments**

**Strategies**

Create a Suitable Living Environment by providing better access to health care in the community for low-income residents. *(All Public Facilities Projects: C-U Independence, Center for Women in Transition, Mental Health Center of Champaign County Housing Corporation, YMCA at the University of Illinois, and Urbana Neighborhood Connections Center)*

Create a Suitable Living Environment for owner-occupied households with incomes at or below 80% of the area median by improving infrastructure in the targeted neighborhood. *(Projects include Neighborhood Sidewalks & Streetlights, and Kerr Subdivision Project Infrastructure)*

Create a Suitable Living Environment by improving the appearance of the targeted areas by reducing blight. *(Neighborhood Cleanup)*

**Outcome: Sustainability for the purpose of creating suitable living environments**

<b>Strategies</b>	Create Suitable Living Environment by addressing conditions that are a threat to the health and safety of homeowners and/or provide lead safe housing and making housing accessible to persons with disabilities. <i>(Emergency Grant and Access Grant)</i>
	Create Suitable Living Environment by addressing conditions that are a threat to the health and safety of homeowners and/or provide lead safe housing and housing accessible to persons with disabilities. All recipients of assistance must have household incomes at or below 50% of the area median. <i>(Senior Repair Service)</i>
	Create Suitable Living Environment by providing assistance to property owners in the target area having household incomes at or below 80% Median Family Income (MFI) by removing dilapidated structures from owner-occupied property. <i>(Clearance of Slum &amp; Blighted Conditions)</i>

**Outcome: Sustainability for the purpose of creating suitable living environments**

<b>Strategies</b>	Create a Suitable Living Environment by providing better access to social services in the community for low-income residents. <i>(Consolidated Social Service Funding Projects)</i>
-------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**Outcome: Affordability for the purpose of creating suitable living environments**

<b>Strategy</b>	Create a Suitable Living Environment by providing support to the existing network of local homeless services. <i>(Urbana-Champaign Continuum of Care, Council of Service Providers to the Homeless, and the Emergency Relocation Task Force)</i>
-----------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**OBJECTIVE 2: PROVIDE DECENT HOUSING**

**GOAL 1:** *Provide decent affordable housing opportunities for low- and moderate-income households.*

**GOAL 2:** *Address barriers to obtaining affordable housing*

**GOAL 3:** *Preserve and improve supply of affordable housing as a community resource.*

**GOAL 4:** *Work with Housing Authority of Champaign County (HACC) to improve conditions for residents of public housing.*

**Outcome: Affordability for the purpose of providing decent affordable housing**

<b>Strategies</b>	Provide Decent Housing by increasing capacity of Community Housing Development Organizations (CHDOs) to identify and implement programs that will provide affordable housing opportunities to recipients at or below 60% of area median income for rental and at or below 80% of the area median for homeownership). <i>(CHDO Home ownership/rental programs)</i>
	Provide Decent Housing by creating or maintaining affordable housing opportunities

<b>Strategies</b>	for households with incomes at or below 80% of the area median ( <i>Property Acquisition</i> )
	Provide Decent Housing by providing an opportunity for households with incomes at or below 80% of the area median to become homeowners ( <i>CHDO affordable housing projects</i> )
	Provide Decent Housing by constructing new mixed-income housing tax credit development that would include at least thirty units for residents whose household incomes are at or below 60% Median Family Income (MFI). ( <i>Redevelopment of Dunbar Court</i> )
	Provide Decent Housing by providing tenant-based rental assistance to households with incomes at or below 60% of the area median, targeting those at or below 125% of the poverty line. ( <i>Tenant Based Rental Assistance</i> )
	Provide Decent Housing by developing new down payment assistance programs for low-income buyers. ( <i>Home Consortium – Acquisition Rehab</i> )

**Outcome: Accessibility for the purpose of providing decent affordable housing.**

<b>Strategies</b>	Provide Decent Housing by providing access to services and counseling for homeless families with children to assist with transition into more permanent housing ( <i>Urbana Transitional Housing Program for Homeless Families with Children; Supportive Housing Program for Homeless Families in Transition</i> )
	Provide Decent Housing by identifying programs that will provide affordable housing opportunities to income qualified recipients (at or below 60% of area median for rental and at or below 80% of the area median for homeownership). ( <i>City Redevelopment Programs</i> )
<b>Strategies</b>	Provide Decent Housing by addressing conditions that are a result of deferred maintenance through rehabilitation of homes of recipients from three income categories, at or below 30% MFI, 31-50% MFI and 51-80% MFI. Program is intended to improve the quality of the housing stock by bringing units into compliance with applicable code requirements, eliminating lead based paint hazards, and improving exterior appearance. ( <i>Whole House Rehabilitation Program</i> )

**OBJECTIVE 3: Expand Economic Opportunities**

**GOAL 5:** *Support community efforts to provide services and training for low- and moderate-income residents.*

**GOAL 6:** *Provide Support for existing agencies delivering services to homeless individuals and families and encourage the expansion of local services to meet community homeless needs.*

**Outcome: Accessibility for the purpose of creating economic opportunities**

**Strategies**

Support expansion of job-training programs for low-income individuals by area social service agencies, and encourage them to conduct a review of all available programs to determine if they meet current need. *(Consolidated Social Service Funding Projects)*

Encourage appropriate area social service agencies to expand recreational, educational, and cultural opportunities and alternatives for very low-income youth and young adults *(Consolidated Social Service Funding Projects)*

Support area providers such as the Senior Services Division of Champaign County Regional Planning Commission and Family Service of Champaign County in their efforts to provide supportive services to low-income elderly persons residing in Urbana *(Consolidated Social Service Funding Projects)*

**3. Evaluation of Past Performance**

Based on input received during public hearings, Community Development Commission meetings and City Council meetings, infrastructure projects to be implemented during the FY 2010-2014 Consolidated Planning period will help to provide a more suitable and safe living environment. The infrastructure reconstruction and installation projects in this Annual Action Plan will also address suitable and safe living environment objectives.

The demand for assistance through the Emergency, Access, and Senior Repair Programs fluctuates year-to-year. Increasing utility and maintenance costs as well as other rising housing costs place a burden on the lower income households. The City maintains a waiting list for Whole House Rehabilitation participants for which the demand remains high due to limited funding availability. Owner-occupied housing rehabilitation programs have a positive impact for participants and help stabilize properties. Programs addressing neighborhood conditions are continuing to become more successful at improving the overall appearance of the target neighborhoods.

Since 2007, City of Urbana staff has annually conducted a survey in the target neighborhoods to identify blighted secondary structures and vacant, deteriorated buildings that need to be repaired or demolished. As part of this program, during FY 2011-2012, Code Enforcement staff will continue to work with owners to encourage mitigation of the blighted conditions. Property owners are also informed of the availability of City of Urbana programs for income-qualified owner-occupants that will offset the cost of abatement. In the past four years this process has resulted in removal of 24 blighted structures.

The Neighborhood Newsletter is mailed three times each year to provide residents of the target neighborhoods notification of the available programs for assistance and to address these conditions. The City also keeps residents informed through public notices and information posted on the City website at [www.urbanaininois.us](http://www.urbanaininois.us), in the local newspaper, and on the public access television channel.

**The City's Emergency** Grant and Senior Repair Service Programs provide much-needed funds that mitigate the immediate and deferred maintenance issues for those who otherwise would not be able to afford such repairs. This is an essential element of helping to stabilize the target neighborhoods.

The Access Grant Program is intended to help remove barriers to accessibility for persons with disabilities. It is available for renters or homeowners who earn less than 80% of Median Family Income to make necessary improvements.

In FY 2011-2012, the City and Urbana HOME Consortium Programs have assisted residents by program or location as indicated in the following table. The table also includes the expected number of residents estimated to be served during FY 2011-2012.

		<b>Number Assisted</b>		
	<b>Program Name</b>	<b>FY 2010-2011</b>	<b>FY 2010-2014</b>	<b>FY 2011-</b>
		<b>(to date)</b>	<b>Con Plan</b>	<b>2012</b>
			<b>Period Goals</b>	<b>Expected</b>
City of Urbana HOME & CDBG	Urbana Emergency Grant/Access Grant	11	91	20
	Urbana Whole House Rehabilitation	4	24	5
	Urbana Senior Repair Service	22	102	18
	Urbana Public Facilities Improvements	421	4665	2774
	Urbana Public Services			
	Transitional Housing Program	4 families	18 families	4 families
	Consolidated Social Service Funding	642	2378	675
	Neighborhood Cleanup	242	1528	475
HOME - City of Champaign & Champaign County	<b>CHDO Consortium Homeownership Programs</b>	0	14	5
	<b>CHDO – HOME Consortium Rental Programs</b>	2	2	0
	Consortium TBRA (# of Households)	9	9	10
	Champaign - Full Home Rehabilitation	0	37	4
	Champaign - New Rental Housing Units	0	4	0
	Champaign – Rental Rehabilitation	0	0	4
	Champaign – Lot Acquisition	0	10	1
	Champaign – Acquisition Rehab	10	6	11
County – Full Home Rehabilitation	1	8	3	

The City and Consortium work to identify other new programs to improve property values and neighborhood appearance; however, federal funding limitations may affect the extent to which new programs can be carried out.

