MEDIA PRODUCTION SERVICES**

This Intergovernmental Agreement (hereinafter, "IGA") by and between the Housing Authority of Champaign County (hereinafter, the "Housing Authority"), a body politic and corporate, and the City of Urbana (hereinafter, the "City"), a home rule unit of municipal government, (collectively, hereinafter, the "Parties") is made and entered into and is effective as of the latest date appearing below.

WHEREAS, pursuant to Article VII, Section 10 of the Illinois Constitution of 1970 and 5 ILCS 220/1, *et seq.*, the Parties can enter into agreements that provide for joint cooperation by and among the Parties; and

WHEREAS, the Parties wish to enter into this IGA in order for the City to provide cost-effective media production services for and on behalf of the Housing Authority.

NOW, for good, valuable and mutual consideration, which each Party acknowledges, having in hand received and for the mutual exchange of the terms, conditions, and covenants contained in this IGA, the Parties agree as follows:

Section 1 – Responsibilities of the Housing Authority:

I. For public hearings and meetings:

The Housing Authority shall:

- a. Provide an annual schedule of such public hearings and meetings for which the City's broadcast services are requested. Provide any changes to the annual schedule seventy two (72) hours before the amended meeting date and time for City staffing and equipment availability to be arranged. Broadcast services are defined as the video recording, audio visual support, post-production, and digital distribution online and on the City of Urbana's television channel of the meetings.
- b. Provide adequate time and space in the hearing/meeting room for City staff to set up; operate, and remove their equipment.
- c. Provide adequate parking for City staff near the building in which the hearing/meeting will be held so that City staff can conveniently load and unload the City's equipment and transport the same to the hearing/meeting room.
- d. Obtain any and all written consents in the event that a consent or consents of a third-person or third-persons is or are required to be obtained prior to including or using that third-person's name, personal information, likeness, or video or photographic image in

any media and/or broadcast service to be undertaken or provided by the City to the Housing Authority.

- e. Assure that each hearing, meeting, or broadcast for which City staff and equipment shall be used shall be appropriate and not in violation of any third-person's intellectual property rights including, but not necessarily limited to, copyrights, trademarks, service marks, or patents.
- f. Pay to the City the fees outlined in Addendum A appended to and incorporated into this IGA.

II. For other media production services:

- a. Provide a detailed description of the requested media services with sufficient time for City staffing and equipment availability to be arranged. The detailed description for each event for which media services are requested shall include the nature of the event, the location of the event, the date and start and finish times of the event, the onsite location where the City's staff will operate the City's media equipment, and any other information the City deems appropriate in order for the City to evaluate the Housing Authority's request for said media services.
- b. Sign an estimate of production services hours, including planning, recording, and editing of media.
- c. Pay the fees outlined in Addendum A.

III. Interference with services: At all times when the City is providing media services of any type, regardless of the reason for or location of such media services, the Housing Authority shall not unreasonably interfere with the set-up, operation of media equipment, and take-down of such media equipment unless such interference is for the purpose of preserving human life, health, or safety or to protect property from damage.

Section 2 – Responsibilities of the City of Urbana:

I. For public hearings and meetings and other media production services:

The City shall:

- b. Provide estimates to the Housing Authority of production services hours, including planning, recording, and editing of media in advance of the City's provision of such media and/or broadcasting services. Actual fees will be assessed in 30-minute increments according to the Addendum A. In the event that the Housing Authority seeks to retain the City to provide media and/or broadcast services for events or for a scheduled series of meetings and/or events, the City will provide the Housing Authority with an estimate of the fees the City will charge for the group or series of meetings and/or events prior to this IGA becoming effective.
- c. Notify appropriate Housing Authority staff of scheduling conflicts or other issues. Media services will be provided within the staff time availability, equipment capabilities, and staff technical abilities.
- d. Perform the agreed-upon media production and/or broadcast services to the technical standards of City of Urbana staff.
- e. Maintain an accurate record of production services hours, including planning, recording, and editing of media.

In the event that City staff and/or City media and/or broadcast equipment become unavailable for the Housing Authority's meeting or event and such unavailability is due to some act or omission on the part of the City, any payments received by the City from the Housing Authority for the anticipated by cancelled media and/or broadcast services shall be refunded to the Housing Authority. In the event that the City is unable to provide any of the media and/or broadcast services contemplated by this IGA and such inability is due to any act, omission, or cancellation on the Housing Authority's part, the City shall remain entitled to payment as if those services were rendered by the City, since the City will have scheduled to have City staff and equipment available to undertake the performance of the planned media and/or broadcast services to, for, or on behalf of the Housing Authority.
