Diane Marlin, Chair Maryalice Wu, Ward 1 Eric Jakobsson, Ward 2 Shirese Hursey, Ward 3 Bill Brown, Ward 4 Dennis P. Roberts, Ward 5 H. Dean Hazen, Ward 6 Jared T. Miller, Ward 7 Dear Cunningham Township Board,

Created in 1928, the Cunningham Township is a local taxing body focused on **equity**. Our Assessor division provides independent assessments of properties so that all property owners pay their fair share. Our Supervisor oversees programs to support the lowest income households in Urbana – providing a non- duplicated safety net for Urbana households dealing with the devastation of homelessness, joblessness, or disability. The Assessor, Supervisor, Clerk, and Town Board are elected by and accountable to the people of Urbana.

#### CONTEXT

Our community is one of contrasts – with a large and largely invisible impoverished constituency living alongside a flourishing and vibrant academic community. On child homelessness: **650 school-aged children were registered as homeless in 2015-2016**. Over the past 5 years, child homelessness in Champaign County has increased an estimated 132%. **Champaign-Urbana is facing a housing crisis for low-income residents, as wages do not keep up with rent and cost of living. Champaign County residents are the** *most* **rent burdened in the state – with roughly a third of residents severely rent burdened. "In Champaign County, an individual earning minimum wage would have to work 73 hours a week to afford a two-bedroom apartment and utilities." In Urbana, 66.4% of renters are rent burdened. Last year, county wide, centralized intake for the homeless fielded over 2800 calls for homeless and rental assistance services. Champaign County currently lacks year round emergency shelters for men, women, families, or children over the age of 6.** 

# **GENERAL ASSISTANCE**

By state law, Cunningham Township is required to provide **General Assistance**, which provides temporary support for residents who are disabled or out of work. Disabled residents are awaiting their federal disability determinations and may receive advocacy from our office to do so. When they receive SSI or SSDI, Cunningham Township is reimbursed by the Social Security Administration for the General Assistance we provided during the timeframe SSA determines the resident was eligible for payments. Unemployed residents participate in Community Workfare and receive support to seek employment through our relationships with Salt and Light, WorkNet and Regional Planning Commission. Parents of children are eligible to receive GA as long as they have a pending TANF application. General Assistance is meant to be gap funding and ends when participants receive other cash assistance or sufficient income.

Historically the number of Urbana residents requiring supports fluctuates based on the following: 1) the health of the economy 2) federal and state policies and practices regarding medical and disability payments 3) The accessibility of the program itself. Below is a chart of the median number of households in a given year receiving General Assistance from 1975 to present. Note there is a wide variety from 20-176 cases, with a median of 62 cases in this time span.

This second graph shows the amount of payments in dollars for general assistance and medical assistance since 1998. Note that the expansion of Medicaid by the Affordable Care Act 2014 generally coincides with a reduction in medical payments. We are still compiling historical data on general assistance payments, but in 1982 it was \$130 per month, 20 years later in 2002, payments were \$204 per month, in 2012 \$223 and they are now \$265. City of Champaign assistance is currently \$280.

# **EMERGENCY ASSISTANCE**

Emergency Assistance is an optional program some townships in Illinois provide including Cunningham, Bloomington, Schaumburg, Evanston, Elgin, DeKalb, Algonquin, Bremen, Godfrey, Rockford, and others. In response to the crisis in affordable housing and homelessness in Urbana, the Cunningham Township Supervisor launched a **Homeless Assistance Program** in December of 2017, which supports Urbana residents who are homeless, or at risk of homelessness. This assistance currently provides up to \$600 once in a two-year period to prevent eviction or homeless residents move into housing. Residents must have income that is at least twice their rent, but under 150% of the poverty level (this is changing to 200% as of July 1, 2019). From December 2017 to July of 2018, we provided a hotel voucher program for 60 homeless families in Urbana with no other shelter options. That program provided significant one-of-a-kind data on the needs of homeless families, but ultimately was closed in favor of investing in rental assistance and a future emergency shelter. In the 17 months between December 2017 and June 20 of 2019, we have assisted the following number of Urbana residents:

Program Component	# Residents	# Households	# Children
Eviction Prevention	122	48	
Rental Assistance	158	84	
Motel voucher (discontinued)	162	60	
TOTAL	446	194	224

Cunningham Township has led the way in partnering with RPC and the City of Champaign Township to launch a county-wide rental assistance program for FY 2020, leveraging \$80,000 from Cunningham Township with approximately \$100,000 of outside dollars to provide a coordinated, streamlined program.

