- 1) The City has a policy of affording an individual with a criminal record an equal opportunity to be employed and reintegrate successfully into the workforce, while protecting vulnerable populations and the public

safety. Consistent with this policy **and in accordance with Title VII**, a criminal record will not automatically disqualify an Applicant from employment, unless explicitly mandated by law.

- 2) The City will not inquire into an Applicant's criminal history on any initial employment application form, unless explicitly mandated by law. All positions that require a CRHI check by law shall be made known to the public. **Only job related convictions will be considered.**
- 3) The City will not conduct a CRHI check or make any inquiry into an Applicant's possible criminal history until after an Applicant's credentials have been reviewed, it has determined that the Applicant is otherwise qualified for a position and a conditional offer of employment has been made. The City does not conduct a CRHI check on an Applicant that is not otherwise qualified for a relevant position.
- 4) The City will not check an Otherwise Qualified Applicant's CRHI unless a CRHI check is mandated by law or it determines that the position **requires that a CRHI check be conducted.**
- 5) The City and the Awarding Authority will keep a record that lists the positions that have been determined to **require a CRHI check.**
- 6) Prior to conducting a CRHI check on an Otherwise Qualified Applicant the City must provide standard written notification to the person, **as well as a copy of the CRHI report**, advising:
 - a. That a CRHI check is going to take place;
 - b. That he or she will have the opportunity to contest the accuracy and/or explain the relevance of anything on the CRHI report, and to submit evidence of rehabilitation, before the City decides to retract the conditional offer of employment; and
 - c. What kinds of specific evidence the Applicant can present on his or her behalf.
- 7) The City shall select designated reviewers within the Human Resource's department to examine all CRHI reports. Any personnel responsible for reviewing CRHI reports shall be trained on reading and interpreting CRHI. Such personnel shall be required to attend CRHI training and be knowledgeable about educational materials made available by the Administrative Office of the Courts and the State Bureau of Investigation.
- 8) The City will only receive CRHI from Official Data Sources. Moreover, the City shall not make employment decisions based on information obtained from commercial or third party CRHI data providers.
- 9) The City shall not consider arrests that did not result in a Conviction on any Applicant's CRHI report. The City will consider Convictions on an Applicant's CRHI report only in those instances where there is a substantial relationship between the Conviction and the duties and qualifications of the position in question. In making the "substantial relationship" determination the following factors should be considered:
 - a. Whether the prospective job provides an opportunity for the commission of a similar offense(s);
 - b. Whether the person has committed other offenses since the conviction
 - c. The time elapsed since the offense(s).
- 10) The City follows the practices set forth below when it is inclined to deny an Applicant a position because of their Conviction history. During a face to face meeting the City/employer will do the following:
 - a. Ensure that the record received pertains to the individual for whom a request was made by comparing the Applicant's identifying information, such as that on a driver's license or government issued identification, or CRHI request form, to the information on the CRHI report;

- b. Provide the Applicant with a written copy of the CRHI report prior to making any adverse determination or taking any adverse action;
 - c. Notify the Applicant of the Conviction(s) that appear to make him or her ineligible and verify the substantial relationship to the job they are applying for.
 - d. Provide the Applicant with a copy of the City's CRHI standards and materials that explain what information will be considered by the City in making a determination of the relevancy of an Applicant's Conviction history;
 - e. Afford the Applicant with an opportunity to contest the accuracy and/or explain the relevance of any Conviction(s), and to submit any evidence of rehabilitation, before a final decision is made about the Applicant's suitability for the position sought. The Applicant shall have ten (10) business days, after receipt of notice from the City to respond to the City regarding the CRHI report. The Applicant's opportunity to rebut may take place in the form of a private meeting or a written submission; in the case of a dispute, an advocacy group will be notified via certified mail and given 5 business days to respond and serve as a liaison.
 - f. Review the relevancy of the Conviction(s) related to the job responsibilities required for the job in which the individual is applying or being offered by considering these factors:
 - i. Nature, and circumstance of any past Conviction, or pending charge (only if this charge is substantially related to the job being applied for or offered);
 - ii. Age of the candidate at the time of the offense(s);
 - iii. Date of the offense(s);
 - iv. Sentence imposed and length of any period of incarceration;
 - v. Any reasonable available information concerning compliance with conditions of parole or probation, including orders of no contact with victim and witnesses;
 - vi. The individual's conduct and experience in the time since the offense, including, but not limited to, education or professional certification obtained since the time of the offense;
 - vii. Any other evidence of rehabilitation
 - g. After review, if the City finds a valid reason to refuse, rescind, or revoke the offer of a position, it will promptly notify the Applicant in writing stating the reasons thereof.