The City of Urbana instituted a Rental Registration Program in 2007 to address rental property conditions. The program is enforced on a citywide basis to ensure that all rental units are in compliance with the current property maintenance codes. This program will help to stabilize neighborhoods through inspection of rental units to ensure safe housing that complies with City codes for the tenants. In FY 2010, City inspectors have inspected approximately 1255 dwelling units in six geographical areas of Urbana. The total number of units inspected since the program began in 2007 is 6238. The program goal is for all of the 9111 currently registered rental units in the City to be systematically inspected at least every five years to ensure compliance with the current Property Maintenance Code standards.

## **B. CITIZEN PARTICIPATION**

The DRAFT Annual Action Plan was developed by the City of Urbana in accordance with its Citizen Participation Plan included as part of the 2010-2014 Consolidated Plan process. The Urbana Community Development Commission sponsored public hearings to obtain input prior to and during plan preparation. In order to encourage public participation by the broadest audience possible, the City held public hearings, and solicited citizen input at various times and locations throughout the City, as follows:

<b>Date</b>	<b>Format</b>	<b>Target Audience</b>	<b>Location</b>	<b>Morn.</b>	<b>Eve.</b>
12/06/10	Open Meeting	Social Service Agencies	Urbana City Building	✓	✓
1/03/11	Neighborhood Meeting	Residents of Neighborhood, Urbana & Consortium	Prairie Elementary School Library		✓
1/04/11	Public Hearing	Social Service Agencies	Urbana City Building	✓	
1/04/11	Public Hearing	Residents of Neighborhood, Urbana & Consortium	Urbana City Building		✓
1/05/11	Neighborhood Meeting	Residents of Neighborhood, Urbana & Consortium	Washington Early Childhood School Library		✓
1/06/11	Neighborhood Meeting	Residents of Neighborhood, Urbana & Consortium	King Elementary School		✓
2/25/11-3/29/11	Public Review & Comment	Residents of Neighborhood, Urbana & Consortium, and all interested parties	Urbana Public Library	(Business Hrs)	
			City Clerk's Office	✓	
			Community Development Services Office	✓	
3/29/11	Public Hearing	Residents of Urbana & Consortium and all interested parties	Urbana City Building		✓

## **1. Citizen Participation: Comments Received**

Comments received in January 2011 regarding the Annual Action Plan are in support of the City continuing support of Consolidated Social Service Programs, and the funding for Public Facility and Infrastructure improvements. Meeting minutes and attendance sheets are included as Appendix IV to this Action Plan. In order to broaden public participation in the Consolidated Plan/Annual Action Plan process, the City provided notice of neighborhood meetings and public hearings as follows:

- Included all meeting information in a newsletter which is sent to all residents of **the City's target areas**
- Provided public notice by advertising in a local, widely-read newspaper
- Provided public notice on City Website [www.urbanainillinois.us](http://www.urbanainillinois.us)
- Provided announcements via a City operated public access television channel which is available to residents of the broader community (City of Urbana, City of Champaign, and Champaign County)

## **C. RESOURCES**

The Annual Action Plan describes activities to be undertaken by the City of Urbana with CDBG funds and by Urbana HOME Consortium members with HOME funds. The City of Urbana expects to receive **\$505,007** in FY 2011-2012 CDBG entitlement funds. These funds will be combined with an estimated **\$11,445** in program income to create a total estimated CDBG program budget of **\$516,452**.

Leveraging is one of three primary objectives used by the City to determine how CDBG funds are to be used in Urbana (the other two objectives are impact on community and collaboration with other agencies). The following CDBG-funded activities involve leveraging of other public and private funds:

- CDBG funds for infrastructure improvement activities within the targeted area will leverage other city resources and, in one case, federal funds for the project.
- All CDBG subrecipients have pledged non-CDBG funds as leverage for delivery of their CDBG-funded activities: C-U Independence has pledged twenty-five percent (25%) towards repairs at their Kerr Avenue facility; Center for Women has pledged twenty-five percent (25%) towards kitchen renovations of their Forbes building & twenty-five percent (25%) toward the installation of a new sprinkler system at the domestic violence (DV) shelter (**former A Woman's Place**); the YMCA at the University of Illinois has pledged seventy-six percent (76%) towards **the renovations to the men's and women's bathrooms on the lower level to make them ADA compliant**; Mental Health Center of Champaign County Housing Corporation has pledged twenty-six percent (26%) towards the lighting upgrade to the kitchen and

bathroom of each unit at their Carroll Avenue Supported group home; and the Urbana Neighborhood Connections Center has pledged sixty-six percent (66%) towards the installation of new flooring.

- The Urbana HOME Consortium expects to receive **\$1,130,755** in FY 2011-2012 HOME funds. These funds will be combined with **\$226,151** in Consortium-wide Local Match funds. The final Annual Action Plan will have a budget total that includes projected administrative carryover. Funds remaining as of July 1, 2011 from uncompleted projects from previous years will be carried over to be expended in the next year.

As with the CDBG program, many HOME-assisted activities involve leveraging non-HOME funds:

- HOME funds allocated to the Ecological Construction Laboratory for development of energy efficient owner occupied homes will be leveraged by down payment assistance, material donations volunteer participation, and monetary donation. HOME funds allocated to the Homestead Corporation for its Affordable Homeownership Programs will be leveraged by downpayment assistance provided through other agencies.

The HOME Program match requirement for Consortium Members will be satisfied through a number of eligible sources, including, but not exclusively, allocation of local government funds, utilization of Carryover Match Contributions from prior years, and other non-federal funds. Community Housing Development Organizations will use non-Federal funds such as Illinois Affordable Housing Trust funds, funds from the Federal Home Loan Bank of Chicago and private loans to meet their HOME match requirements.

## **D. DESCRIPTION OF ACTIVITIES TO BE TAKEN**

See Listing of Proposed Projects (*CDBG...page 26 and HOME Program...page 36*)

## **E. GEOGRAPHIC DISTRIBUTION**

Since 1985, the City of Urbana has targeted its Community Development Block Grant funds to improve conditions in its Community Development Target Area, which consists of Census Tracts 53, 54, and 55 in north and east central Urbana. For the Program Years associated with the FY 2010-2014 Consolidated Plan, the Community Development Target Area also includes Block Group 1 of Census Tract 56. A graphic (map) depicting the expanded boundary of Community Development Target Area is attached as Appendix II. The areas of Minority Concentration are

Census Tracts 51:1, 53:2, 53:3 and 53:5. This information is provided graphically in the 2010-2014 Consolidated Plan as Map 4, in the map section of the plan.

Urbana Community Development Target Area		
CENSUS TRACT	BLOCK GROUP	LOW MOD INCOME%
53	1	64.1%
53	2	87.4%
53	3	81.0%
53	5	76.7%
54	4	79.3%
54	5	68.7%
54	6	51.5%
55	1	91.9%
55	3	69.5%
55	4	39.4%
55	5	48.1%
55	6	61.0%
56	1	58.7%

The table above identifies the City of Urbana Census Tracts and Block Groups contained in the expanded Target Area and the percentage of low/moderate income persons within each Block Group. These areas correlate with the Community Development Target Area map in Appendix II.

Urbana HOME Consortium funds are divided geographically based on an intergovernmental agreement among the City of Urbana, City of Champaign, and Champaign County. Within the boundaries of each entity, HOME funds are generally used to support affordable housing activities jurisdiction-wide without further geographic targeting.

## **DEVELOPING INSTITUTIONAL STRUCTURES**

Urbana staff is an acknowledged resource for information on housing and service agencies. Staff receives numerous telephone calls each week requesting information and makes referrals to appropriate housing and service agencies. These efforts will continue in the coming year, with an emphasis on increasing communication between agencies and updating information. The City will continue to utilize available Internet website applications to aid in this effort. The City

launched a new user-friendly site with improved access to information this past year.

