SUBJECT: Plan Case 2074-T-08: A request by the Zoning Administrator to adopt design guidelines for the Lincoln-Busey Corridor, amend the Urbana Zoning Ordinance to enable design review in certain areas, and establish the Lincoln-Busey Corridor design overlay district.

Introduction

Plan Case 2074-T-08 is a request to adopt design guidelines for the Lincoln-Busey Corridor, amend the Zoning Ordinance to enable design review in certain areas, and establish the Lincoln-Busey Corridor design overlay district. This case was reviewed at the October 9, October 23, November 20, and December 4, 2008 Plan Commission meetings. The Plan Commission provided comments at these meetings. City staff has reviewed those comments and revised the text amendment accordingly.

Discussion

The following additional changes are recommended:

Section XI-15.B.5 (page 147). This language reflects model planning statutes. The intent is to ensure that the review is properly focused on design issues but clarifies that the Design Review Board is not obligated to approve a design application simply because the proposed use is allowed by right.

Membership (page 147-148). The Legal Division recommended against using language in the Ordinance that would allow the total number of Board members to change as the number of design review districts changed as the language required would be overly complex. They recommended instead that the ordinance be written to reflect the Board membership if the City has only one design review district. The Zoning Ordinance would need to be amended anyway when a new district is created and the Board membership adjustment can be part of that amendment. The recommended total number of Board members, therefore, is seven: a member of the Plan Commission, a member of the Historic Preservation Commission, an architect, a

developer, a real estate professional, and two residents of Urbana.

Section XII-15.F.3 (page 149). This section now reads: “Approval of an application shall require a majority vote of those members present and not abstaining, but in no case shall action be taken by fewer than four votes in total.”

Applications. At the Plan Commission’s request, Section XII-15.G.4.c.2 (page 150) regarding projects not visible from a public right-of-way other than an alley being exempt from design review, has been removed.

Design Review Board Procedures. The two references in Section XII-15.H.2 (page 151) to the “majority vote” have been replaced with a reference to the voting requirements as outlined in Section XII-15.F.3.

Recommendation

Staff recommends that the Plan Commission forward Plan Case No. 2074-T-08 to the Urbana City Council with a recommendation to APPROVE the Lincoln-Busey Corridor Design Guidelines, APPROVE the Zoning Ordinance text amendment as attached, and APPROVE the Lincoln-Busey Corridor Design Review Overlay District.