#### SOCIAL SERVICE FUNDING

Cunningham Township has a long standing, trusted partnership with the City of Urbana to distribute grants to social service agencies through the Consolidate Social Service Funding Program (CSSF) with the aim of supporting low-income Urbana residents. In the current year, the program granted \$237,500 total to 21 non-profit organizations in grants ranging from \$1,000 to \$30,000. An overview of the existing program is provided in the CSSF FY19 Annual Report.

Over the years, the funding allocation has shifted, as the Township has shown a surplus and the City has faced budget cuts. Cunningham Township now distributes \$175,000 a significant portion (14.3%) of its overall income to other agencies through the grants program. The township CSSF amount represents 50% of the entire projected General Assistance levy. Some history of this shift: The city council reduced the City of Urbana contribution from over \$200,000 in FY 2015 to \$75,000 for the years since. The same council, operating as the town board increased township's share to \$175,000, while cutting the overall CSSF budget by \$50,000 to \$250,000.

#### **LEVY**

In 2014, the Town Board, upon the recommendation of the prior Supervisor, voted to decrease the tax levy for General Assistance collectible in 2015, due to a significant reduction in client numbers. Beginning in 2016, the GA fund collections were reduced by approximately \$200,000 per year. (See chart below.)

General Town Fund	<b>2015</b> \$706,492	<b>2016</b> \$782,948	<b>2017</b> \$783,318
General Assistance Fund	\$542,866	\$343,447	\$343,447
Total Taxes Levied	\$1,303,358	\$1,126,395	\$1,126,765

The participant rolls have since returned to the anticipated levels of between 90 and 120. **As a result, personal allowance projections for this year (\$401,280 for 110 participants) exceed the overall levy amount (\$394,454 budgeted in FY20**), before staff or administrative costs are factored in. The difference has been made up by spending from township surplus, but such a shortfall will need to be addressed in future years.

#### **NEXT YEAR'S BUDGET**

The FY20 Budget for Cunningham Township, presented here, focuses on addressing homelessness and poverty in Urbana, namely:

- \$401,208 is budgeted in the general assistance program for personal allowances. The personal allowance amount which was \$265 in FY17, 18, and 19 has not kept up with inflation since the 1990s. We have budgeted an increase to \$304, to match that at City of Champaign Township and respond to a Township Supervisors of Illinois and IL DHS recommendation.
- \$80,000 is budgeted for rental assistance and eviction prevention, which will be used to move homeless residents into permanent housing and prevent homelessness for low income residents of Urbana facing evictions. We expect the demand for this program to increase as RPC refers additional Urbana participants to use. At this budget allocation, we estimate 134 Urbana households will be served at \$600.
- A total of \$175,000 is budgeted for the Consolidated Social Service Fund \$137,000 in this grant cycle and \$38,000 set aside for rapid response grants as needed.
- A rollover of the \$50,000 unexpended last year in the Town Fund for "Other Grants," specifically to provide a matching grant for shelter for women and women with children. This past year, the boards for the United Way and Community Foundation voted to provide \$30,000 in support each for Courage Connection to provide this service, but the organization declined with a shift in leadership. We are seeking a new partner for this grant.
- Our service provision has grown enormously with well over 100 walk-ins per month and about 600 residents served per year. We have grown from 26 active GA clients in May of 2017 to 108 active cases for May 2018. In Homeless Assistance, we expect to serve 134 families in FY 2020, up from zero May 2017.
- The Supervisor's office has increased staff hours, but have been able to control costs since a majority of our staff elect to work part time due to family or school commitments foregoing health care and retirement benefits.
- Added an IMRF paydown of \$100,000 for the township as a whole. Township has a \$94,000 unfunded liability in IMRF, this is down from a \$364,000 at end of 2016, \$172,000 at the end of 2017. We are budgeting an investment of \$100,000 because of investment losses in last year. By paying towards our unfunded liability now, we hope this will have a positive effect by lowering our overall rate for IMRF.
- Our Internship program plays a central role in supporting our full time staff while getting real world experience in a public aid office. We have increased the budget for this program given that we anticipate adding 2-4 full time interns from the UI School of Social Work starting January 2020 through our Affiliation Agreement.
- The budget includes \$3,000 for the Township garden project, which serves as a tool for outreach, community workfare, and direct service with the provision of fresh food.

#### Some notes on Income:

- The levy increase is capped at 2.1% of the highest of the last 3 years so, without additional valuation, we are capturing about \$45,149 more this year than last.
- We continue to negotiate **increases in interest rate payments** with Busey bank and have expanded to include the Illinois Fund.

- Cunningham Township launched an "angel fund" for individual donors to give to the general assistance fund and received donations from a number of organizations, churches and individuals. We have budgeted \$4,000 in income this year.
- Cunningham Township was one of five communities nationwide to receive a technical
  assistance grant to implement SOAR a process that doubles the chances of a successful
  application for federal disability payments in half the time. We are leading cohort of 8 SOAR
  trained case managers in the county, and will be implementing the SOAR process for our
  participants who are homeless or at risk of homelessness. We expect a modest increase in the
  SSI reimbursements as a result.