Although the City of Urbana and the Housing Authority of Champaign County (HACC) are separate government agencies, as prescribed by state law, the City will work with the HACC to provide **input and assistance regarding the HACC's Annual Agency Plan**. The seven-member HACC Board of Commissioners consists of two commissioners appointed by each of the Cities of Urbana and Champaign, an **appointee that rotates between the two cities called a "floating" appointee**, a commissioner appointed by the Champaign County Board, and a commissioner appointed from among residents of the HACC properties.

The City of Urbana receives a Draft Annual Agency Plan from the HACC for review and comment. Staff works with the HACC to ensure the Agency Plan is consistent with the Urbana HOME Consortium Consolidated Plan. The process includes City review of proposed capital improvement, demolition, and disposition projects that are planned in the near future.

The City **will continue to work with the HACC's Developer over the next year** regarding the redevelopment of Dunbar Court, located in Urbana.

## **MONITORING**

The City of Urbana and the Urbana HOME Consortium will utilize monitoring standards and procedures provided in existing publications and guidebooks. Specifically, *HUD-2030-CPD Monitoring HOME Program Performance*, *Managing CDBG: A Guidebook for Grantees on Subrecipient Oversight*, and *Basically CDBG* (prepared by TONYA, Inc.) will be utilized. A key consideration in the monitoring activities will be to ensure compliance with program requirements, including the timeliness of expenditures.

The Urbana Grants Management Division staff, the Urbana Community Development Commission, and the Urbana City Council will monitor progress toward meeting Consolidated Plan goals and objectives. The Community Development Commission is appointed by the Mayor and the City Council to provide recommendations and oversight regarding the City's Community Development Block Grant Program, the HOME Program, and other housing-related programs. The Commission meets on a monthly basis (scheduled for the fourth Tuesday) at the Urbana City Building Complex to review staff progress toward housing goals. The Commission recommends funding levels for the annual CDBG and HOME applications to the Urbana City Council, and reviews requests for other housing-related funds.

The Grants Management Division of the City of Urbana's Community Development Services Department is responsible for monitoring all programs implemented with

Community Development Block Grant and HOME program funding to ensure compliance with all regulations associated with HOME and CDBG programs.

**Local building codes apply to properties assisted through the City's housing rehabilitation programs. Certified inspectors from the City's Building Safety Division enforce compliance with local building codes.** Assisted properties are inspected for code violations by Building Safety staff in the initial phase of the rehabilitation process. In addition, a risk assessment inspection is completed by trained and certified staff to identify potential hazards associated with lead-based paint.

After the contract is executed and during project construction progress, rehab staff performs inspections periodically to ensure proper completion of the work. Payouts to contractors are issued only after both the rehab staff and owner approve the work quality. Building Safety Division performs a final inspection of all the work associated with building codes and issues a Certificate of Occupancy that indicates all work is complete in accordance with local code. Final payment is issued to the contractor only after a Certificate of Occupancy is approved and the property has been tested to ensure lead-paint hazard clearance.

The City of Champaign and Champaign County will similarly monitor their HOME funded programs. Work processes and checklists are in place to ensure compliance with HOME program requirements related to housing code concerns.

Subrecipients will be monitored at least once a year. Programmatic expectations regarding monitoring will be detailed in all subrecipient agreements. The Grants Management Division will submit performance reports to the appropriate funding agencies in accordance with program guidelines.

### **LEAD-BASED PAINT**

The City will continue to address lead-based paint hazard requirements. In order to be current with developing standards, City staff continues to attend workshops, review and revise the rehabilitation manual, and coordinate with contractors and environmental regulatory agencies.

The Grants Management Division of the City will continue to ensure compliance with Title X lead based paint regulations. The Grants Management Division staff is committed to meeting these obligations and will do so in the most cost-effective methods available.

The following list describes the measures to address lead based paint hazards the City intends to pursue in FY 2011-2012:

- Continue to work with the City of Champaign and Champaign County to address best practices in meeting lead-based paint requirements. This will include, but

not be limited to, attending HUD sponsored lead-based paint training workshops, internet training applications, and related HUD efforts to provide lead-based paint hazard training.

- Continue coordination with the Illinois Department of Public Health (IDPH), Division of Environmental Health, and the Champaign County Public Health District for future funding opportunities.
- Continue to sponsor educational and training events for local government, contractors, public health officials, and other concerned parties on lead-based paint concerns.
- Continue efforts to coordinate activities in meeting HUD, IDPH, and EPA lead-based paint requirements with the Building Safety Division of the City of Urbana, Community Development Services Department.

## **II. HOUSING**

### **SPECIFIC HOUSING PRIORITIES & OBJECTIVES**

Housing activities to be undertaken in FY 2011-2012 are selected based on the needs of the community, as reflected in the FY 2010-2014 Consolidated Plan and input received from citizens during public hearings and neighborhood meetings.

#### **1. Rehabilitation**

The City will provide housing rehabilitation assistance to low- and moderate-income residents of the Target Area in order to address deferred maintenance and stabilize property values. The City will also provide assistance to income-qualified residents to address health and safety hazards in their homes.

Access Grant funds will be used to retrofit homes of income-qualified persons with disabilities and senior residents to remove barriers and allow for a more accessible home environment. Funding will be provided to eligible senior citizens through the Senior Repair Service to help defray costs of minor repairs that would otherwise become deferred maintenance.

#### **2. Homeownership**

The City will be working with local non-profit Community Housing Development Organizations (CHDO) to continue to develop affordable, energy efficient homeownership opportunities for low- and moderate-income residents.

The City and CHDOs will work to augment City funds for homeownership by seeking grant funding from the Illinois Housing Development Authority, the Federal Home Loan Bank, and other sources. Any funds acquired through such grants will be used to offset the costs of developing affordable housing.

### **3. Fostering Decent Housing**

In 2007, construction was completed on Prairie Winds, a 92-unit Senior Retirement Center. There are 13 studio apartments and 79 one-bedroom apartments in the project. The Supportive Living Program allows Prairie Winds to offer all the apartments to Medicaid eligible and private pay persons over the age of 65. The apartments are reserved on a first-come, first-served basis. The Medicaid program allows residents to move in private pay and, if needed, then convert to Medicaid without having to change apartments or be forced to move due to lack of funds. Medicaid does not require Prairie Winds to have a certain number of residents, or specific apartments, because all 92 apartments may be occupied by Medicaid residents.

The City will continue to work closely with the Community Reinvestment Group (CRG) in identifying and supporting efforts to increase homeownership. The City will work with the CRG to sponsor its eleventh Annual Housing Fair during FY 2011-2012 in February, 2011. In conjunction with CRG and Consortium involvement with Money Smart Week, advertising and outreach will be stepped up in an effort to continue the increase in attendance to this popular annual event.

The City of Urbana, in cooperation with the Urbana-Champaign Continuum of Care and its member agencies, periodically conducts surveys throughout the community in order to gauge the needs of the special needs population. A Community-Wide Needs Assessment was completed in 2004.

Consolidated Social Service Funding may be set aside for program activities yet to be determined which would benefit low-income residents of the CD Target Area. The Community Development Commission annually provides input to the Urbana City Council regarding priorities to be considered regarding public service funding under the CDBG portion of the Consolidated Social Service Funding (CSSF) pool.

### **NEEDS OF PUBLIC HOUSING**

Over the last five years, City of Urbana staff has spent a significant amount of time and resources related to public housing improvements and anticipate a increased level of involvement in FY 2011-2012. City staff attends the regular meetings of the board of directors of the Housing Authority of Champaign County. Staff works with the Housing Authority to provide input, and foster coordination and cooperation between the two entities.

The Crystal View Townhomes Project was completed in FY 2010-2011. The City will provide technical assistance to the Housing Authority for the redevelopment of Dunbar Court. The City continues to work with the Housing Authority to identify opportunities to provide replacement housing units to low-income residents throughout the community.

The Housing Authority was selected as a participant in the newly developing **“Moving to Work” program**, a program for public housing authorities (PHAs) that provides them the opportunity to design and test innovative, locally-designed strategies that use Federal dollars more efficiently, help residents find employment and become self-sufficient, and increase housing choices for low-income families.

In addition to working with the Housing Authority, outreach has been targeted directly to public housing residents and Section 8 voucher holders. The Consortium will continue to work with both the Housing Authority and the voucher holders to improve the housing conditions and opportunities for these residents.

### **ADDRESSING BARRIERS TO AFFORDABLE HOUSING**

The cost of housing within the Consortium is not significantly affected by public policies. The City of Champaign, the City of Urbana, and Champaign County have policies on taxation, land use, zoning, building codes, fees, etc., which are conventional and similar to other downstate Illinois and Midwest communities. Housing costs are influenced by the large number of transient tenants and homebuyers who are attending the University of Illinois. This high demand for housing has resulted in increased housing costs, especially in the rental housing market.

