Alderman Lewis asked for comments regarding the 2006 Traffic Stop Study results presented by Chief Bily to the Urbana City Council on September 10, 2007. There were no comments. Mr. Lewis stated that he still feels that the data used to generate the study is flawed and should be revised. Mr. Lewis and committee members discussed the Carle expansion plan, the community center grant, recent panhandling problems in Urbana and the sewer replacement for the Dr. Ellis Subdivision. Mr. Lewis also announced that candidates will be interviewed on Friday, September 21, 2007 for the position of Executive Director of the Regional Planning Commission.

Samuel Johnson asked if cameras, which were previously discussed, were going to be installed at the corner of Fairview and Goodwin to monitor the activity there. Chief Bily stated that he would check on the status of the camera installation and report back to the committee at the next UCAP meeting. Samuel Johnson also asked the date for the neighborhood cleanup. Karen Lowery reported that the cleanup will be held Saturday, October 13, 2007, 8 AM – 2 PM with dropoff sites at King School and Solo Cup.