# Some Administrative Items to note:

- The budget includes \$10,000 for yearly bus passes for general assistance participants doing workfare, which is a legal requirement. This is down from an estimated \$14,000 spent in the current year due to our partnership with PACE to provide DASH passes to residents with a disability and more stringent requirements for workfare participants.
- This budget uses the "**Town Fund Other**" class for income and expenses shared in common between the Supervisor and Assessor. Appropriate administrative costs are also split with the General Assistance fund.
- Cunningham Township pays 50% of all lawyer fees in defending the lawsuit filed by Carle
   Hospital -- costs split with the City of Urbana. What is at stake is hundreds of millions on the
   line for the School District, Park District, City, County, and Township.
- The budget includes several **technological enhancements**. VisualGA has ongoing annual costs at \$3400/year and we plan to add another seat at \$2500. We plan to purchase 2 more computers to accommodate the interns and volunteers and an overhead projector for staff meetings and trainings.
- **Building Repairs** include \$18,600 to render the lobby more comfortable for participants, increase energy efficiency, add security, and to do some painting.

Overall, Township income is estimated at \$1.261 million dollars. This comes from a modest property tax, personal property replacement tax from the state, along with social security reimbursements, dividends from our insurance provider, interest, and private donations.

Cunningham Township is currently holding \$598,601 in reserves across both the Town fund and GA fund in the case of property tax refunds to Carle and/or Presence Hospitals. The amounts are held as follows:

	Supervisor	Assessor	General Assistance	TOTAL
6810 – Carle Property Tax Refund	\$148,604	\$148,604	\$297,206	\$594,414
6820 – Presence Property Tax Refund	\$1,047	\$1,047	\$2,093	\$4,187

As for process, this tentative budget must be available for inspection for at least 30 days before the Budget and Appropriation Ordinance can be adopted by the Township Board. Please see the draft adopting ordinance here: <a href="https://www.urbanaillinois.us/sites/default/files/attachments/Ordinance T-2018-06-002.pdf">https://www.urbanaillinois.us/sites/default/files/attachments/Ordinance T-2018-06-002.pdf</a>

Sincerely,

Danielle Chynoweth, Cunningham Township Supervisor

FY 2020 in the Cunningham Township Assessor's office will present the challenge of moving toward a more technologically advanced system that reduces dependence on paper while providing better access to information for the public. This is in addition to 2020 being the quadrennial reassessment year for Cunningham Township by the Illinois Department of Revenue. Per IDOR guidelines and policy, all property is to be viewed, inspected, and valued once every four years. That fourth year is referred to as a general reassessment year (or a quad year.)

In preparation for the upcoming quad year Township Assessor staff have painstakingly gone through our collection of property record cards to get a general idea of prior maintenance and general reliability of information contained therein. As a result of these efforts we have discovered an error rate of about 15%. Errors include outdated information in the records as well as incorrect information. All of this missing or incorrect information would be useful in determining values.

There are properties listed as 1-story homes when they are in fact 2-story homes and vice versa. The outdated information includes things like porches and decks that have not been picked up under the previous administration. Enclosed living spaces that were previously not enclosed are also appearing in our list of errors. This missing information would be useful to determine value include information like bedroom and bathroom count. The proposed FY 2020 budget addresses these deficiencies by temporarily increasing personnel spending for this year so we can get to a point general data reliability. This will facilitate our transition to using market based regression to value residential property.

Most notable this budget proposes increasing FTE by one while maintaining 3 part-time interns. This temporary personnel increase will allow for a full quadrennial reassessment to be done per IDOR guidelines instructing the Township Assessor staff to physically view, inspect, and value all 8665 residential parcels in Cunningham Township.

Training remains a priority in FY 2020 specifically because year 2020 is a quad reassessment year. All staff will need to learn modern assessment techniques, including valuing property using market regression.

The Cunningham Township Assessor's Office website will appear in the 1st quarter of FY 2020. This will allow the public to be able to perform basic searches about property record cards without having to call or email our office. Condo and commercial cards will be accessible on the website at a later date.

The Appraisal fees line item has been increased to accommodate our response to a potential increase in commercial appeals filed with the Board of Review. The township will need to provide defending appraisals to the Board of Review in some cases.

The Cunningham Township Assessor's office has a long and proud history of providing fair and accurate assessments to taxpayers, as well as exemplary service to the public. One of the cornerstones of that success has been ongoing professional education and training of staff and officials. In order to continue to deliver on our promise of fair and equitable assessments, we need funding in our budget for basic expenses, as well as expanded personnel for our staff. Let's make assessments great again.