Additionally, the national housing market has affected housing costs throughout the entire Consortium area. With high demand for large single family homes on the fringes of the cities, there is very little affordable housing being built within the Consortium area. In response to the above-mentioned market influences that affect the entire Consortium, the City of Urbana has enacted the following actions to reduce any remaining barriers to affordable housing:

- The Urbana City Council periodically reviews its land development code and zoning ordinance to identify development guidelines that may unnecessarily restrict or add to housing development costs.
- The City of Urbana has not implemented incentives to develop, maintain, or improve housing that have created barriers to affordable housing.
- The City of Urbana has adopted a Human Rights Ordinance that does not allow **housing discrimination based on the person’s source of income**. This has aided persons who are provided with housing assistance to more easily identify housing opportunities.
- Implement strategies included in the City of Urbana Analysis of Impediments to Fair Housing Choice (as updated in January of 2010). The City of Urbana completed an Analysis of Impediments to Fair Housing Choice in January of 2010. The results of the study identified four barriers to fair housing choice,

including: discrimination on the basis of a mental or physical disability, culture and language barriers, an inefficient complaint system for taking legal action against discrimination, and housing affordability issues. The City will work to educate landlords to address these barriers.

- The City of Urbana Community Development Services Department, when considering changes in housing related policies, will consider the potential impact any policy changes might have in creating barriers to affordable housing.
- The City will continue to seek and support educational and training opportunities, which focus on eliminating barriers to affordable housing.
- The City will support tenant advocacy and education efforts by agencies such as the C-U Tenant Union.
- The Urbana HOME Consortium will require that owners of projects containing five or more units will affirmatively market any City HOME-assisted unit available for rent or purchase in a manner to attract tenants without regard to race, color, national origin, sex, religion, familial status or disability. The procedures will require that owners:
  - a) Use the Equal Housing Opportunity logo in all advertising;
  - b) Display a Fair Housing poster in the rental and sales office;
  - c) Where appropriate, advertise, use media, including minority outlets, likely to reach persons least likely to apply for the housing;
  - d) Maintain files of the Project's affirmative marketing activities for five (5) years and provide access thereto to LENDER Staff;**
  - e) Not refrain from renting to any participating tenant holding a Section 8 Housing Choice Voucher, except for good cause, such as previous failure to pay rent and/or to maintain a rental unit, or the tenant's violation of other terms and conditions of tenancy;
  - f) Comply with Section 8 Housing Choice Voucher Regulations when renting to any participating tenant;
  - g) Exercise affirmative marketing of the units when vacated; and complete a Urbana HOME Consortium Affirmative Marketing Plan.

## **HOME INVESTMENT PARTNERSHIPS ACT (HOME)**

The Urbana HOME Consortium invests all HOME funds as described in §92.205(b).

### **Resale/Recapture Provisions**

#### **Recapture Option - Homeownership (Direct Buyer Assistance)**

For HOME-assisted, homeownership units, wherein HOME funds are utilized to provide direct assistance to the homebuyer, the Urbana HOME Consortium

members may utilize one of two net sales proceeds formulas to recapture HOME funds in the event that affordability requirements are not met for the full term of the affordability period due to a sale of the property or foreclosure.

If the net proceeds resulting from the sale or foreclosure of a HOME assisted property are not sufficient to recapture the full amount of the HOME investment **and enable the homeowner to recover the amount of the homeowner's down payment** and any capital improvements investment made by the owner since purchase, the Participating Jurisdiction will share the net proceeds. The net proceeds are the sale price minus loan repayment (other than HOME funds) and closing costs.

The net sales proceeds may be divided proportionately as set forth in one of the following mathematical formulas:

$$\frac{\text{HOME Investment}}{\text{HOME investment + Homeowner investment}} \times \text{Net Proceeds} = \text{Recaptured HOME Funds}$$

$$\frac{\text{Homeowner Investment}}{\text{HOME investment + Homeowner investment}} \times \text{Net Proceeds} = \text{Amount to homeowner}$$

Note: The City of Urbana, Urbana HOME Consortium members, and designated Community Housing Development Organizations agree that, to the extent allowable by law, to secure the HOME funds, a mortgage and promissory note shall be executed for any HOME funded homeownership property and shall be recorded against the title to the property. The mortgage and promissory note shall include the prescribed net sales proceeds provision for the recapture of HOME funds as stated above.

### **Resale Option – Other HOME Assisted Projects:**

For other HOME assisted projects, to ensure compliance with the prescribed affordability period requirements, a resale restriction will be utilized. The resale restriction shall be in effect for the duration of the prescribed affordability period based on the amount of HOME assistance provided and will transfer to any future owners of the assisted property should the property be sold before the expiration of the affordability period.

The City of Urbana, Urbana HOME Consortium members, and designated Community Housing Development Organizations agree that, to the extent allowable by law, a mortgage and promissory note, and a land-use restriction agreement shall be prepared, executed and recorded against the title to the property for all other projects assisted with HOME funds as required.

The mortgage, note, and land-use restriction agreement shall include a provision restricting subsequent sales of any house to a family having income at or below 80 percent of area median family income for the period of affordability, which is

determined in the HOME regulations as a function of HOME funds invested in said housing property. The mortgage, note, and land-use restriction shall be recorded against the title to the property. For rental projects, the mortgage, promissory note and land-use restriction agreement shall include rent and occupancy restrictions depending upon the amount of HOME funds invested per unit.

### **Refinancing a HOME-Funded Project**

Refinancing of a project may occur only if specifically authorized in an Annual Action Plan approved by the Urbana City Council, and then only if conditions of the refinancing are clearly stated in the Plan. To be eligible for refinancing a project must meet the following conditions:

- Refinancing cannot be the primary purpose of the HOME investment. Refinancing is only appropriate when HOME funds are loaned to rehabilitate the property for which refinancing is being requested and then only when necessary to permit or ensure continued affordability. To demonstrate that rehabilitation is the primary activity for which HOME funds have been expended in connection with the property, at least \$5,000 per unit average in HOME funds must have been provided for rehabilitation of the property.
- The project sponsor requesting HOME funds for debt refinancing must demonstrate, and the City must confirm, that disinvestment in the property has not occurred, long-term needs of the project can be met through the refinancing, and servicing the targeted population over an extended affordability period is feasible.
- Refinancing may be approved either to maintain current affordable units or to create additional affordable units.
- Properties for which refinancing is approved may be located anywhere within the Urbana corporate limits.
- Properties for which refinancing is approved are subject to an affordability period of at least five years starting on the date the refinancing is closed.
- HOME funds cannot be used to refinance multiple-family loans made or insured by any other federal program, including but not limited to, the Community Development Block Grant Program.

### **III. HOMELESS**

#### **A. HOMELESS PREVENTION**

##### **1. Sources of Funds**

The City participates in the Urbana-Champaign Continuum of Care group in a cooperative effort to maximize the resources of the local municipalities (Urbana, Champaign, Champaign County, and Rantoul) and the local agencies that provide assistance to the homeless and special needs population. The activities proposed in the Annual Action Plan that are designed to address needs of homeless persons with special needs include:

- The City of Urbana CDBG budget provides approximately **\$56,968** to support the City's Transitional Housing Program for homeless families with children. This program has been operating for nineteen years.
- The City will work with local agencies that provide services to the homeless through the Continuum of Care (Continuum) and Council of Service Providers to the Homeless (CSPH) to assist with grant applications and to help facilitate interagency cooperation in addressing and preventing chronic homelessness in the community. Both the Continuum and the CSPH regularly review and evaluate the needs of the community for homeless and homeless prevention.
- The City may provide support to emergency and transitional shelters through the Consolidated Social Service Pool funding allocations. Obstacles to providing services to the homeless include a reduction of state and federal funding accessible to the agencies who work directly with the homeless population.
- Urbana will also continue to operate a HUD-funded Supportive Housing Program for Homeless Families in Transition. While non-profit agencies deliver services, City staff currently administers the program and aids in structuring strategic initiatives that enhance program opportunities.
- Effective July 1, 2006, the City of Urbana transferred the Shelter Plus Care grant program to the Champaign County Regional Planning Commission (CCRPC), as CCRPC has sufficient staff to effectively administer the program. This transfer of the grant and associated responsibilities was approved by HUD. The services remain the same, and CCRPC continues to work with non-profits to deliver services of the program. The City works with CCRPC by providing inspection services for Shelter Plus Care properties within City limits.

