

## Brianna Lawrence Project Evaluation

“Have Book, Will Travel” is an installation on display in the Urbana Free Library. The project was completed and installed in the first week of June of this year and I gather that it has been the subject of much interest from children visiting the library. I will be teaching a class for young children on making toys out of cardboard on Saturday, August 24<sup>th</sup> at 2:00pm at the library and will bring along a number of cardboard toys and sculptures for demonstration and inspiration. I hope to provide an opportunity for some of the children who were interested in the sculpture to learn a little about the versatility of cardboard and how they might begin to make things for themselves. Grant funds enabled me to work on this project and provided money for the following supplies:

### Funds Spent

Supplies	Vendor	Date	Amount	Total
Glue	Art Coop	29 April 2013	23.72	
Paint	Art Coop	20 May 2013	25.10

I believe that I spent around 100 hours on this project and will spend another 12 hours or so preparing for the class in August. I was the sole creator of the piece, but the Art Coop and Heel to Toe provided all of the cardboard that was used to create the piece. Please find photos of the piece “Have Book, Will Travel” and receipts below.
