SUBJECT: **Emergency Solutions Grant (ESG) Program 2013
Resolutions Approving Subrecipient Agreements (FY 2013-2014):
Community Elements
Crisis Nursery
Greater Community AIDS Project
The Center for Women in Transition
The Salvation Army**

Description

Included on the agenda of the January 28, 2014 meeting of the Urbana Community Development Commission are subrecipient agreements for the 2013 Emergency Solutions Grant (ESG). The proposed agreements are with agencies that participate in the Emergency Solutions Grant program, which are Community Elements, Crisis Nursery, Greater Community AIDS Project, The Center for Women in Transition and The Salvation Army.

Issues

The issue is whether the Community Development Commission should forward the agreements to the Urbana City Council with a recommendation for approval.

Background

Through the Champaign County Continuum of Care (CoC), local shelters have been able to receive funds for eligible ESG activities. The CoC completes the application for funding which includes all agencies that will be receiving funds under the grant. In past years each of the five agencies received their grant directly from DCEO. For the 2013 ESG grant funds, DCEO set a \$25,000 minimum for any ESG grant. Since many of the agencies were recommended to receive 2013 ESG grant amounts in amounts less than \$25,000, the City of Urbana was selected by the CoC to administer the funds and be the sole grant recipient for the portion of the ESG funds distributed to the shelters.

The objective of the Emergency Solutions Grants (ESG), formerly known as the Emergency Shelter Grants program, is to increase the number and quality of emergency shelters and transitional housing facilities for homeless individuals and families, to operate these facilities and

provide essential social services, and to help prevent homelessness. The five agencies that will receive funds through this program provide essential services, such as case management, child care, education, employment assistance and job training, outpatient health services, legal aid, transportation, substance abuse treatment, and services for special populations. The agencies also receive program funds for operational costs. The City of Urbana will receive funds for the administration of the program.

On April 30, 2013, the City of Urbana (City) submitted an application, through the Urbana-Champaign Continuum of Care, for 2013 ESG program grant funds to provide operating and essential services to five (5) local shelters within the CoC.

On October 7, 2013, the City received notice from DCEO that the application for the Emergency Solutions Grant program was approved for \$70,618. On January 21, 2014, the City executed the Emergency Solutions Grants program agreement with DCEO that governs expenditure of ESG funds received by the City and the participating agencies. The City is then required by DCEO to execute agreements with each of the subrecipient agencies, which detail amounts of funding and eligible uses of the funds.

Options

The Community Development Commission can:

1. Forward the Resolutions approving the agreements with Community Elements, Crisis Nursery, Greater Community AIDS project, The Center for Women in Transition and The Salvation Army to the Urbana City Council with a recommendation for approval.
2. Forward the Resolutions approving the agreements, with suggested changes, to Urbana City Council with a recommendation for approval.
3. Do not make a recommendation to Urbana City Council for approval of the agreements.

Fiscal Impacts

There will be no fiscal impact on the City General Fund, as the \$70,618 in funding for this program comes from DCEO. The grant began on October 1, 2013, and the total amount of funding is as follows:

Community Elements – TIMES	\$18,614.00
Crisis Nursery	\$ 5,425.92
Greater Community AIDS Project	\$ 4,421.12
The Center for Women in Transition	\$30,505.00
The Salvation Army	\$10,248.96
<u>City of Urbana</u>	<u>\$ 1,403.00</u>
Total amount of grant:	\$70,618.00

Recommendations

Staff recommends that the Community Development Commission forward the Resolutions approving the Emergency Solutions Grant program subrecipient agreements with Community Elements, Crisis Nursery, Greater Community AIDS Project, The Center for Women in Transition and The Salvation Army to the Urbana City Council with a recommendation for approval.