- The Urbana HOME Consortium has collaboratively allocated a total of \$282,902 of HOME funds to a Tenant Based Rental Assistance (TBRA) Program that is currently operated by the Champaign County Regional Planning Commission to provide rent assistance Consortium wide. Funds were allocated during FY 2009-2010 and FY 2010-2011. In addition, the City of Champaign allocated \$72,000 of its FY 2010-2011 HOME allocation for TBRA to be targeted within the City of Champaign.

At the time of development of this DRAFT Plan, the City of Urbana has begun the process of amending previous Annual Action Plans in order to allocate unobligated HOME Funding for \$190,149 to Community Elements, a local non-profit mental health provider, for their TBRA program.

## **2. Homelessness**

The City of Urbana, as part of the Urbana-Champaign Continuum of Care, has devised a Strategic Plan for the prevention, coordination, maintenance, and evaluation regarding services to address the issue of homelessness in Champaign County. The goals for the City of Urbana and the Urbana HOME Consortium, as outlined in the Strategic Plan include:

- Developing an interagency effort to address emergency rental property closings
- Developing twenty-five (25) Single Room Occupancy (SRO) bed spaces for single persons to incorporate housing options with less restrictive felony restrictions

The Annual Action Plan programs combine multiple sources for a concerted effort to address the current homeless population, as well as those at risk of becoming homeless:

- The Consortium members and other local municipal agencies, as well as utilities, have created an Emergency Tenant Relocation Task Force, facilitated by the City of Urbana, to address issues that would help those households who face the need to move from their current homes or apartments because of potential disconnection of one or more utilities. The Task Force has created a referral resource list.

## **3. Chronic Homelessness**

The City of Urbana, as part of the Urbana-Champaign Continuum of Care, helped develop the Ten Year Plan to End Chronic Homelessness in 2004. According to the **vision of the Plan**, "*within ten years (2014), all individuals and families facing homelessness in Champaign County will have access to a coordinated array of housing options and supports that will enable them to sustain safe and decent shelter.*"

According to the Plan, prevention of the causes of initial, prolonged, or repetitive homelessness will make a significant impact on ending chronic homelessness. Prevention often can be achieved through social service intervention or some form of immediate financial help to serve as a safety net for individual or family resources. Preventive and crisis intervention services can assist individuals and families resolve and address crisis housing issues in ways that will prevent homelessness.

Local agencies provide a wide range of services that are available to persons at risk of homelessness, including:

- Emergency rent assistance
- Financial literacy/debt management
- Employment assistance
- Legal assistance
- Home repair/rehabilitation
- Utility assistance
- Homeowner education
- Substance abuse/mental health treatment
- Domestic violence education/assistance
- Information & referral services

Also, coordination of services provided to homeless persons facilitates efficient response, eliminates duplication of activities, highlights gaps in services, and identifies effective outcomes. Each year, the Ten Year Plan is reviewed and a strategic action plan is put into place to assist with achieving the goals listed in the overall plan for chronic homelessness.

#### **4. Homelessness Prevention**

Numerous activities proposed in the Annual Action Plan are designed to address the needs of homeless persons and persons with special needs:

- The City of Urbana CDBG budget includes **\$56,968** to support the City's Transitional Housing Program for homeless families with children. This program has been operating for seventeen years and will remain stable for the upcoming year.
- The Urbana HOME Consortium members may allocate a portion of their share of HOME funds to a Tenant Based Rental Assistance Program through which those at risk of becoming homeless would receive priority for receiving funding in this program.

#### **5. Discharge Coordination Policy**

The City of Urbana, as a participant in the Urbana-Champaign Continuum of Care, has established a policy for discharge of persons from publicly funded

institutions or systems of care (such as health care facilities, foster care, or other youth facilities, or correction programs and institutions) in order to prevent such discharge resulting in homelessness for such persons.

**B. EMERGENCY SHELTER GRANTS (ESG)**

This section is ***Not Applicable***, as the City of Urbana does not receive ESG funding.

**IV. COMMUNITY DEVELOPMENT**

**PRIORITY NON-HOUSING COMMUNITY DEVELOPMENT NEEDS**

The City of Urbana’s community development needs and priorities are based on the needs of the community, as reflected in the FY 2010-2014 Consolidated Plan, and input received from citizens during public hearings and neighborhood meetings.

**1. Basis for Assigning the Priority Given to Each Category of Priority Needs**

The basis for assigning priority to community development needs is a function of:

- Perceived need in the community.
- Available funding.
- Special circumstances that provide for strategic opportunities.
- **Relationship to the City’s community development goals, Comprehensive Plan.**

**2. Specific Goals and Strategies**

As indicated in the FY 2010-2014 Consolidated Plan, CDBG funds can be contributed for the following projects identified in the City’s Capital Improvement Plan. These projects are eligible for CDBG funding, as the location of each of the projects meets HUD regulations that at least 51% of the persons benefiting from the project must be below 80% of the community’s median family income:

	Estimated Funding	Anticipated Time Frame
Sidewalks - Division (Oakland - Thompson); Busey (south of Sunset) CT 54	\$ 70,000	2010-11
Census Tract 53 Street Lighting	\$ 200,000	2010-13
Division Street Reconstruction (South of Kerr)	\$ 225,000	2010-13
Mathews Street Reconstruction (Church - Ellis) CT 53	\$ 250,000	2012
Kerr Project Subdivision Infrastructure CT 54	\$ 400,000	2013

### **3. Economic Development Activities**

The City is currently working with prospective developers and investors to redevelop some sites that the City owns. Staff has secured an investor to reoccupy a major hotel property in the downtown area as well. The desire is for vacant or underutilized areas to become new mixed office/commercial and residential development that will create jobs, activities, and residences for the downtown. The City's **Comprehensive Plan calls for the use of Tax Increment Financing** to promote new development and redevelopment opportunities in the downtown area.

Last year, it was anticipated that commercial development and redevelopment, between May 2010 through May 2011, would be at a slightly higher level than the previous year, which would help reduce the number of persons below poverty level. The City of Urbana is involved in (non-CDBG) economic development activities through which job opportunities have been and continue to be developed in the community. In the past year, job opportunities have been created through the addition of new developments, such as a new retail building and ongoing expansion of a large hospital.

Several new smaller businesses were added that were assisted through utilization of rent subsidy and loan/grant programs. Including new smaller businesses located throughout the City, by May 2011 an estimated **176 jobs will have been added through the City's commercial and economic development activities** over the past year.

## **ANTIPOVERTY STRATEGY**

### **1. Reducing the number of persons below poverty level**

Urbana and Cunningham Township will provide an estimated **\$300,000** to social service agencies. Most of funded projects are designed to assist lower-income households and persons below the poverty level.

City staff provides technical assistance to other non-profit organizations whose mission is to assist persons below the poverty level. City staff also serves on a number of voluntary boards and commissions, including the Champaign County Community Services Board, and the Joint Housing Effort, whose missions are to assist in reducing the numbers of persons below poverty level.

In the upcoming year, it is anticipated that the continuing trend of new commercial development and commercial redevelopment in the City will provide additional job opportunities, which could help reduce the number of persons below poverty level. The City of Urbana is involved in (non-CDBG) economic development activities through which job opportunities have been and continue to be developed in the community.

Over the previous two years, the opening of a discount food store and a major retail store in Urbana created job opportunities. This, in addition to the opening of new smaller businesses throughout the City resulted in an overall increase of jobs. The economic downturn has affected the timeline for a major building materials supplier to open a new retail store in east Urbana. However, the City will continue in its efforts in working with this company to begin the project in the near future.

As stated previously, the City is currently working with prospective developers and investors to reoccupy a major hotel property in the downtown area and also to redevelop some sites that the City owns. Restoration of a centrally located historic hotel is underway and expected to be completed in the upcoming year. The desire is for those areas to become new mixed office/retail and residential development that will create jobs, **activities, and residences for the downtown.** The City's Comprehensive Plan calls for the use of Tax Increment Financing to "promote new development and redevelopment opportunities in the downtown area." Such activities are likely to result in a broad range of job opportunities in the community.

## **NON-HOMELESS SPECIAL NEEDS**

### **NON-HOMELESS SPECIAL NEEDS**

It is the goal of the City of Urbana to provide residents with special needs (i.e. elderly, persons with disabilities, person with HIV/AIDS, and persons with alcohol or other substance abuse problems) access to resources and to decent affordable housing.