Sincerely,

Wayne T. Williams Jr., Cunningham Township Assessor

# **Descriptions of General Town Fund Divisions**

General Town Fund includes three divisions: Supervisor, Assessor, and Administration.

# **Supervisor Division**

The Supervisor's Division leads the township's administration and finances - with budget preparation and analysis for all funds, financial management and forecasting, property tax levy, FOIA response, IMRF retirement, health care, maintenance of the township building and grounds, legal services and accounting services. These are done with input from the Assessor.

The Supervisor's office includes social service grants which are designed to help finance health services, rent assistance, homeless assistance, and other various human services, for low-income individuals, children and senior citizens through grants to local agencies. The Township's Social Service Grants program is part of a joint program of the City of Urbana and Cunningham Township.

The Supervisor also conducts public education - seeking to address the roots of poverty—lack of employment, unequal distribution of wealth and income, and discrimination—through program development, policy change, and public education. We produce white papers and educate local leaders on the local conditions of poverty, discrimination, state of social services, and gaps in the safety net, advocating for systems change as needed.

Compensation and benefits for the following elected officials are included in the Administration budget: Township Supervisor. There are two part time employees in this division: Office Administrator and Operations Support.

# **Assessor Division**

The Cunningham Township Assessor determines fair market value of property and sets the assessment at one-third of fair market value. The elected Cunningham Township Assessor oversees this division. Compensation and benefits for the elected Assessor are included in this division's budget. Full time employees in this division are the Chief Deputy Assessor (1) and Deputy Assessors (2). There are no part-time positions.

#### Administration Division

Shared income and expenses within the town fund are now accounted for in the administration division. Compensation and benefits for the following elected officials are included in the Administration budget: Township Clerk. There are no additional employees.

# **Description of General Assistance Fund**

The General Assistance Fund has one division - General Assistance (GA). This fund supports the following programs: General Assistance, Homeless Assistance which has two line items: Rental Assistance/Eviction Prevention and Emergency Assistance, and Advocacy.

General Assistance is an income maintenance program administered throughout Illinois by Township Supervisors. The purpose of General Assistance is to provide benefits to low-income persons who have applications pending for, or do not qualify for benefits from other cash assistance programs administered by the Department of Human Services and the Social Security Administration. The eligibility rules and benefit levels vary from township to township. A township can adopt any set of

General Assistance standards as long as those standards fall within Illinois statutory requirements. Cunningham Township uses the General Assistance Handbook of the Township Officials of Illinois. A copy is available for review at the Cunningham Township Supervisor's office.

Cunningham Township provides General Assistance to qualifying persons who reside within the Township boundaries (i.e., the City of Urbana city limits). The maximum monthly personal allowance for one adult is currently \$265 with a proposed raise to \$304 in the coming year. Every participant receiving General Assistance also receives transportation assistance in the form of a yearly bus pass, if needed. General Assistance also goes to support medical needs not covered under Medicaid or other local charitable programs. These may include dentures, eye glasses, etc.

Those who receive personal allowances earn these allowances by participating in one of three tracks:

- 1) Job Search, Training, and Work track is to contribute to the training and experience of employable recipients and assist such recipients in obtaining employment. Participants engage in educational activities, such as GED completion or special certification and make steps towards employment with support from Cunningham Township staff.
- 2) Workfare Program track is designed to benefit the local community through labor performed by recipients who cannot reasonably be expected to benefit from training and job search activities or otherwise be aided to obtain employment. They serve at local non -profit and government agencies for the amount of their check divided by the minimum wage in Illinois.
- 3) Exempt Track is for individuals 60 years and older or with a demonstrated disability who are not able to participate in JSTW or CWP. These individuals may receive advocacy support in pursuing social security disability (SSI or SSDI).

Homeless Assistance supports low-income Urbana residents who are in the life-threatening circumstance of living without shelter. This program fills the gap when emergency and transitional shelters either do not exist or cannot accommodate a resident. It also prevents homelessness by keeping residents with sufficient income from being evicted. Township can provide an incomequalifying household payment towards stopping eviction. If the resident is homeless, township can provide rental assistance. For those in a documented life or death situation, very limited hotel stays or short-term rentals may be provided. Homeless Assistance is a one-time assistance is available to a household once in a 2-year period. Every participant receiving Homeless Assistance also receives transportation assistance in the form of a yearly bus pass, if needed.

The Township advocacy program supports any participant who needs additional services, such as disability, mental health, substance abuse, health care navigation, child care, education or other, is referred to the appropriate agency and follow up is provided to ensure they receive the support needed. In doing so, we can identify gaps and systems issues and work with funding and agency partners to resolve these.

There are two full time case manager positions in this division focused on housing and employment, and two part time employees: a case manager and advocate focused on disability support.