Through the Consolidated Social Service Funding and the CDBG Public Facilities & Improvement grants provided by the City, agencies that work with residents with special needs are able to access City resources. The following is a list of agencies that have received funding through either the Consolidated Social Service Funding, and/or the Public Facilities & Improvement grant:

- Family Service of Champaign County, whose mission is to support people across the generations by providing quality human services, has received funding for their various senior programs, (i.e. Homecare, Senior Counseling & Advocacy, Meals on Wheels, Senior Transportation, and Retired Senior Volunteer Program), through Consolidated Social Service Funding.
- PeaceMeal Senior Nutrition Program, whose mission is to provide quality meals for healthier lives; they help seniors improve their nutrition, sustain their independence and enhance the quality of their life by providing meals, fellowship, and connections to other needed services, has received funding through Consolidated Social Service Funding.

- Persons Assuming Control of their Environment (PACE), which has received funding through Consolidated Social Service Funding, promotes the full participation of people with disabilities in the rights and responsibilities of society. The PACE Homeownership Coalition for People with Disabilities (Homeownership Coalition) promotes greater accessibility to homeownership for households with members who have disabilities. The group also includes many community organizations as partners and participants, of which the City of Urbana is member.
- Developmental Services Center, a non-profit organization serving developmentally disabled individuals in Champaign County, has received funding through the Public Facilities & Improvements grant for various sites, including the Clark Road facility and group homes in the community. Their mission is to enhance the lives of persons with disabilities by providing services and supports which enable them to live, work, learn, and participate in their communities.
- Community Elements (formerly the Mental Health Center of Champaign County), whose mission is to educate, advocate, and help build communities of well-being by providing individuals and families a range of prevention, intervention, and mental health treatment services, has received both Consolidated Social Service Funding and CDBG Public Facilities & Improvement grant funds in the past for their homeless programs (Roundhouse & TIMES Center) and supported group homes.
- Greater Community AIDS Project (GCAP), whose mission is to address the needs of those affected by HIV and AIDS, and to educate the public about HIV and AIDS, has received funding through Consolidated Social Service Funding, specifically CDBG Public Service funds.
- Prairie Center Health System, whose mission is to provide the highest quality of prevention, intervention, and treatment facilities for alcoholism and chemical dependence, other addictions, and associated conditions to individuals, families, and communities in east central Illinois, has received Consolidated Social Service Funding and CDBG Public Facilities & Improvement grant funds in the past.

The City also provides assistance to residents with special needs through the Access Grant program, which provides general improvements necessary to eligible renters or homeowners to remove barriers to accessibility by persons with disabilities.

## **HOUSING OPPORTUNITIES FOR PEOPLE WITH AIDS (HOPWA)**

This section is ***Not Applicable***, as the City of Urbana does not receive HOPWA funding.

### **OTHER NARRATIVE**

#### **1. Other Actions 91.220**

The City of Urbana has utilized its allocation of CDGB and HOME funds to:

- foster and maintain decent housing,
- support public housing improvements and resident initiatives,
- address lead-based paint hazards,
- reduce the number of persons below poverty level, and
- has provided assistance in coordinating housing and service agencies.

These funded activities are noted within the previous listing and budget for FY 2011-2012 projects.

Following is a listing of other proposed activities and associated budget by the City of Urbana to address HUD regulations 91.220(f):

**A. CITY OF URBANA FY 2011-2012  
COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PROGRAM**

---

A summary listing of *Goals, Strategies, and Activities* is attached for reference as Appendix II. The applicable Goal, Strategy, and Activity is included for each Project listed below.

## **2. NEW FUNDING ACTIVITIES**

### **a. Housing Activities (FY 2011-2012):**

#### **1. Emergency Grant and Access Grant (FY 11-12)**

Funds will be contributed toward three programs:

- Providing repairs necessary to alleviate hazardous conditions, which pose a threat to the health and safety of a homeowner. Homeowners earning less than 50% of the Median Family Income for Champaign County are eligible for the Emergency Grant Program.
- General improvements necessary to remove barriers to accessibility by persons with disabilities. The Access Grant Program is available for renters or homeowners who earn less than 80% of Median Family Income.

All programs are available citywide and will be accomplished through contractual arrangements.

**\$80,000**

Goal 3, Strategy 1; Goal 3, Strategy 2; Goal 7, Strategy 2

Citation - [24 CFR 570.202(a)(1)], [24 CFR 570.202(b)(10) & (11)]

Environmental - CATEGORICALLY EXCLUDED

**Objective:** Create Suitable Living Environment by addressing conditions that are a threat to the health and safety of homeowners and/or provide lead safe housing and making housing accessible to persons with disabilities.

**Outcome:** Sustainability for the purpose of providing suitable living environments.

**Outcome Indicators:** Number of owner-occupied households assisted with incomes at or below 50% MFI. Number of households (persons with disabilities) assisted with incomes at or below 80%.

#### **2. Urbana Senior Repair Service (FY 11-12)**

Funds will be contributed to a citywide home maintenance repair program for very low-income homeowners 62 years old or older and for very low-income homeowners with disabilities (any age). Household income must be less than 50% of the Median Family Income as established annually by HUD.

**\$20,000**

Goal 3, Strategy 1

Citation - [24 CFR 570.202(a)(1) & (b)(10)]

Environmental - CATEGORICALLY EXCLUDED

**Objective:** Create Suitable Living Environment by addressing conditions that are a threat to the health and safety of homeowners and/or provide lead safe housing, and housing accessible to persons with disabilities. All recipients of assistance must have household incomes below 50% of the area median.

**Outcome:** Sustainability for the purpose of providing suitable living environments.

**Outcome Indicators:** Number of rehabilitated owner-occupied units with household incomes at or below 50% MFI.

### **3. Lot Acquisition in Support of New Construction and Relocation/Clearance/ Disposition Activities (FY 11-12)**

Funds will be allocated for the purchase and maintenance of properties and structures primarily in Census Tracts 53, 54, 55, and 56 Block Group

1. Projects and utilization of the properties may include the following:

- o Donation to non-profit housing developers to build affordable housing.
- o City sponsored rehabilitation and re-sale to qualified homebuyers.
- o Donation to other organizations to support CDBG-eligible programs.

Funds may also be used for the purchase of homes previously assisted with CDBG or HOME Consortium funds subject to possible foreclosure or related events that jeopardize the project benefit to low/moderate income persons. Lots will be cleared of substandard structures or debris as needed. The Federal Uniform Relocation Act will govern any necessary relocation activities. Properties may also be acquired and cleared for blight abatement purposes only. City-owned properties will be properly maintained while they are the responsibility of the City.

**\$17,868**

Goal 1, Strategy 1; Goal 9, Strategy 1; Goal 9, Strategy 2

ENVIRONMENTAL ASSESSMENT

**Objective:** Provide Decent Housing by creating or maintaining affordable housing opportunities for households with incomes at or below 80% of the area median.

**Outcome:** Affordability for the purpose of providing decent affordable housing.

**Outcome Indicators:** Number of rehabilitated owner-occupied units with household incomes at or below 80% MFI. Number of parcels donated to CHDOs and non-profits for affordable housing development (estimated: 3).

## **b. Public Facilities and Improvements**

*(\* Note: For the following project funding levels the "Staff Recommendation" for funding is based on the percentage of Urbana residents served and the "Community Development Commission Recommendation" amount is based on the agency presentations and application amount)*

### **1. C-U Independence**

Funds will be used for the installation of new flooring throughout the individual apartments, hallways, stairwells, and common areas, and to paint an exposed sprinkler system at their supported-living apartment building for individuals with developmental disabilities. C-U Independence facilitates the work of Developmental Services Center by managing their group home on Kerr Avenue in Urbana.

Environmental – CATEGORICALLY EXCLUDED

**Objective:** Create Suitable Living Environment by providing access to services and housing for persons with developmental disabilities.

**Outcomes:** Accessibility for the purpose of providing suitable living environment.

**Outcome Indicators:** Number of persons who will benefit from this project, with increased access to this housing facility (estimated: 24).

### **2. Center for Women in Transition**

Funds will be used for the installation of additional sprinklers to provide fire suppression within the facility formerly **operated by A Woman's Place**. The sprinklers need to be placed in the community rooms, hallways, and offices providing services to their clients. This requires piping to be **installed through solid "firewalls"** and connected to the existing pressurized system, and then attaching sprinkler heads, at the shelter located on East Main Street in Urbana.

**Outcomes:** Accessibility for the purpose of providing a suitable living environment

**Outcome Indicators:** Number of households in targeted area with incomes at or below 80% MFI with improved access to public infrastructure.

## **c. Public Service Activities**

### **1. Transitional Housing for Homeless Families with Children (FY 11-12)**

Funds will be contributed to the City of Urbana's transitional housing program. Three to five dwellings will be available for homeless families with children. Rent receipts will be another source of revenue. Properties acquired by the City through a federal funding source will be properly mowed and cleaned according to city ordinance as long as they are the responsibility of the City.

**\$33,500 (personnel)**

**\$23,468 (programming)**

## **3. CARRYOVER ACTIVITIES (ESTIMATED)**

*(Following is an estimate of CDBG funding that will be carried over to the FY 2011-2012 for activities previously budgeted or to utilize unobligated carryover.)*

### **a. Housing Activities**

#### **1. Clearance of Slum and Blighted Conditions**

Funds will be used for clearance of secondary buildings and structures that create health and safety concerns.

**Exact amount not yet available – currently estimated at \$5,000**

Goal 9, Strategy 1

Citation – [24CFR 570.201(a)(1) & (b)(10)]

Environmental - CATEGORICALLY EXCLUDED

**Objective:** Create Suitable Living Environment by providing assistance to property owners in the target area having household incomes at or below 50% MFI in removing dilapidated structures from their owner-occupied property.

**Outcome:** Sustainability for the purpose of providing suitable living environments.

**Outcome Indicators:** Number of blighted structures removed.

**2. Property Acquisition in Support of New Construction and Relocation/ Clearance/Disposition Activities (Cumulative)**

Funds will be allocated for the purchase and maintenance of properties and structures primarily in Census Tracts 53, 54, 55, and 56 Block Group

1. Projects and utilization of the properties may include the following:

- o Donation to non-profit housing developers to build affordable housing.
- o City sponsored rehabilitation and re-sale to qualified homebuyers.
- o Donation to other organizations to support CDBG-eligible programs.

Funds may also be used for the purchase of homes previously assisted with Urbana CDBG or HOME Consortium funds subject to possible foreclosure or related events that jeopardize the project benefit to low/moderate income persons. Lots will be cleared of substandard structures, vegetation or debris as needed. The Federal Uniform Relocation Act will govern any necessary relocation activities. Properties may also be acquired and cleared for blight abatement purposes only. City owned properties for the program will be properly maintained.

**Exact Amount not yet available - currently estimated at \$ 58,082**

**FY 11-12 TOTAL Allocation Available Minimum:     \$ 169,613**

**CHDO Reserve Funds**

CHDO Reserve funds in the amount of 15% of the total annual allocation are being set aside to be allocated to certified Urbana Consortium CHDOs whose proposed project(s) meet project readiness requirements. In order to meet project readiness requirements, the CHDO project(s) receiving reserve allocation(s) must be able to begin construction within one year from the date of execution of the agreement.

Three applications were received for HOME CHDO funds from the Consortium's current certified CHDOs, Homestead Corporation and Ecological Construction Laboratory, as well as the Champaign County Neighborhood Alliance for Habitat, a potential new CHDO. A decision on funding these three projects will be made as the budget is finalized and as staff obtains further information about each proposal.

PUBLIC HEARING AND NEIGHBORHOOD MEETING MINUTES

**ANNUAL ACTION PLAN FY 2011-2012  
PUBLIC HEARING**

**Monday, January 3, 2011, 7:00 P.M.  
Prairie School Library  
2102 E. Washington Street, Urbana, Illinois**

**Minutes**

Present: Kelly Hartford, Jennifer Gonzalez, Community Development Services Department, City of Urbana; Dennis Roberts, Urbana City Council.

Kelly Hartford called the meeting to order at 7:20 p.m.

Ms. Hartford stated the purpose for this public hearing was for the public to provide input on the proposed City of Urbana & Urbana HOME Consortium Annual Action Plan (AAP) for FY 2011-2012. AAP is the annual budget as part of the five-year Consolidated Plan. Notice of this public hearing was published on Wednesday, December 22, 2010 in the Champaign-Urbana News-Gazette, posted on the City of Urbana's website, and mailed and emailed to various social service agencies and interested citizens.

Dennis Roberts, member of the Urbana City Council, spoke on behalf of two constituents who are also members of the Lierman Neighborhood Advisory Committee: Gabe Lewis and Robin Arbiter. At the November 9, 2010 meeting of the Advisory Committee, several problems were discussed, including: tenants being asked to leave because of illegal activities, barriers to affordable housing, and the lack of impact that the Annual Action Plan has in directly benefitting tenants as opposed to homeowners.

It was also discussed at the November 9<sup>th</sup> meeting that there is a lack of lighting east of Lierman Avenue. Many streets are unlit. A survey may be an option to discern whether residents feel that more lights are needed. Between Washington and Hunter on Austin Court, Lanore, and Country Squire streets there are loitering issues. This may need to be evaluated as a safety element and cost benefit analysis, given the high volume of emergency calls made from the area.

Robin Arbiter reported issues of youth throwing rocks on the west side retaining wall of Urbana Townhomes on Lierman Avenue. Mr. Roberts relayed that Ms. Arbiter asks that the City consider changing the landscaping in that area of Lierman Ave. as part of a beautification project. This would eliminate the rock throwing problem and could be worked out with the Park District. Changing out the sidewalks may also make the project feasible under the Community Development Block Grant Program. Ms. Arbiter suggested that a park be included in the area of the retaining wall, including checkerboard tables.

Mr. Roberts continued with Ms. Arbiter's comments, noting that she had indicated where the sidewalks needed maintenance in her area. On Lierman Avenue, between Hunter and Washington Streets, there are places on the east side of the street that are uneven because the sidewalk slabs are no longer level. Mud has been an issue when it is raining. On the north side

of Washington between Glover and Philo there are similar concerns. Also, on Philo by Wabash the curb cuts are too steep.

Included in the Lierman meeting notes (see attached document) there was discussion of a community garden. The Advisory Committee may be interested in Neighborhood Organization Grants to begin publishing a neighborhood newsletter. Ms. Hartford noted that she would look into the guidelines for the program since it has been out of commission for some time. Also discussed at the meeting was the issues of litter on City streets. The group is considering an adopt-a-street program.

Mr. Roberts mentioned that at the back end of Aspen Court there is a need for a footpath that leads to Philo Road. This could be a potential beautification project if the City were to engage the park district in paving the path. Private property may impede this process.

The meeting adjourned at 8:00 p.m.

Respectfully Submitted

---

Jen Gonzalez, Grant Coordinator

**ANNUAL ACTION PLAN FY 2011-2012  
PUBLIC HEARING**

**Tuesday, January 4, 2011, 7:00 p.m.  
City of Urbana's Council Chambers  
400 South Vine Street, Urbana, IL**

**Minutes**

Present: Jen Gonzalez and Connie Eldridge, Community Development Services Department; Reverend Doctor Eugene Barnes, Executive Director of Metanoia Centers; Matt Tumo. See attached sign-in sheet.

Jen Gonzalez called the public hearing to order at 7:06 p.m.

She announced the purpose of this public hearing was for the public to provide input on the proposed City of Urbana and Urbana HOME Consortium Annual Action Plan (AAP) for Fiscal Year (FY) 2011-2012. The AAP is the annual budget as part of the five-year Consolidated Plan FY 2010-2014.

Notice of this public hearing was published on Wednesday, December 22, 2010 in the *Champaign-Urbana News-Gazette*, posted on the City of Urbana's website, announced in the City's newsletter, *Neighborhood News*, which was mailed to residents in the Community Development Target Area, and mailed and emailed to various social service agencies and interested citizens.

Rev. Dr. Barnes commented about research on federal money from the recent federal stimulus. Despite the influx of millions of dollars, only eight jobs were created in Champaign County. He supports a Community Benefit Movement, where a broad community-based coalition confronts developers and is involved when public subsidies are used. Community benefits policies attach standards to all subsidized development. Living wage ordinances, local hiring requirements, and mixed-income housing requirements are examples of community benefits standards. A Community Benefit Agreement would be a binding agreement that is part of the RFP process for developers. This movement, which started in the United Kingdom, has spread and is easily customizable (*see attachment 1*).

Ms. Gonzalez reviewed the regulations for Section 3 of the McKinney Vento Act, which requires hiring local lower-income persons. Rev. Dr. Barnes has worked with the cities and the University of Illinois on how to advance more contracts to minority and female contractors. There is a great disparity between the University's amount of contract funding and the highest dollar amount for minority contractors. There was discussion about good faith effort, prevailing wages, and the need for a trained workforce.

Rev. Dr. Barnes also discussed modernizing the Community Reinvestment Act (CRA) (*see attachment 2*). He reviewed the history of the CRA, the original intent, and encouraged citizens to ask local lenders for their CRA report. He stated cities should not deal with banks that have

failing CRA scores. The Community Reinvestment Group never rose above making loans to homeowners and does not really address larger topics.

Concerning Community Development Block Grant (CDBG) and HOME Investment Partnerships Program (HOME) funds, Rev. Dr. Barnes wanted these funds to meet unmet needs in the community. Are present organizations meeting those needs, or do they need capacity building? Another priority would be sustainable jobs with living wages. He supported community-led economic development. While Metanoia's original focus was building affordable housing, it now focuses on predatory lending, foreclosures, credit counseling, summer youth employment training, and advancing children's savings accounts.

Ms. Gonzalez gave a brief overview of the Annual Action Plan and discussed Tenant Based Rent Assistance.

Matt Turino supported the above mentioned projects, such as community jobs programs. There was discussion on Ecological Construction Laboratory's current and past affordable housing projects.

Ms. Gonzalez adjourned the meeting at 8:10 p.m.

Respectfully Submitted

**ANNUAL ACTION PLAN FY 2011-2012  
PUBLIC HEARING**

**Tuesday, January 4, 2011, 10:00 A.M.  
City of Urbana Council Chambers  
400 South Vine Street, Urbana, Illinois**

**Minutes**

Present: Kelly Hartford, Jennifer Gonzalez, Community Development Services Department, City of Urbana; John Sullivan, Center for Women in Transition; Janice McAteer, Developmental Services Center; Michael Fuqua and Jennifer Valade, Salvation Army; Janice Mitchell and Misty Bell, Urbana Neighborhood Connections Center, Inc.; Reverend Troy A. Burks of the Champaign County branch of the NAACP. See attached sign-in sheet.

Kelly Hartford called the meeting to order at 10:05 a.m.

Ms. Hartford stated the purpose for this public hearing was for the not-for-profit social service agencies to provide input on the proposed City of Urbana Urbana HOME Consortium Annual Action Plan (AAP) for FY 2011-2012. AAP is the annual budget as part of the five-year Consolidated Plan. Both documents are on the City's website. Notice of this public hearing was published on Wednesday, December 22, 2010 in the Champaign-Urbana News-Gazette, posted on the City of Urbana's website, and mailed and emailed to various social service agencies and interested citizens.

Ms. Hartford and Jennifer Gonzalez gave a brief overview of the 2010-2011 Annual Action Plan, as well as the Community Development Block Grant and HOME Investment Partnerships Programs.

John Sullivan, Executive Director of the Center for Women in Transition (CWIT) noted the lack of shelter for intact families in the community, as well as a need for an emergency shelter that serves women. He stated that resources will be needed to build facilities to serve those needs in the future. Ms. Hartford responded that Decatur is working to serve those needs with the Decatur Refuge Center for Families and that the program could serve as a model in the future.

Mr. Sullivan noted that while social service agencies need funding for maintenance, a set-aside should be put into place to serve new programs when the needs change in the community. Janice McAteer of the Developmental Services Center agreed with Mr. Sullivan and said that new services lack funding, which stagnates change in programs as new needs are presented. She urged the Urbana City Council as well as the Champaign City Council to visit the social service agencies in the community. Many changes have been made due to the cutbacks from the State, and the result has been a significant change in operations.

Mr. Sullivan commented on the large amount of funding that is brought into the community from State and Federal funds, suggesting that the social service sector should be reframed and seen as an investment in the community. The funding that they receive brings in jobs and boosts the

economy even if it is not a traditional business model. Ms. McAteer added that the social service sector relieves other public service and facility needs in the community on both a human and economic level.

Michael Fuqua of the Salvation Army provided input on the need for movement and change in social services. Times have changed and so services need to change. Families have become a need in a way that they were not before. Mr. Sullivan added that collaboration is needed amongst the municipalities to determine what resources are available. Even meeting on a quarterly basis, a lot could get done with very little money.

Jennifer Valade of Salvation Army noted that the men's shelter has been at full capacity since March of 2010. Staff have had to continue to turn away men because of a lack of space, and those needs are increasing. Salvation Army will be trying to secure funding for a Veterans (VA) Program. The employment training program run by Salvation Army has already passed its initial quota. Staff are considering which direction to take regarding increased services. Mr. Sullivan added that CWIT is looking into VA funding as well to provide those services to women.

Mr. Sullivan brought up the issue of reduced funding for social services while the cost of living is increasing. New grants and additional grants do not solve funding issues if there is too much administrative work associated with them. Funding consolidation is needed to make the process easier. Ms. Hartford replied that a group had been formed in the past to consolidate the application process in an effort to improve efficiency in administration issues. Because of the large amount of differing information needed for each individual grant or program, no solution was found and the application process could not be streamlined. Mr. Sullivan responded that the issue is more of a funding allocation concern rather than an application problem.

Ms. McAteer contributed to Mr. Sullivan's comments, saying that the State is still not making regular payments to social service agencies. As of the hearing the State owed the Developmental Services Center about \$2.4 million. Local resources are becoming important. DSC has had to forego some grant applications because the reporting and application processes cost more than the actual grant offered. Education on these issues is needed.

Mr. Sullivan added that a conversation is needed to support the goals of the community, including the City of Urbana's and those social service agencies in similar lines of work. He also noted that investing in new projects is only feasible if projects are large enough.

Ms. McAteer recognized the City of Urbana for continuing to serve the social service community with funding and said that the City's efforts to provide funding opportunities are appreciated.

Janice Mitchell, founder of the Urbana Neighborhood Connections Center (UNCC) in Urbana commented on the City's role in helping to build the organization. UNCC is a grassroots organization, and a lot of time and effort was put into obtaining a facility to serve as a neighborhood center. At this time the UNCC only serves Urbana residents, but there is a need in Champaign for similar services. A space is now provided in the center for parents to access resources for their children. The center is quickly becoming a linkage and referral center because parents need additional resources to feed their children. The facility opened on January

19, 2010 and has obtained 501(c)3 status. The organization has added on a Family Wellness Center as part of the building, which provides opportunities to discuss mental health issues and other important topics related to family health. The space also serves the community as a location to host meetings, and it is quickly becoming a community center.

Mr. Sullivan brought up the community need for an integrated services portal for social service information, such as a '211' phone number. A community grant would be needed to support such a service. Bloomington has a "211" line, and while funding is difficult to obtain, at least the service is available. The issue needs to be put in the context of public services at the City of Urbana, the City of Champaign, etc to make it accessible to all residents.

Reverend Troy A. Burks of the Champaign County branch of the NAACP noted that social services impact many people and urged the City to move forward in a manner that best serves the community in these difficult economic times. He encouraged the City to continue to do outreach and to seek to collaborate and strategically plan the upcoming year.

Mr. Sullivan added that racial and sexual discrimination issues are even more prevalent in a strained economy. Mr. Sullivan also inquired on how to advocate to senators for additional funding. Rev. Burks noted that the City could take the initiative on informing the public of ways to lobby and engage the state and federal representatives that have an impact on the local community.

Ms. Gonzalez provided information on the upcoming meeting schedule for the Urbana Community Development Commission as well as the Annual Action Process as a whole. Ms. Hartford announced that Grants Management Division will continue to accept written and e-mailed public comments on the Consolidated Plan and Annual Action Plan.

The meeting adjourned at 11:01 a.m.

**ANNUAL ACTION PLAN FY 2011-2012  
PUBLIC HEARING**

**Thursday, January 6, 2011, 7:00 p.m.  
King School Library  
1108 West Fairview Avenue, Urbana**

**Minutes**

Present: Randy Burgett and Kelly Hartford, Community Development Services Department.

Others Present: Sean Treat, Champaign County Regional Planning Commission

Randy Burgett called the public hearing to order at 7:15 p.m.

He announced the purpose of this public hearing was for the public to provide input on the proposed City of Urbana and Urbana HOME Consortium Annual Action Plan (AAP) for Fiscal Year (FY) 2011-2012. The AAP is the annual budget as part of the five-year Consolidated Plan FY 2010-2014.

Notice of this public hearing was published on Wednesday, December 22, 2010 in the *Champaign-Urbana News-Gazette*, posted on the City of Urbana's website, announced in the City's newsletter, *Neighborhood News*, which was mailed to residents in the Community Development Target Area, and mailed and emailed to various social service agencies and interested citizens.

Seeing there were no public comments, Randy Burgett closed the public hearing at 8:00 p.m.

Respectfully Submitted,

---

Kelly Hartford, Grants Coordinator II
